Report of Independent Auditors

The Trustees of
HAPO Community Credit Union Employee Investment Plan and Trust

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HAPO Community Credit Union Employee Investment Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HAPO Community Credit Union Employee Investment Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HAPO Community Credit Union Employee Investment Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HAPO Community Credit Union Employee Investment Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HAPO Community Credit Union Employee Investment Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HAPO Community Credit Union Employee Investment Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HAPO Community Credit Union

Notes to Financial Statements

Note 1 – Plan Description

The following description of the HAPO Community Credit Union Employee Investment Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan provisions.

General – The Plan is a participant-directed, defined contribution plan qualifying as a salary deferral plan as defined in Section 401(k) of the Internal Revenue Code (IRC). It covers substantially all employees of HAPO Community Credit Union (Credit Union) and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Credit Union is the Plan's sponsor and serves as Plan administrator. The Plan was most recently restated effective October 1, 2022.

Eligibility – Prior to the Plan restatement in October 2022, employees of the Credit Union were eligible to participate in the Plan upon reaching age 18 and after completing three consecutive months of service, measured from the date of hire. If the service requirement was not met in the first consecutive period of months, employees were eligible upon completing 1,000 hours of service. The entry date for eligible participants was the first day of the calendar month following the completion of the eligibility requirements.

At the time of restatement, eligibility provisions were amended. Effective October 1, 2022, employees are deemed eligible to participate in the Plan immediately upon hire, assuming the participant attains age 18 as of the date of hire. Employees are eligible to enter the Plan immediately upon meeting the eligibility requirements for voluntary contributions. Eligible participants will be automatically enrolled into the Plan at a deferral rate of 3% unless an affirmative election is made otherwise. For employer matching contributions, the eligibility requirement to complete one year of service or 1,000 hours remains in effect.

Contributions – Participation in the Plan is voluntary. Participants can elect to make tax deferred and Roth contributions as defined in the Plan document. Participants may elect to contribute up to the maximum allowable under current Internal Revenue Service (IRS) limits to the Plan each year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their account balances into various investment options offered by the Plan. The Credit Union matches 50% of the employees' deferral rate up to 6% of employee compensation as defined in the Plan. Contributions are subject to regulatory limitations.

In addition to the contributions described above, the Company may also make additional qualified non-elective contributions for the benefit of such participants determined at the discretion of the Credit Union. The Credit Union has not made any qualified non-elective contributions to the Plan in the current year.

Participant accounts – Each participant's account is credited with the participant's contribution and allocations of the Credit Union's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

HAPO Community Credit Union

Notes to Financial Statements

Vesting – Participants are fully vested in their salary deferrals. Participants become 100% vested in the employer matching contributions after one year of service in which 1,000 hours are worked. Participants who do not fully vest prior to termination will forfeit unvested funds.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the note is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed 15 years. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2022, the rate of interest on outstanding notes ranged between 4.25% and 6.50% with various maturities through September 2051.

Payment of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount, equal installments, or a partial withdrawal equal to the value of the participant's interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum cash distribution. Additionally, the Plan allows for in-service withdrawals once the participant reaches the age of 59½.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan, must be used before year end, and will first be used to pay Plan administrative expenses, with any remaining amount used to reduce future Credit Union contributions. There were no forfeitures outstanding as of December 31, 2022 and 2021. There were no forfeitures used to pay Plan administrative expenses or reduce contributions during the year ended December 31, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America using the accrual method of accounting.

Accounting estimates – The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – Investments are stated at fair value. The Plan's custodian, Matrix Trust Company, for the years ended December 31, 2022 and 2021, certifies the fair value of all the investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

HAPO Community Credit Union

Notes to Financial Statements

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement. No allowance for credit losses has been recorded for the years ended December 31, 2022 or 2021.

Payment of benefits – Benefit payments to participants are recorded when paid.

Administrative expenses – Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in fees. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events – The Plan has evaluated subsequent events through August 31, 2023, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

HAPO Community Credit Union

Notes to Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds) – Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded.

The net asset value of the Fund is determined each business day (valuation date) by the custodian. Contributions to the Fund may be made daily at the current net asset value and are considered as made immediately after the daily valuation. Withdrawals from the Fund for benefit payments and participant transfers to noncompeting options to be paid to Plan participants shall be made within 30 days after written notification has been received and are considered as made immediately after the next valuation date subsequent to the custodian's approval.

Money market deposit accounts – The money market deposit accounts are public investment vehicles valued using \$1 for the NAV.

The following table discloses the fair value hierarchy of the Plan's assets by level at fair value:

Investment Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,441,929	\$ -	\$ -	\$ 20,441,929
Money market deposit accounts	-	926,070	-	926,070
Total assets at fair value	<u>\$ 20,441,929</u>	<u>\$ 926,070</u>	<u>\$ -</u>	<u>\$ 21,367,999</u>

Investment Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 21,560,387	\$ -	\$ -	\$ 21,560,387
Money market deposit accounts	-	527,444	-	527,444
Total assets at fair value	<u>\$ 21,560,387</u>	<u>\$ 527,444</u>	<u>\$ -</u>	<u>\$ 22,087,831</u>

Note 4 – Tax Status

The Plan document is a prototype standardized defined contribution plan that received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated the Plan, as then designed, was in accordance with applicable sections of the IRC. Although the Plan has been restated and amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

Note 5 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit. It is reasonably possible, given the level of risk associated with investment securities, that changes in the near term could materially affect participant account balances and the amounts reported in the financial statements.

Note 6 – Information Certified by the Custodians

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Matrix Trust Company, as custodian of the Plan, has certified to the completeness and accuracy of:

- Investments reflected in the accompanying statements of net assets available for benefits at fair value as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments and dividends and capital gains and other reflected on the accompanying statement of changes in net assets available for benefits at December 31, 2022.
- Investments reflected on the supplemental schedule of assets (held at end of year), excluding participant loans.

Note 7 – Party-in-Interest Transactions

The Plan Sponsor maintains service agreements with its investment custodian, third-party administrator, and auditors. The Plan has a money market account held with Matrix Trust Company; therefore, transactions with these entities qualify as exempt party-in-interest transactions. Total administrative expenses paid in 2022 equal \$128,541. Only \$1,531 of this amount was paid by the Plan Sponsor.

The Plan paid \$127,010 to parties-in-interest during the year ended December 31, 2022.

The Plan also has notes receivable from participants. These transactions also qualify as party-in-interest transactions.

Note 8 – Plan Termination

Although it has not expressed any intention to do so, the Credit Union has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.
