Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ***Spicer Group, Inc. 401(k) Profit Sharing Plan*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Independent Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Independent Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The December 31, 2022 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the *Spicer Group, Inc. 401(k) Profit Sharing Plan* (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Description of the Plan

General

The Plan is a defined contribution plan covering all employees of *Spicer Group, Inc.* (the "Corporation"), except those covered under a collective bargaining agreement, interns or leased employees, who have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Risks and Economic Uncertainties

The Plan invests in various investment securities with the underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of interest rate, market, and credit risks inherent with certain of the Plan's investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

Contributions

Each year participants may contribute annual compensation as defined in the Plan up to a maximum allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Corporation makes a matching contribution equal to a discretionary percentage of each participant's deferral, as determined annually by the Board of Directors, not to exceed 8% of the participant's compensation. For 2022 and 2021, discretionary matching contributions totaled \$412,875 and \$351,794, respectively. The Corporation, at its discretion, may make an additional profit sharing contribution to the Plan at an amount equal to a percentage of each participant's annual compensation. For 2021, the profit sharing contribution totaled \$1,200,000. There was no profit sharing contribution for 2022. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a stable value common collective trust as investment options for participants. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contributions, the Corporation's matching contributions (when made), and allocations of (a) the Corporation's profit sharing contribution (when made), and (b) Plan earnings, and charged with an allocation of administrative expenses. Participants who initiate a loan or benefit payment are charged a fee for that transaction. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401(k) voluntary contributions plus actual earnings thereon. Vesting in the Corporation's matching and profit sharing contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance, with no more than two loans outstanding from the Plan at one time. The notes receivable are secured by the balances in the participant accounts and bear interest at rates that range from 3.25% to 5.50%, which are commensurate with local prevailing rates at the time the notes are issued, as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installment payments, as defined by the Plan agreement. For termination of service or for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's account balance is \$5,000 or less, payment will be made in an immediate lump-sum without the participant's consent. In-service withdrawal of vested balances may be elected by participants who have reached 59½ years of age. The Plan also permits withdrawals of active participants' elective contributions and rollover contributions only in amounts necessary to satisfy financial hardship as defined by the Plan agreement.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce Plan administrative fees, reduce employer contributions or otherwise used at the employer's discretion. Plan expenses were reduced by \$32,375 and \$7,942 during 2022 and 2021, respectively, from forfeited nonvested accounts. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$9,688 and \$7,576, respectively.

Notes to Financial Statements

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Corporation, as provided by the Plan document. Certain administrative expenses, including an allocation of salaries, accounting, and legal costs, are paid by the Corporation and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid by the Corporation are excluded from these financial statements. Fees for recordkeeping, administrative, and investment advisory services are paid by the Plan. Participants are charged directly for loan and distribution fees.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's aggregate gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the stable value common collective trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation or an addition to net depreciation in the aggregate fair value of such investments.

SPICER GROUP, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable is reduced and a benefit payment is recorded.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Corporation.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Subsequent Events

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2022, the most recent statement of net assets available for benefits presented herein, through September 27, 2023, the date these financial statements were available to be issued. No such significant events or transactions were identified.

2. INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, as custodian, has certified the completeness and accuracy of the investment information reflected in (1) the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, (2) the December 31, 2022, schedule of assets (held at end of year), and (3) the related investment activity reflected in the statements of changes in net assets available for benefits during 2022 and 2021. Newport Trust Company has also certified the completeness and accuracy of notes receivable from participants and the related interest income as of and for the years ended December 31, 2022 and 2021.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. For financial assets recorded at fair value, the description includes an indication of the level of the fair value hierarchy in which the assets are classified. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Shares held in mutual funds are valued at quoted market prices that represent the net asset value (NAV) of shares held by the Plan at year end and are classified as Level 1. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, then divided by the number of shares outstanding. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price and, therefore, are deemed to be actively traded.

SPICER GROUP, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Stable value common collective trust: The stable value fund is composed primarily of fully benefit-responsive investment contracts, is valued at the NAV of units of the collective trust, is classified as "other" and is not assigned a level in the fair value hierarchy. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12 month notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31:

2022	Level 1	Level 2	Level 3	Other (1)	Total
Mutual funds	\$ 33,739,023	\$ -	\$ -	\$ -	\$ 33,739,023
Stable value common collective trust	-	-	-	89,792	89,792
Total investments at fair value	\$ 33,739,023	\$ -	\$ -	\$ 89,792	\$ 33,828,815
2021	Level 1	Level 2	Level 3	Other (1)	Total
Mutual funds	\$ 37,678,209	\$ -	\$ -	\$ -	\$ 37,678,209
Stable value common collective trust	-	-	-	80,023	80,023
Total investments at fair value	\$ 37,678,209	\$ -	\$ -	\$ 80,023	\$ 37,758,232

(1) Certain investments are measured at NAV per share (or its equivalent) on a non-active market and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

SPICER GROUP, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers of assets into or out of Level 3 in 2022 or 2021.

The following tables set forth additional disclosures for the fair value measurement of the stable value common collective trust that calculates net asset value per share (or its equivalent) as of December 31:

Investment Type	2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Periods
Stable value common collective trust	\$ 89,792	\$ -	Daily	Daily

Investment Type	2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Periods
Stable value common collective trust	\$ 80,023	\$ -	Daily	Daily

The following is a description of the investment strategy for the stable value common collective trust that calculates net asset value per share (or its equivalent) at December 31, 2022 and 2021:

Stable value common collective trust: These funds include investments that seek capital appreciation to provide a fixed income.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative fees in the amount of \$36,890 and \$33,483 for 2022 and 2021, respectively, were paid by the Plan to Newport Group, Inc. Newport Group, Inc. is the Plan recordkeeper and, therefore, these transactions qualify as party-in-interest. In addition, administrative expenses in the amount of \$106,651 and \$111,295 for 2022 and 2021, respectively, were paid by the Plan to Tri-Star Trust Bank. Tri-Star Trust Bank is the Plan's trustee and investment advisor and, therefore, these transactions qualify as party-in-interest.

SPICER GROUP, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

5. TAX STATUS

The Corporation's Board of Directors adopted the Newport Group, Inc. Non-Standardized Pre-Approved Profit Sharing / Money Purchase / CODA plan document. The Plan document has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and that any employer adopting this form of the Plan will be considered to have a Plan qualified under Section 401(a) of the Code. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan's Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified; the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Corporation may determine.
