Independent Auditor's Report

To the Plan Trustee and Retirement Committee
LucidHealth 401(k) Profit Sharing Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LucidHealth 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to the Financial Statements

1. Description of Plan

The following description of the LucidHealth 401(k) Profit Sharing Plan (the "Plan") provides only general information. The Plan is sponsored by Premier Imaging Ventures, LLC dba LucidHealth. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. LucidHealth acquired Green Bay Radiology and merged participants into the LucidHealth plan effective January 1, 2022. Transfers to the LucidHealth plan from this acquisition amounted to \$30,788,927 during the year ended December 31, 2022. LucidHealth acquired Madison Radiologist and merged participants into the LucidHealth plan effective January 5, 2021. Transfers to the LucidHealth plan from this acquisition amounted to \$46,155,490 during the year ended December 31, 2021.

General

The Plan's eligibility requirements exclude contingent, part-time, temporary and seasonal employees who have not completed 1,000 hours of service during a plan year. Eligible employees may enter the Plan at any time after attaining 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to contribute up to 85% of their eligible earnings and 100% of any bonuses paid as defined by the Plan, not to exceed the limits imposed by the Internal Revenue Service (IRS). Participant deferral contributions can be tax deferred contributions, Roth contributions, or a combination of both. The Plan also allows for in-plan Roth rollover contributions. These contributions are fully vested and nonforfeitable.

The Company's Board of Directors adopted a Section 401(k) safe harbor design for the Plan which means that the Plan automatically complies with the nondiscrimination requirements of Section 401 of the Internal Revenue Code. As such, the Company provided for a fully vested qualified, nonelective contribution of 3% of compensation for all eligible participants totaling \$2,324,313 and \$1,875,108 during 2022 and 2021, respectively.

The Company may make two separate discretionary contributions; a discretionary matching contribution equal to a uniform percentage of participant deferrals and a discretionary profit sharing contribution equal to a discretionary percentage of participant compensation. Participants share in the discretionary contributions regardless of the amount of service completed by participants during the Plan year. During both 2022 and 2021, the Company did not make discretionary matching contributions. The Company made discretionary profit sharing contributions of \$5,549,053 and \$4,672,845 during 2022 and 2021, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan appointed Matrix Trust Company to act as a non-discretionary successor trustee of the trust with the goal of holding all assets of the Plan. Matrix Trust Company offers a platform of investment funds to participants and manages self-directed brokerage accounts.

LucidHealth
401(k) Profit Sharing Plan

Notes to the Financial Statements

Financial Hardship Withdrawals

Financial hardship withdrawals of a participant's deferral contributions are permitted in certain circumstances of immediate and heavy financial need.

Payment of Benefits

Benefits are recorded when paid. The participant's account becomes payable upon death, disability, or normal retirement. Normal retirement age is 62. Participants will receive account balances in a lump sum payment. However, former participants of the money-purchase pension plan have the option of either equal monthly installments in the form of an annuity or a lump sum payment. In-service withdrawals are permitted for participants who have reached age 62 or those electing to make an in-Plan Roth rollover. The Plan allows for installment and ad-hoc distributions for terminated participants.

Forfeitures

Forfeitures arising from balances of terminated participants with less than fully vested interests in the Plan are applied to reduce employer contributions. As of December 31, 2022 and 2021, forfeited amounts available to reduce employer contributions totaled \$187,260 and \$20,593, respectively. For the Plan years ended December 31, 2022 and 2021, the full amount of the forfeited nonvested account balance was applied to reduce employer contributions through the employer - discretionary contribution receivable.

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions and safe harbor contributions plus actual earnings thereon. Vesting in the plan sponsor's discretionary matching and profit sharing contributions plus actual earnings thereon is based on years of service. A participant is 100% vested in the discretionary contributions after three years of credited service, as defined in the plan document and 0% vested with less than three years of credited service.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan reports variable annuity contracts at fair market value. The variable annuity contract the Plan holds includes provisions that could cause an impairment of the asset value upon liquidation or other occurrence. Upon liquidation or other occurrence, the aforementioned provisions would decrease the amount received as they would offset the contract value.

LucidHealth
401(k) Profit Sharing Plan

Notes to the Financial Statements

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Fees

The Plan paid administrative expenses of \$504,301 and \$416,454 to Matrix Trust Company and other third-party administrators for the years ended December 31, 2022 and 2021, respectively. All other professional fees for the administration and audit of the Plan are paid by the Company on behalf of the Plan.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' individual account balances.

Subsequent Events

The Plan has evaluated events and transactions that occurred between January 1, 2023 and September 27, 2023, which is the date that the financial statements were available to be issued for possible recognition or disclosure in the financial statements. See Note 8.

3. Summary of Financial Data Certified by the Trustee

In accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Matrix Trust Company has certified as complete and accurate the following information at December 31, 2022 and 2021 including the comparable information in the accompanying supplemental schedule:

	2022	2021
Cash	\$ 4,583	\$ 4,418
Investments, at fair value	215,919,727	218,500,992
Interest and dividends	1,729,987	4,465,996
Net (depreciation) appreciation in fair value of investments	(43,867,980)	27,662,387

As directed by the plan administrator, no auditing procedures have been performed on the above certified information except to compare such information to the information included in the accompanying financial statements and supplemental schedule.

Notes to the Financial Statements

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, are described as follows.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts - other: Accounts consist primarily of mutual funds, common stocks, exchange traded funds, and money market funds that are valued on the basis of readily determinable market prices.

Variable annuity: The variable annuity is valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV.

LucidHealth
401(k) Profit Sharing Plan

Notes to the Financial Statements

The Plan has concluded that the NAV reported by the investment company approximates the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments.

Collective funds: The fair values of participation units in the stable value collective funds are based upon the net asset values of such fund, as a practical expedient, after adjustments to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts, as reported in the audited financial statements of the fund. The fund invests in conventional and synthetic investment contracts issued by various companies and institutions, with the objective of providing a high level of return that is consistent while also providing stability of investment return, preservation of capital and liquidity to pay plan benefits of its retirement plan investors. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. The Plan has concluded that the NAV reported by the investment company approximates the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

**Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit a reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.*

The following table summarizes the investment measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2022:				
Collective funds	\$ 31,587,700	n/a	Daily	Daily
December 31, 2021:				
Collective funds	\$ 1,798,244	n/a	Daily	Daily
Variable annuity	391,388	n/a	Daily	Daily

5. Income Tax Status

The prototype adopted by the Plan obtained its determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The prototype has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the prototype is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

401(k) Profit Sharing Plan

Notes to the Financial Statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although the plan administrator has not expressed any intent to do so, the plan administrator has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

7. Parties-in-Interest

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Professional fees for the administration and audit of the Plan are paid by the Company on behalf of the Plan.

Plan investments are managed by various investment brokers, including Matrix Trust Company, who are the trustees and as defined by the Plan qualify as parties-in-interest.

8. Subsequent Events

On January 3, 2023, Radiology Associates of Hartford was acquired by the Plan Sponsor, and its 401(k) plan will be merged into the LucidHealth 401(k) Plan in January 2024.
