Independent Auditors' Report

To the Audit Committee of
United Way of Greater Houston Savings & Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of United Way of Greater Houston Savings & Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Way of Greater Houston Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to

be independent of United Way of Greater Houston Savings & Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Greater Houston Savings & Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Greater Houston Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Greater Houston Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

United Way of Greater Houston Savings & Investment Plan

Notes to Financial Statements for the year ended December 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of United Way of Greater Houston Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established for the benefit of eligible employees of United Way of Greater Houston (United Way). Each employee of United Way, excluding leased employees, loaned executives, student interns, and campaign volunteers, is eligible to participate in the Plan following the completion of at least one hour of service. Plan entry dates are the first day of each month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan provides for both participant contributions and employer contributions as follows:

- *Participant contributions* – Participants may contribute up to 100% of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code (the Code). The Plan includes an automatic contribution arrangement that applies to new or rehired participants as they enter the Plan. All new or rehired participants are enrolled at 6% unless they chose to opt out or elect an alternate amount. The Plan also includes an automatic salary deferral increase provision to automatically increase the deferral contribution by 1% every January up to 10%, unless the participant opts out. The Plan allows catch-up contributions, as defined by the Code, for participants who have attained the age of 50 prior to the end of the Plan year. Participants have the opportunity to change the percentage previously elected as of the first day of each month of the Plan year. Participants may elect to rollover distributions from former employers' qualified retirement plans and to make after-tax Roth contributions to the Plan.
- *Employer contributions* – United Way may make a discretionary matching contribution of up to 100% of the participant's contribution not to exceed 6% of the participant's compensation. For 2022, United Way elected to match 100% of each participant's contribution, limited to 6% of the participant's compensation. United Way may elect to make an additional discretionary contribution to all eligible participants, whether they actively contribute to the Plan or not. The discretionary contribution is allocated based on the ratio of each eligible participant's compensation to the total compensation of all eligible participants. For 2022, United Way elected to contribute 3% of each participant's compensation as the additional discretionary contribution.

Participants direct the investment of contributions into various investment options offered by the Plan.

Vesting – Participants are immediately 100% vested in all participant contributions and earnings thereon. Participants become 50% vested in employer contributions and earnings thereon after two years of credited service and 100% vested after three years of credited service.

Participant accounts – Each participant's account is credited with the participant's contributions, employer contributions and an allocation of the investment income and expenses for each fund in which the account is invested. Allocations of investment income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The only benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes receivable from participants – Participants may borrow from the non-discretionary portion of their participant account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the preceding one-year period or 50% of their vested account balance. The balance in the participant's account secures the loan. Loan terms range from one to five years, except when the loan is used to purchase a participant's principal residence, for which the loan may be up to ten years. Interest rates are established by the plan administrator and were 4.25% to 8.50% for loans outstanding at December 31, 2022.

Excess contributions payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Forfeitures – The Plan treats forfeitures of non-vested distributions first as a reduction of administrative expenses, then as a reduction of employer contributions, and finally any remaining forfeitures are allocated to participants. During 2022, \$75,607 in forfeitures were used to reduce employer contributions. At December 31, 2022 and 2021, the unutilized forfeitures and related earnings were \$2,573 and \$25,214, respectively.

Benefit payments – The Plan provides for benefit distributions to the plan participants (or their beneficiaries in the event of death) equal to the vested balance of their accounts upon retirement, death, disability, termination of employment, or upon attainment of age 59½. Additionally, hardship distributions are permitted if certain criteria are met.

Plan termination – Although it has not expressed any intent to do so, United Way has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation – Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 6 for discussion of fair value measurements.

The Plan invests in a fully benefit-responsive investment contract, the Principal Fixed Income Guaranteed Option (PFIGO), and reports this investment in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit payments – Benefit payments to participants are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by United Way and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions. Actual results could vary from the estimates that were used.

NOTE 3 – TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401 of the Code, and therefore, the related trust is tax exempt. In accordance with IRS Revenue Procedures, the plan administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan sponsor has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the Code. In 2023, it was discovered that certain compensation was improperly included in plan deferrals, a corrective distribution payable of \$36,300 was recorded at December 31, 2022 related to the correction of this error.

NOTE 4 – INVESTMENTS

At December 31, 2022 and 2021, a substantial portion of the assets of the Plan were invested in mutual funds, collective investment trust funds and pooled separate accounts managed by Principal Trust Company (Principal), the trustee of the Plan. These transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA.

Individual investments that represent 10% or more of the Plan's net assets at December 31, 2022 are as follows:

Principal LifeTime Hybrid 2035 Fund	\$3,650,943
Principal LifeTime Hybrid 2030 Fund	\$3,101,915
Principal Fixed Income Guaranteed Option	\$2,360,418

Individual investments that represent 10% or more of the Plan's net assets December 31, 2021 are as follows:

Principal Trust Target 2035 Fund	\$4,465,294
Principal Trust Target 2030 Fund	\$3,849,850

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

NOTE 5 – INFORMATION CERTIFIED BY TRUSTEE

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividend income for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal, the trustee of the Plan.

NOTE 6 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a hierarchy that prioritizes inputs used to measure fair value. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity's assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2022 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments measured at fair value:				
Mutual funds	\$ <u>5,680,437</u>	\$ <u>0</u>	\$ <u>0</u>	\$ 5,680,437
Investments measured at net asset value as practical expedient:				
Collective investment trust funds (a)				13,072,277
Pooled separate accounts (b)				<u>1,829,117</u>
Total				<u>\$ 20,581,831</u>

Assets measured at fair value at December 31, 2021 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments measured at fair value:				
Mutual funds	\$ <u>7,944,136</u>	\$ <u>0</u>	\$ <u>0</u>	\$ 7,944,136
Investments measured at net asset value as practical expedient:				
Collective investment trust funds (a)				16,179,242
Pooled separate accounts (b)				<u>2,319,749</u>
Total				<u>\$ 26,443,127</u>

- (a) Redemption requests may be submitted daily with a one-day notification period. There are no unfunded commitments.

- (b) Participant-directed redemptions have no restrictions; however, the Plan is required to provide notice seven business days in advance of a transfer or payment from the accounts. Principal Life Insurance Company (PLIC) reserves the right to defer any payments or transfers up to 270 days. Participants are allowed one transfer out per 30-day period. There are no unfunded commitments.

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at December 31, 2022 and 2021.

- *Mutual funds* are valued at the net asset value (NAV) of the shares held by the Plan at year end.
- *Collective investment trust funds* and *pooled separate accounts* are valued at the NAV of the shares held by the Plan. The NAV is used as a practical expedient to estimate the fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

NOTE 7 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

In December 2013, the Plan entered into a benefit-responsive investment contract with PLIC. The general account portion of this contract, or the PFIGO, represents a group annuity contract, and the assets in this account are commingled with other assets of the insurance company. The account is credited with interest at the rate specified in the contract, but may not be less than 1%, and is charged for participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value such as: (1) complete or partial plan termination or merger with another plan, (2) plan sponsor events such as bankruptcy, spin-offs, divestitures, layoffs, or retirement incentive programs, (3) the liberalization of Plan withdrawal or transfer rules, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Upon occurrence of any of these events, a market value adjustment may apply. United Way does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 7, 2023, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets available for benefits or changes in net assets available for benefits.
