INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
Teamsters Managed Annuity Trust Fund:

Opinion

We have audited the financial statements of Teamsters Managed Annuity Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Managed Annuity Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Managed Annuity Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Managed Annuity Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition

General

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan’s assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities’ own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific method used for the Plan’s investment class is presented below.

Wilmington Trust Collective Investment Trust III for MetLife Group Annuity Contract No. 25554: The fair value of the Wilmington Trust Collective Investment Trust III for MetLife Group Annuity Contract No. 25554 (the “Wilmington Trust”) has been estimated by the insurance company using the net asset value (“NAV”) of the investments, as a practical expedient. The Wilmington Trust invests in Metropolitan Life Insurance Company fully benefit-responsive insurance contracts. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a 60-day redemption notice to liquidate its entire share in the Wilmington Trust. The Plan will receive the lesser of the guaranteed value or the market value when terminating this investment as an option in the Plan. At December 31, 2022 and 2021, all of the Plan’s investments, as a practical expedient, were estimated using NAV.

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Employer contributions due and not paid prior to year-end are recorded as employer contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided. Contributions due as the result of payroll audits have been recorded net of an allowance equal to the amount due because collectability is uncertain. Therefore, delinquent contributions are recorded when received.

Other Receivables

Certain expenses for administration and bookkeeping services are reduced or completely subsidized by funds received directly by one of the Plan's service providers from entities in which the Plan's assets are invested ("Sub-TA fees"). Sub-TA fees are initially paid to the Plan's record keeper to offset the expenses for administration and bookkeeping services. Any remaining balance, after offsetting the expenses, not paid prior to the year-end is recorded as other receivables.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in a collective trust, which invests in fully benefit-responsive insurance contracts. Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The 2019 Novel Coronavirus (or "COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally and locally. Following the COVID-19 outbreak in March 2020, the financial markets have experienced significant volatility, therefore affecting the values of investment securities. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of any adverse impact of the COVID-19 outbreak on the Plan's [financial status and changes therein, or particularly with regard to benefits paid] cannot be predicted as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

2. DESCRIPTION OF THE PLAN

The Plan was established under the terms of an Agreement and Declaration of Trust dated May 21, 1991, between IEDA and Beard Affiliates, LLC and the Teamsters Local 853 and Teamsters Local 860. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was designed to be a supplementary retirement savings program in conjunction with the Teamsters Managed Health Care Trust Fund (the "Health Care Trust"). Participants who provide adequate proof of alternative medical insurance may waive their right to participate in the medical portion of the Health Care Trust, and a portion of the employer medical contribution will be directed to the Annuity Plan. Part of the employer contribution is allocated for administrative expenses and the remaining annuity contribution is 100% vested; therefore, there will be no forfeitures. Each participant's account is credited with the annuity contributions (net of the allocation for administrative expenses) received on the participant's behalf and, at least annually, an allocation of the Plan's net earnings in proportion to the ratio of each participant's account balance bears to the value of all participants' accounts as of the preceding valuation date.

Participants should refer to the Plan booklets for more complete benefit information and eligibility requirements.

3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan subject to the provisions of ERISA. The Plan's assets would be distributed to the participants and their beneficiaries as if the Plan had not been terminated, and to satisfy the other obligations of the Plan.

4. TAX STATUS

The Plan's latest determination letter from the Internal Revenue Service, dated September 18, 2015, stated that the Plan is in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and is, therefore, exempt from federal income taxes under the provisions of Section 501(a).

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. FUNDING POLICY

The Plan is funded by participating employers based on their respective collective bargaining agreements. Contributions received during the year were sufficient for the Plan to be in compliance with the minimum funding standards of ERISA. Employer contributions for both this Plan and Teamsters Managed Health Care Trust Fund (the "Health Care Trust") are deposited together in a lockbox bank account sponsored by the Health Care Trust. The amount due to the Plan is calculated and transferred monthly. The monthly allocation to the Plan per eligible participant is \$325. Of this monthly allocation, a portion is for administrative expenses. The administrative fee per eligible participant per month increased from \$35 to \$60 effective February 1, 2022.

Substantially all employer contributions are from employers in the production, trucking and warehousing industry located in Northern California.

6. RELATED ORGANIZATIONS

Employer contributions for both this Plan and Teamsters Managed Health Care Trust Fund (the "Health Care Trust") are deposited together in a lockbox bank account sponsored by the Health Care Trust. The amount due to the Plan is calculated and transferred monthly.

In addition, this Plan is jointly administered with the Health Care Trust. Certain joint expenses are paid by the Health Care Trust and a portion is reimbursed by this Plan. As of December 31, 2022 and 2021, the Plan owes the Health Care Trust \$22,198 and \$0, respectively, reported as Accounts payable.

7. REDUCTION OF ADMINISTRATION FEES

Certain expenses for administration and recordkeeping services are reduced or completely subsidized by funds received directly by one of the Plan's service providers from entities in which the Plan's assets are invested ("Sub-TA fees"). These Sub-TA fees are initially paid to the Plan's record keeper under its contract with the entities in which the Plan's assets are invested. During the years ended December 31, 2022 and 2021, expenses for administration and recordkeeping services totaling \$1,193 and \$352, respectively, were offset by \$33,158 and \$31,570, of Sub-TA fees, respectively. If these Sub-TA fees were discontinued or if modifications were made to the agreement between the Plan and the respective service provider, the expense reduction of certain administration and recordkeeping expenses would cease, which could result in possible increases in administration expenses.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of other income per the financial statements to the Form 5500 for the year ended December 31, 2022:

Sub-transfer agent fee recoveries per the financial statements	\$ 33,158
Less: Sub-TA expenses - offset to record keeper	<u>(1,193)</u>
Other income per the Form 5500	<u>\$ 31,965</u>

The following is a reconciliation of administrative expenses per the financial statements to the Form 5500 for the year ended December 31, 2022:

Administrative fees per the financial statements	\$ 149,043
Less: Sub-TA expenses	<u>(1,193)</u>
Plus: Investment expenses	<u>5,180</u>
Administrative fees per the Form 5500	<u>\$ 153,030</u>

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through September 12, 2023, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

SUPPLEMENTARY INFORMATION

REPORT ON SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
Teamsters Managed Annuity Trust Fund:

We have audited the financial statements of Teamsters Managed Annuity Trust Fund (the "Plan") as of and for the year ended December 31, 2022, and have issued our report thereon dated September 12, 2023, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying information, which appears on Schedule H - Financial Schedules (IRS Form 5500), is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
