INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Rockwell Architecture, Planning &
Design, P.C. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Rockwell Architecture, Planning & Design, P.C. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Rockwell Architecture, Planning & Design, P.C. 401(k) Savings Plan (the "Plan") is provided for general information only. Participants should refer to the plan document for a more complete description of the Plan's provision.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Rockwell Architecture, Planning & Design, P.C., and Rockwell Group, LLC (collectively, the "Company" or "Plan Sponsor"), who are 21 years of age and have three months of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

During 2022, the Plan was amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act as well as the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

(b) Contributions

Participants may contribute up to 100% of their salary on a tax-deferred basis, but no more than the amount permitted by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, the Company can make discretionary matching contributions. For the year ended December 31, 2022, the Company made discretionary matching contributions in the amount of \$710,557.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, known as rollovers. Participants are automatically enrolled in the Plan upon meeting eligibility requirements.

The Company may make what is referred to as Qualified Nonelective Employer Contributions (i.e., employer contributions) which are designed to help the Plan satisfy certain nondiscrimination requirements. No such contributions were made during 2022. Contributions are subject to certain IRS limitations.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

(c) Participant Accounts

An individual participant's account is comprised of the participant's elective deferred contributions, including rollovers, the employer's matching contributions, applicable fund earnings, an allocation of administrative expenses, and unrealized fair market value adjustments. Unrealized fair market value adjustments are based on quoted market prices as of the last business day of each year. Allocations are based on participant earnings or account balances, as defined. The ultimate benefit to be received by a participant depends on the aggregate amount contributed to each participant's account over the years and the investment earnings allocated to his or her account.

(d) Vesting

Participants are always 100% vested in their voluntary contributions and rollovers from another qualified plan, plus actual earnings thereon.

Participants become vested in the Plan Sponsor's contributions after five years of continuous service with the Plan Sponsor, based on a graded schedule. Upon termination of employment, the nonvested portion, if any, of a participant's company matching contribution account shall be forfeited. Any forfeitures may be used to pay the Plan's administrative expenses and to reduce the Company's future matching contributions. At December 31, 2022 and 2021, the nonvested forfeiture account totaled \$1,982 and \$1, respectively. For the year ended December 31, 2022, \$26,278 of forfeitures was used to reduce employer contributions.

(e) Investment Options

The plan administrator determines and approves investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various investment options offered by the Plan. The Plan's record keeping service agreement is with The Vanguard Group, Inc., which subcontracts the performance of these services to Ascensus, LLC, the Plan's record keeper. Ascensus, LLC also acts as agent for the Plan's trustee, Ascensus Trust Company. Ascensus Trust Company invests the monies according to participant directions.

(f) Payment of Benefits

Distributions of plan benefits, as defined, are permitted upon the earlier of retirement, death, disability, separation of service with the Plan Sponsor, or attainment of age 59-1/2. Benefits are recorded when paid.

Withdrawals are also available in certain hardship situations and through in-service withdrawals (nonhardship), as defined by the plan document.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

(g) Notes Receivable from Participants

The loans are secured by the balance in the participants' accounts and bear interest at a fixed rate that was equal to the prime rate (as specified in the Wall Street Journal), plus one percentage point. For the year ended December 31, 2022, the interest rates on existing loans range from 4.25% to 5.75% per annum. Loan repayments must be made biweekly, over a period not to exceed five years, except when the loan is used for the purchase of a primary residence, in which case the repayment term may not exceed 30 years. The minimum amount that can be borrowed is \$1,000 and the maximum amount is the lesser of 50% of a participant's vested account balance or \$50,000, reduced by the participant's highest outstanding loan balance during the prior 12-month period. Up to 50% of the participant's vested balance may be used as collateral for the loan.

(h) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan and the Company, as provided by the plan document. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

(i) Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The collective investment trusts' fair value is estimated by using net asset value (NAV) as a practical expedient. This is based on information reported by the Trustee, using the audited financial statements of the collective investment trusts at year-end. See Note 3 for a discussion of fair value measurements.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

(d) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(e) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2022 through September 25, 2023, the date that the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determinant for fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

- Mutual funds - Valued at the closing price reported in the active market in which the individual security is traded.
- Common collective trust - A trust with an underlying investment in a fully benefit responsive guaranteed investment contract that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.
- Interest-bearing cash - Value at cost, which approximates fair value.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize the Plan's investments at fair value as of December 31, 2022 and 2021 based on the inputs used to value them:

Fair Value as of December 31, 2022				
Type of Security	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,193,781	\$ -	\$ -	\$ 23,193,781
Total assets in fair value hierarchy	<u>23,193,781</u>	<u>-</u>	<u>-</u>	23,193,781
Investments measured at NAV				<u>1,208,758</u>
				<u>\$ 24,402,539</u>

Fair Value as of December 31, 2021				
Type of Security	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 25,410,429	\$ -	\$ -	\$ 25,410,429
Interest-bearing cash	<u>5,791</u>	<u>-</u>	<u>-</u>	<u>5,791</u>
Total assets in fair value hierarchy	<u>25,416,220</u>	<u>-</u>	<u>-</u>	25,416,220
Investments measured at NAV				<u>1,422,699</u>
				<u>\$ 26,838,919</u>

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC, as an agent for the trustee, Ascensus Trust Company, has certified that the following data included in the accompanying financial statements is complete and accurate:

	<u>2022</u>	<u>2021</u>
Investments - at fair value:		
Mutual funds	\$ 23,193,781	\$ 25,410,429
Common collective trust	1,208,758	1,422,699
Investments at cost (approximates fair value):		
Interest-bearing cash	<u>-</u>	<u>5,791</u>
	<u>\$ 24,402,539</u>	<u>\$ 26,838,919</u>

During the year ended December 31, 2022, the Plan's investments (including investments bought, sold, and held during the year) depreciated in fair value by \$4,765,975.

During the year ended December 31, 2022, the Plan received interest and dividend income of \$404,853.

Notes receivable from participants was \$105,187 and \$106,699 as of December 31, 2022 and 2021, respectively.

During the year ended December 31, 2022, the Plan received interest income in the amount of \$5,336 from these notes receivable from participants.

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST

The Plan's record keeping service agreement is with The Vanguard Group, Inc., which subcontracts the performance of these services to the Plan's trustee, Ascensus Trust Company. Certain plan investments are shares of Vanguard mutual funds. Transactions with these mutual funds qualify as party-in-interest transactions. Fees paid by the Plan to Vanguard for record keeping services amounted to \$24,742 for the year ended December 31, 2022. UBS Financial Services Inc. ("UBS") provides investment advisory and consulting services to the Plan. Fees paid by the Plan to UBS for investment management services amounted to \$43,705 for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - INCOME TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the IRS, dated June 30, 2020, stating that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, and the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
