INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
PIP 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the PIP 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PIP 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the PIP 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PIP 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the PIP 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the PIP 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General Information and Plan Amendments

The Plan, sponsored by Protective Industrial Products, Inc., is a defined contribution plan covering substantially all employees of Protective Industrial Products, Inc. and its Subsidiaries who do not maintain their own plan (collectively referred to as “the Company”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company that attain the age of 21 and complete one month of service are eligible to participate in the Plan on the first day of each month after meeting the eligibility requirements. Employees covered by the terms of a collective bargaining agreement are excluded from the Plan unless the collective bargaining agreement specifies employees must be covered under the Plan. Also excluded are nonresident aliens who receive no earned income from the Company within the United States and part-time, temporary or seasonal employees whose regularly scheduled service is less than 1,000 hours per year.

Contributions

The Plan allows employees to make pre-tax (Traditional) and/or post-tax (Roth) contributions from between 0% and 90% of compensation, subject to certain limitations, under the Internal Revenue Code (IRC). Each participant in the Plan may defer the maximum percentage of their compensation and dollar amount permissible under the IRC as a basic contribution to the Plan. Participants who are projected to be age 50 or older by the end of the calendar year are eligible to make catch-up contributions up to the dollar amount permissible under the IRC. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employees who are qualifying contributing participants are eligible for employer matching contributions. The employer makes safe harbor matching contributions of 100% of the first 3% of eligible compensation that a participant contributes to the Plan, plus 50% of the next 2% of eligible compensation that a participant contributes to the Plan. The Company may also make discretionary employer non-elective (profit sharing) contributions, as defined by the Plan. Participants must be employed on the last working day of a Plan year or work at least 501 hours during the Plan year to be eligible for an allocation of the discretionary profit sharing contribution. There was no profit sharing contribution made for the year ended December 31, 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) Company matching contributions, (b) Plan earnings and losses, and c) administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is based on a participant’s vested account.

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions, rollover contributions, Company safe harbor matching contributions and profit sharing contributions, plus actual earnings (losses) thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate, as defined by the Plan. Participants may only have one loan outstanding at a time. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence, in which case the duration of the loan is not to exceed 10 years. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Benefits are distributed in a lump sum payment and are based on normal retirement date, disability, death or termination of employment of the participant. Participants are eligible for a distribution as soon as administratively feasible following the participant's termination date. Termination distributions of account balances greater than \$5,000 may be deferred to a later date. Participants may also request an in-service withdrawal after age 59½ or hardship withdrawal upon meeting certain requirements as outlined by the Internal Revenue Service (IRS).

Forfeitures

Forfeitures from participants' non-vested accounts may be used to reduce Company contributions or pay expenses of the Plan. At December 31, 2022 and 2021 forfeited non-vested amounts totaled \$568 and \$19,233 respectively. There were approximately \$31,500 of forfeitures used during the year ended December 31, 2022 to offset Company contributions.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

PIP 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Plan expenses primarily consist of recordkeeping and investment advisory fees. Fees for the administration of notes receivable from participants and benefits paid to participants are included in administrative expenses and charged directly to the participant's account. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2023, the date the financial statements were available for issuance.

NOTE 3 — INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has furnished certain financial information to the Plan administrator and certified as to its completeness and accuracy. This certification is as of December 31, 2022 and 2021, and for the year ended December 31, 2022 and includes investment information related to the fair value of investments, notes receivable from participants, interest income on notes receivable from participants, interest and dividend income and net depreciation of fair value of investments that is included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3).

Level 1 inputs consist of unadjusted quoted prices in active markets, that the Plan has the ability to access, for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices of identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or 2 were not available.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units of the collective trust. The NAV, as provided by the custodian/trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. As of December 31, 2021, there were no unfunded commitments related to these investments, and no redemption restrictions.

Stable value fund: Valued at the NAV of units of the fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets which consist primarily of fully benefit-responsive investment contracts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$3,045,310	\$ -	\$ -	\$ 3,045,310

Investments measured at NAV as a practical expedient (a)	-	-	-	1,403,032
Investments, at fair value	<u>\$3,045,724</u>	<u>\$32,026,834</u>	<u>\$ -</u>	<u>\$36,475,587</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$4,508,735	\$ -	\$ -	\$ 4,508,735
Money Market	3	-	-	3
Common Collective Trusts	-	36,526,430	-	36,526,430
Total assets in the fair value hierarchy	4,508,738	36,526,430	-	41,035,168
Investments measured at NAV as a practical expedient (a)	-	-	-	654,392
Investments, at fair value	<u>\$4,508,738</u>	<u>\$36,526,430</u>	<u>\$ -</u>	<u>\$41,689,560</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5 — TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the non-standardized pre-approved profit sharing plan adopted by the Plan and related trust, as then designed, is in compliance with the applicable sections of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan as required by generally accepted accounting principles, and has concluded that as of December 31, 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

December 31, 2022 and 2021

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

Notes receivable from participants qualify as party-in-interest transactions and are also exempt from the prohibited transaction rules of ERISA.

NOTE 7 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 — LATE REMITTANCES

As a result of an oversight that occurred during 2020, the Company failed to remit to the Plan participant contributions totaling \$76,761, within the period prescribed by Department of Labor (DOL) regulations. These contributions are considered nonexempt party-in-interest transactions. The Company funded the lost earnings on these delinquent remittances during 2021 and submitted an application through the Department of Labor's Voluntary Fiduciary Correction Program (VFCP) in 2022. In January 2023, the Company received an acknowledgement letter from the DOL, stating that the corrective action taken is consistent with the requirements of the VFCP.
