INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Chilton Investment Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Chilton Investment Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Chilton Investment Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Chilton Investment Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that

the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Chilton Investment Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Chilton Investment Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Chilton Investment Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

The following description of the Chilton Investment Company, Inc. 401(k) Plan (the “Plan”) provides general information about the Plan’s provisions. Chilton Investment Company, Inc. (the “Plan Sponsor” and “Plan Administrator”) is the Plan sponsor. Prior to July 1, 2022, the Plan was named the Chilton Investment Company, LLC 401(k) Plan and the Plan sponsor was Chilton Investment Company, LLC. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan’s provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan is a contributory savings plan for the benefit of all eligible employees of Chilton Investment Company, Inc. and its subsidiaries (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Chilton Investment Company, Inc. 401(k) Plan Committee (the “Committee”) is responsible for the general administration of the Plan. Fidelity Management Trust Company is the record-keeper and trustee of the Plan (the “Trustee”).

Eligibility of Participants

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who have met the eligibility requirements. Employees of the Plan Sponsor are eligible to become participants on the first day of the month following the attainment of age 21.

Contributions

Each year, participants may contribute up to the lesser of 60% of pretax annual compensation or \$20,500 (the contribution limit for 2022 determined by the Internal Revenue Service), as defined in the Plan’s provisions. Contributions may also be designated as Roth 401(k) or after-tax contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Unless affirmatively elected otherwise, all newly eligible employees are auto-enrolled into the Plan at a 4% salary deferral rate.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Discretionary matching contributions may be made by the Company at the discretion of the Company's board of directors. The employer matching contribution for 2022 is equal to 25% of the employee contribution (excluding catch-up contributions) up to a maximum of \$4,500. In 2022, the Company made discretionary matching contributions of \$281,597.

Additionally, the Plan provides for a discretionary non-elective employer contribution that require the participant be employed on the last day of the Plan year and must have worked 1,000 hours during the Plan year, unless they retire, become disabled, or die during the Plan year. In 2022, the Company made zero non-elective employer contributions.

All contributions are subject to certain limitations of the Internal Revenue Code (the "Code").

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's discretionary matching and non-elective employer contributions, if any, are allocated in the same manner as that of the participants' elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions, if any, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan except for loan origination and other participant directed fees, which are charged directly to the respective participant's account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Employees hired subsequent to February 1, 2020, vest in the employer matching contribution and their discretionary non-elective employer contribution, if any, over two years, 50% in year 1 and 50% in year 2. Participants hired prior to February 1, 2020, who had a balance in the employer match source, will continue to immediately vest in the Company's contributions and earnings thereon. For the purposes of calculating vesting, the Plan uses a participant's original date of hire.

Forfeited Amounts

Forfeited balances may be used to pay administrative expenses or reduce future employer contributions. Unallocated forfeiture balances as of December 31, 2022 and 2021 totaled \$12,915 and \$3,161, respectively. During the year ended December 31, 2022, no previously forfeited balances were used to pay administrative expenses or to reduce employer contributions.

Notes Receivable from Participant

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one loan outstanding at any given time. Loan terms cannot exceed beyond 5 years unless such loan is for the purchase of a participant's primary residence. The \$50,000 limit is reduced by the participant's highest outstanding loan balance during the preceding 12-month period. The loans bear interest at a rate commensurate with local prevailing rates based upon the "prime" rate as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Interest income on loan balances is reinvested into the investment election determined by the Plan participants. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2022 and 2021, participant loans outstanding were \$31,762 and \$43,044, respectively, with rate ranging from 4.25% to 8.00% with maturity dates through 2028. Interest income earned on notes receivable from participants is recorded on the accrual basis.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Payment of Benefits

Upon separation from service with the Company due to death, disability, retirement or termination, a participant has the option of a lump sum distribution or to remain in the Plan. The Company also has the option to pay out the entire vested balance of a participant with an account balance of \$5,000 or less upon separation from service. A participant whose vested account balance is \$1,000 or less and has not commenced receiving installment payments will automatically receive an immediate lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as prescribed in the Plan's provisions. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined in the Plan's provisions. Hardship withdrawals are strictly regulated by the Internal Revenue Service (the "IRS").

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan's provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts, including any employer contributions for which they were not already vested and the Plan Administrator will facilitate the distribution of account balances in single lump sum payments to each participant.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

Money market fund: Valued at the net asset value (“NAV”) of the fund (Level 1 inputs).

Mutual funds (including mutual funds held by self-directed brokerage account): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

Self-directed brokerage accounts: Investments held in the self-directed brokerage account are mutual funds, ETFs and money market funds. Mutual funds and money market funds are valued at NAV of the fund as detailed above. Exchange traded funds are valued at the year-end closing price reported on the active markets on which the individual securities are traded (Level 1 inputs).

Common collective trust: Valued at the NAV or equivalent based on units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the common collective trust less its liabilities. This practical expedient is not used when it is determined to be probable that the common collective trust will sell the investment for an amount different than the reported NAV.

See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold during the year as well as investments held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless the Company elects to pay the expenses. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and other participant-specific fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in the net depreciation in fair value of investments.

3. Information Certified by a Qualified Institution

The Plan Sponsor having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) was obtained or derived from information obtained by the Plan Sponsor and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), a qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment activity, including net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- The information for all mutual funds, self-directed brokerage accounts, money market, common collective trust and participant loans listed in the schedule of assets (held at end of year) as of December 31, 2022, as shown in the ERISA-required supplemental schedule.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs, other than Level 1 quoted prices in active markets, for assets and liabilities that are observable, either directly or indirectly. Level 2 inputs include the following:

- quoted prices for similar assets and liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- observable inputs other than quoted prices that are used in the valuation of the asset
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own inference about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The following is the hierarchical breakdown, based on the valuation inputs used, for major categories of assets measured at fair value by the Plan. The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value.

Investments at Fair value as of December 31, 2022					
	Level 1	Level 2	Level 3	Total	
Money market fund	\$ 683,344	\$ -	\$ -	\$ 683,344	
Mutual funds	15,881,810	-	-	15,881,810	
Self-directed brokerage	2,855,879	-	-	2,855,879	
Total investments at fair value	19,421,033	\$ -	\$ -	\$ 19,421,033	
Investments at NAV*				8,612	
				\$ 19,429,645	

Investments at Fair value as of December 31, 2021					
	Level 1	Level 2	Level 3	Total	
Money market fund	\$ 729,492	\$ -	\$ -	\$ 729,492	
Mutual funds	19,226,824	-	-	19,226,824	
Self-directed brokerage	3,104,792	-	-	3,104,792	
Total investments at fair value	\$ 23,061,108	\$ -	\$ -	\$ 23,061,108	
Investments at NAV*				1,151	
				\$ 23,062,259	

*In accordance with fair value measurement guidance, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) of the Plan as of December 31, 2022 and 2021.

Investment Type	Fair Value December 31, 2022	Fair Value December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 8,612	\$ 1,151	\$ -	Daily	Daily

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The Plan is applying the practical expedient as of December 31, 2022, to its investment in the T. Rowe Price Stable Value Fund. The T. Rowe Price Stable Value Common Trust Fund is a common collective trust investment that seeks the preservation of capital. The NAV, as provided to Fidelity, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the T. Rowe Price Stable Value Common Trust Fund, less its liabilities. It is expected that the T. Rowe Price Stable Value Common Trust Fund will maintain a NAV of \$1 per unit. There are no unfunded commitments related to the trust. The provisions of the T. Rowe Price Stable Value Common Trust Fund provides that withdrawals for other than normal benefit payments and participant-directed transfers may require up to twelve months advance notice.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Related-Party Transactions and Party-In-Interest Transactions

Certain of the investments held by the Plan as of December 31, 2022 and 2021, are shares of investment funds managed by the Trustee. Additionally, for participants who have elected to take a participant loan, the loans are secured by the respective participant's account balance. Therefore, the Plan's transactions related to such investments and participant loans qualify as party-in-interest transactions; however, such transactions are exempt from prohibited transaction rules of ERISA.

7. Tax Status

Effective April 1, 2022 and then again on July 1, 2022 (see Note 8), through the adoption of a Fidelity Pre-Approved Defined Contribution Plan, the Plan was amended and restated. The IRS issued an opinion letter dated June 30, 2020, stating that the pre-approved defined contribution plan document was designed in accordance with applicable requirements of the Code as of that date. Prior to the April 1, 2022 amendment and restatement of the Plan, the Plan had adopted a Fidelity Volume Submitter Defined Contribution Plan, which received an advisory letter dated March 31, 2014, stating that the volume submitter profit sharing plan document as then designed was in accordance with applicable requirements of the Code.

Chilton Investment Company, Inc. 401(k) Plan

Notes to Financial Statements (continued)

7. Tax Status (continued)

Although the Plan has been amended since receiving the advisory letter and opinion letter, management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

8. Plan Amendments

Effective April 1, 2022, the Plan was amended and restated by adopting a Fidelity pre-approved defined contribution plan in order to make general administrative changes including incorporating past amendments and adopting required amendments pursuant to statutory changes.

Effective July 1, 2022, the Plan was amended and restated in order to:

- change the name of the Plan to Chilton Investment Company, Inc. 401(k) Plan;
- change the name of the Plan Sponsor to Chilton Investment Company, Inc.; and
- to make general administrative changes including incorporating past amendments and adopting required amendments pursuant to statutory changes.

9. Subsequent Events

Management evaluated events subsequent to December 31, 2022, for the Plan through September 25, 2023, the date the financial statements were available to be issued. Based on this evaluation, management determined that no events were required to be recognized or disclosed in the Plan's financial statements.
