Report of Independent Auditors

To the Board of Directors of Hawaii Dental Service
for the Hawaii Dental Service 401(k) Salary Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Hawaii Dental Service 401(k) Salary Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements (modified cash basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hawaii Dental Service 401(k) Salary Investment Plan

Notes to Financial Statements (Modified Cash Basis)

December 31, 2022 and 2021

1. Description of the Plan

The following description of the Hawaii Dental Service 401(k) Salary Investment Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hawaii Dental Service (the "Company").

Employees other than collective bargaining union and nonresident alien employees are eligible to participate in the Plan on the first day of each month following three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC are custodians of the Plan.

Contributions

Participants may contribute up to the amounts prescribed under Internal Revenue Code ("IRC") Section 402(g)(5) on a pre-tax or after-tax basis for any plan year, which is \$20,500 for 2022. Participants who are at least 50 years of age are allowed to make "catch-up" contributions up to a maximum of \$6,500 in 2022.

Employees hired after October 1, 2021 are automatically enrolled into the Plan once they meet the eligibility requirements. These participants are automatically enrolled with a deferral percentage of 3% which will automatically increase by 1% on the anniversary date of their enrollment until their deferral rate reaches 6%.

The Plan provides that the Company will contribute 50% of a participant's contribution, up to a maximum of 3% of the participant's annual eligible compensation after one year of service.

A participant may direct employee and employer contributions to any of the Plan's fund options.

Participant Accounts

Participants have a choice of directing the funds in their account into a variety of investment management profiles, each providing varying degrees of risk and growth. A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of investment earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant account balances.

Forfeited Accounts

Forfeiture balances of terminated participants' nonvested accounts may be used to reduce employer matching contributions or to pay for plan expenses. Forfeited balances were not material as of December 31, 2022 or 2021. During the year ended December 31, 2022, forfeited balances of nonvested accounts used to reduce employer matching contributions approximated \$7,000.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

A participant who was hired prior to October 1, 2009, vests in the Company's matching contributions at a rate of 20% for each year of service, starting with the completion of two years of credited service. The participant is 100% vested after six years of credited service, or attaining the age of 55, or upon disability

Hawaii Dental Service 401(k) Salary Investment Plan

Notes to Financial Statements (Modified Cash Basis)

December 31, 2022 and 2021

or death, whichever is earlier. A participant hired after October 1, 2009, vests in the Company's matching contributions at a rate of 20% for each year of service, starting with the completion of two years of credited service. The participant is 100% vested after six years of credited service or attaining the age of 55 with five years of vested service, or attaining the age of 65, or upon disability or death, whichever is earlier.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of (1) \$50,000 or (2) 50% of the vested portion of their account balance. No more than one loan may be outstanding at any time. Loan terms are generally five years or less, but may be up to fifteen years for the purchase of a primary residence. The loans are secured by the participant's vested account balance and bear an interest rate at the prime rate plus 2%. At December 31, 2022, loans to participants bear interest between 5.25% and 6.75% and mature in years beginning in 2023 to 2031. Principal and interest are paid ratably through payroll deductions for active employees.

Payments of Benefits

Upon retirement, death, disability or termination of employment, the vested portion of a participant's account is eligible to be distributed in lump sum upon request by the participant or the beneficiary. A participant who is required to receive lifetime Required Minimum Distributions ("RMD") may receive installments payable in monthly, quarterly or annual installments equal to or exceeding the annual RMD amount.

Administrative Expenses

Administrative expenses are paid by the Company to the extent not paid by the Plan, as provided for in the plan document.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA. In the event that the Plan is terminated, the value of the proportionate interest in the fund of each participant would be determined and distributed to each participant by the plan administrator.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements and supplemental schedule have been prepared on a modified cash basis of accounting. Under this method, additions to net assets available for benefits, except for certain investments and notes receivable from participant transactions, are recognized when received rather than when earned, and deductions to net assets available for benefits are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are intended to present net assets available for benefits and changes in net assets available for benefits in conformity with a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the Plan's financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent

Hawaii Dental Service 401(k) Salary Investment Plan

Notes to Financial Statements (Modified Cash Basis)

December 31, 2022 and 2021

assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds, common collective trusts, and other investment options through self-directed brokerage accounts, which are exposed to various risks such as credit, market, currency, and interest rate risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Fair Value Measurements

For financial and nonfinancial assets and liabilities reported at fair value, the Plan defines fair value as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants. The Plan measures fair value using observable and unobservable inputs based on the following hierarchy:

- **Level 1** – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- **Level 2** – Inputs other than quoted market prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.
- **Level 3** – Unobservable inputs for an asset or liability reflecting the reporting entity's own assumptions. Level 3 inputs should be used to measure fair value to the extent that observable Level 1 or Level 2 inputs are not available.

The level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Fair value measurements using net asset value as a practical expedient to estimate fair value are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value based on quoted market prices, which represent the net asset value of shares held by the Plan at year-end and are generally categorized in Level 1 of the fair value hierarchy.

The self-directed brokerage account consists of interest-bearing cash, common stock, mutual funds, and exchange traded funds that are stated at fair value based on quoted market prices. The self-directed brokerage account is generally categorized in Level 1 of the fair value hierarchy.

The common collective trusts primarily invest in index funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund would sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no redemption restrictions related to the common collective trust funds.

The Plan's investment in the Key Guaranteed Portfolio fund is a group fixed deferred annuity contract that qualifies as a fully benefit-responsive investment contract. Therefore, contract value is the relevant

Hawaii Dental Service 401(k) Salary Investment Plan

Notes to Financial Statements (Modified Cash Basis)

December 31, 2022 and 2021

measurement attribute. Contract value represents the contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. All or a portion of participants' contributions may be allocated to the Key Guaranteed Portfolio Fund, which is a fixed account that is a part of the general account of Great-West Life & Annuity Insurance Company. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Great-West Life & Annuity Insurance Company is contractually obligated to repay the principal and a specified interest guaranteed to the Plan. Therefore, contract value is contingent on the creditworthiness of Great-West Life & Annuity Insurance Company. The interest crediting rate is reset quarterly based on a formula agreed upon with the issuer and may not be less than 0%. For the year ended December 31, 2022, both the average yield and actual average yield earned by the Plan was 0.93%.

The Plan or Great-West Life & Annuity Insurance Company may terminate the group fixed annuity contract with at least 60 days advance written notice to the other party. If the group fixed annuity contract is terminated prior to Great-West Life & Annuity Insurance Company's recovery of any and all start-up costs incurred, such amounts, as well as any and all other outstanding charges and fees, will be recouped as a contract termination charge.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Interest income is recorded on an accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid. There were no participant elections to withdraw funds which remained unexecuted at December 31, 2022 or 2021.

Income Taxes

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Subsequent Events

The Plan has reviewed all events that have occurred from January 1, 2023 through August 3, 2023, the date that the financial statements were available for issuance, for proper accounting and disclosure in the financial statements.

The Plan's investments reported at fair value on a recurring basis have been categorized based on the fair value hierarchy in Note 2 at December 31, 2022 and 2021 as follows:

	Level 1	Total
December 31, 2022		
Mutual funds	\$ 605,315	\$ 605,315
Self-directed brokerage	227,558	227,558
Total leveled investments	<u>\$ 832,873</u>	<u>832,873</u>
Common collective trusts measured at NAV		16,220,443
Total investments at fair value		<u>\$ 17,053,316</u>
December 31, 2021		
Mutual funds	\$ 931,039	\$ 931,039
Self-directed brokerage	1,956,474	1,956,474
Total leveled investments	<u>\$ 2,887,513</u>	<u>2,887,513</u>
Common collective trusts measured at NAV		19,796,670
Total investments at fair value		<u>\$ 22,684,183</u>

The Plan's net investment loss for the year ended December 31, 2022 was primarily generated from participant-directed investments.

There were no unfunded commitments related to the common collective trusts at December 31, 2022 or 2021.

The plan administrator continued to elect the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from the custodians of the Plan that all of the following information provided by the custodians is complete and accurate:

- All investment information and notes receivable from participants reported in the statements of net assets available for benefits (modified cash basis) at December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividend income, and interest on notes receivable from participants presented in the statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022.
- All information presented in the supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2022.

4. Income Tax Status

The Plan is relying upon an opinion letter, issued by the Internal Revenue Service ("IRS") to Great-West Trust Company, LLC, under the IRS's preapproved plan program that the Plan constituted a qualified trust under Section 401(a) of the IRC and is therefore exempt from federal income taxes under provisions of Section 501(a). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.
