Insurance Organizations' Savings Trust 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Insurance Organizations' Savings Trust 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet(s) the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of the year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Insurance Organizations' Savings Trust 401(k) Plan

Notes to Financial Statements

Years ended December 31, 2022 and 2021

Note A - Plan Overview

General

The following description of the Insurance Organizations' Savings Trust 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

North Carolina Joint Underwriting Association (the Plan Sponsor) adopted the Plan on May 1, 2001 by migrating plan assets from a legacy plan. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Sponsor is an insurance entity domiciled in the State of North Carolina.

Employees of the Plan Sponsor are eligible to participate in the Plan on the first day of employment. There are no age or service requirements to participate in the Plan.

The Plan's assets are held in a trust administered by the Insurance Organizations' Savings Trust (IOST), which previously served as a master trust holding the plan assets of all participating employers. All employers participating in the IOST maintain separate trusts comprising the plan assets of their respective plans. The Named Fiduciaries of the IOST (Named Fiduciaries) serve as the Plan Administrator for all plans participating in the IOST, including the Plan. The Plan's trustee is Fidelity Management Trust Company (Fidelity, or the Plan Trustee). Pursuant to a service agreement, Fidelity also provides specified regulatory and administrative services to the Plan.

In 2020, the Plan implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which among other things, allows certain eligible individuals to receive coronavirus-related distributions of up to \$100,000 from the Plan beginning on or after January 1, 2020, and before December 31, 2020, and suspend required minimum distributions for 2020. Written amendments will be adopted at a later date in accordance with the applicable law.

Contributions

Plan participants may contribute pre-tax dollars up to 50%, or after-tax dollars up to 16%, of eligible compensation as defined in the Plan document, subject to certain limitations established by law. The Plan Sponsor shall make matching employer contributions to the Plan as authorized by the Plan document. All matching contributions are invested in the manner dictated by the participant. During 2022 and 2021, the Plan Sponsor made matching contributions of 100% of the first 6% of eligible compensation a participant contributed to the Plan.

Note A - Plan Overview (continued)

Investment of Assets

As of December 31, 2022 and 2021, the Plan's funds were invested in mutual funds and a Fidelity collective trust fund. Subject to certain limitations, participants are provided the option of directing their contributions among these investment options. The Plan trustee manages investments in all funds.

Vesting

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) plan earnings, and can be charged with an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's contributed portion of their accounts, plus actual earnings thereon, occurs after three years of service.

Forfeited Accounts

Forfeitures related to employer matching contributions may first be used to pay the Plan's administrative expenses and, if not used for that purpose, then are used to reduce future employer contributions. As of December 31, 2022 and 2021, unapplied forfeited nonvested accounts totaled \$35,777 and \$21,389, respectively. During the years ended December 31, 2022 and 2021, employer contributions were reduced by \$35,777 and \$21,389, respectively, from forfeited nonvested accounts.

Payment of Benefits

Employee vested balances are available for distribution to participants upon death, disability, retirement, or termination of employment. Hardship withdrawals are permitted by the Plan, provided certain qualifying conditions are met. Terminated participants with account balances in excess of \$1,000 may elect to have their funds remain in the Plan after termination. If the participant's account balance is \$1,000 or less, the Plan may distribute the benefit in accordance with the Plan document. Benefits are recorded when paid. At December 31, 2022 and 2021, no benefit distributions had been requested by Plan participants but not yet paid.

Notes to Financial Statements (continued)

Note A - Plan Overview (continued)

Notes Receivable from Participants

Plan participants are permitted to borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans qualifying under the Stafford Disaster Relief and Emergency Assistance Act, Tax Cuts and Jobs Act of 2017, or Bipartisan Budget Act of 2018 may be granted for up to \$100,000. Loan repayment terms may not exceed five years, unless the loan is for the purchase of a participant's primary residence. A participant can have no more than two loans outstanding from the Plan at any time. The loans are secured by the balance in the participant's account and bears interest at a rate commensurate with market rates for similar loans, as defined in the Plan document. For the years ended December 31, 2022 and 2021, the interest rates for outstanding loans ranged from 4.25% to 9.75% and from 4.25% to 6.50%, respectively. Principal and interest may be paid ratably through monthly payroll deductions, if elected by the participant.

Notes receivable from participants are reported at their unpaid principal balances plus any accrued, but unpaid, interest. No allowance is required as delinquent loans become due and payable immediately upon default. If a distributable event has occurred, the Plan Administrator shall direct Fidelity to foreclose on the delinquent note receivable and offset the participant's vested interest in his or her account by the outstanding balance of the note receivable. If a distributable event has not occurred, the Plan Administrator shall direct Fidelity to foreclose on the delinquent note receivable and offset the participant's vested interest in his or her account as soon as a distributable event has occurred.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change of fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan document to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts become 100% vested.

Note B - Significant Accounting Principles

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Current accounting guidance establishes a three-level hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1), the next priority to quoted prices for identical assets in inactive markets or similar assets in active markets (Level 2) and the lowest priority to unobservable inputs (Level 3).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments in shares of mutual funds are valued at readily determinable quoted market prices that the Plan has the ability to access at year end.

The Plan's interest in a collective trust is valued based on the net asset value (NAV) of shares held by the Plan at year end, which is used as a practical expedient to estimate fair value. The NAV is determined by dividing the fund's net assets at fair value by its units outstanding at each valuation date. The Plan's interest in this fund is valued based on information reported by Fidelity using the audited financial statements of the collective trust at December 31, 2022 and 2021.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized change in fair value of Plan investments on the statement of changes in net assets available for benefits consist of the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Subsequent Events

The Plan evaluated subsequent events through September 25, 2023, the date on which these financial statements were available to be issued, and considered any relevant matters in the preparation of the financial statements and note disclosures.

Insurance Organizations' Savings Trust 401(k) Plan

Notes to Financial Statements (continued)

Note C - Income Tax Status

The Plan adopted a pre-approved prototype plan effective December 2021. The IRS issued a determination letter dated June 30, 2020 for the pre-approved plan. The Plan is relying on these determinations and has not applied for a separate determination letter. Accordingly, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since its formation, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan Sponsor analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. No tax planning strategies were used in 2022 and 2021.

Note D - Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants at December 31, 2022 and 2021, net change in fair value of investments, related interest and dividend income, and interest on notes receivable from participants for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Fidelity, in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Insurance Organizations' Savings Trust 401(k) Plan

Notes to Financial Statements (continued)

Note D - Investments (continued)

The following tables show how the Plan's investments are categorized in accordance with the fair value hierarchy:

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds, fair value	\$ 10,781,608	\$ -	\$ -	\$ 10,781,608
Common/Collective trust, NAV (a)	-	-	-	984,565
Investments at fair value	<u>\$ 10,781,608</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,766,173</u>

Assets at Fair Value at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds, fair value	\$ 11,813,885	\$ -	\$ -	\$ 11,813,885
Common/Collective trust, NAV (a)	-	-	-	776,092
Investments at fair value	<u>\$ 11,813,885</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,589,977</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note E - Transactions with Parties-in-interest

Certain fees are paid by the Plan that qualify as party-in-interest transactions. Revenue credits received by the Plan from Fidelity for investment and administrative services amounted to \$8,700 and \$8,217 for the years ended December 31, 2022 and 2021, respectively. Fidelity serves as the trustee for the Plan.

Certain administrative functions related to the Plan are performed by employees of the Plan Sponsor. Neither the Plan Sponsor nor the employees receive compensation from the Plan for these services.

The Named Fiduciaries serve as the plan administrator for all plans participating in the IOST. The Named Fiduciaries consist of management of participating employers and are voted into their positions by the twelve participating employers. The Named Fiduciaries serve three-year terms and can be reelected an unlimited number of times. Three Named Fiduciaries actively hold their position at any given time.

Note F - Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
