Part I	Service Provider Information (see instructions)
--------	---

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection
For calendar plan year 2022 or fiscal plan year beginning <u>01/01/2022</u> and ending <u>12/31/2022</u>		
A Name of plan <u>NEWCOMER FUNERAL SERVICE GROUP RETIREMENT PLAN</u>	B Three-digit plan number (PN) ►	<u>001</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>NEWCOMER FUNERAL SERVICE GROUP, INC.</u>	D Employer Identification Number (EIN) <u>48-1142399</u>	

Part I	Asset and Liability Statement		
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

(2) Contract administrator fees	2i(2)	55882	
(3) Investment advisory and management fees	2i(3)	44912	
(4) Other	2i(4)		
(5) Total administrative expenses. Add lines 2i(1) through (4)	2i(5)		100794
j Total expenses. Add all expense amounts in column (b) and enter total	2j		1463276
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-2115749
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PICKETT, CHANEY AND MCMULLEN LLP

(2) EIN: 48-1246310

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a	X		53472

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500. PROFIT SHARING PLAN)

FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
of Newcomer Funeral Service Group Retirement Plan
Topeka, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Newcomer Funeral Service Group Retirement Plan (formerly, Newcomer Funeral Service Group, Inc. Profit Sharing Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and the supplemental Schedule of Assets as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEWCOMER FUNERAL SERVICE GROUP RETIREMENT PLAN
(Formerly, NEWCOMER FUNERAL SERVICE GROUP, INC.
PROFIT SHARING PLAN)

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Newcomer Funeral Service Group Retirement Plan (formerly, Newcomer Funeral Service Group, Inc. Profit Sharing Plan) (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established effective January 1, 1990, covering substantially all employees of Newcomer Funeral Service Group, Inc. and subsidiaries (the “Company”) who meet eligibility requirements. Matrix Trust Company serves as the Plan’s trustee. OneAmerica Retirement Services LLC serves as the participant recordkeeper.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers eligible employees of the following affiliated companies:

- Heartland Management Company
- Warren Family Funeral Homes, Inc.
- Newcomer Cemetery Company
- Milestone, Inc.
- Milestone Prearranged Funeral Plans of WY, Inc.
- Memorial Expressions, Inc.
- Milestone Cremation Assoc., Inc.
- Kentucky Funeral Services, LLC

Plan Amendment and Restatement – Effective January 1, 2022, the Plan was amended and restated to adopt the Third Cycle Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. The amendment also changed the Plan’s name. There were no significant changes to the primary provisions of the Plan.

Effective March 1, 2022, the Plan was amended to add Charles Paquelet, Inc. as a participating employer.

CARES Act – In March 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was enacted to provide expanded access to retirement plan accounts during the COVID-19 pandemic. The CARES Act contained several provisions that temporarily impacted 401(k) plans, such as, the waiver of required minimum distributions, and a new COVID-19-related hardship withdrawal option. The Company incorporated these provisions into the Plan. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025, deadline.

Eligibility – Effective August 1, 2020, employees at least 21 years of age may enter the Plan on the first pay period following 60 days employment. Prior to August 1, 2020, employees at least 21 years of age who had one year of service entered the Plan on the first day of the following calendar quarter.

Contributions – Participants may contribute up to 100% of their annual compensation, as defined in the Plan, subject to certain Internal Revenue Code (“IRC”) provisions. After meeting eligibility requirements, participants are automatically enrolled at a deferral rate of 4%, unless another written election is made. Participants automatically enrolled are also subject to an annual 1% increase on July 1, up to a maximum of 10%. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company, at its discretion, may declare a matching contribution. For 2022, the Company matched 100% of a participant's deferral, up to 4% of compensation, and the match is made each pay period.

The Company, at its discretion, may make profit-sharing contributions to the Plan. Such contributions, if any, are allocated to the accounts of eligible participants in the ratio which each eligible participant's compensation for the Plan year bears to the total compensation of all participants for such Plan year. To receive a profit-sharing contribution, a participant must be employed on the last day of the Plan year and have worked a minimum of 1,000 hours during the year. The Company did not declare a profit-sharing contribution for 2022.

The Company, at its discretion, may make qualified nonelective contributions to the Plan. Such contributions, if any, are allocated to the accounts of eligible participants in the ratio which each participant's compensation for the Plan year bears to the total compensation of all participants for such Plan year. Only participants who are not highly compensated employees are eligible. In 2022, the Company made no qualified nonelective contributions.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, and Plan earnings or losses, and is charged with participant's withdrawals and distributions, and a share of Plan expenses. The Plan's investments are valued daily, and Plan earnings (or losses) are allocated to the participants' accounts based on the units held by the participants' in each respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants' contributions and earnings thereon are fully vested at all times. Effective August 1, 2020, Company matching and profit-sharing contributions, and earnings thereon, vest in 25% increments, with 25% vested after 2 years of service, 50% vested after 3 years of service, and become fully vested after 5 years of service. This vesting schedule applies to all active employees on August 1, 2020.

For employees that terminated prior to August 1, 2020, Company matching and profit-sharing contributions, and earnings thereon, vest in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service, and become fully vested after 6 years of service.

A participant must work 1,000 hours to be credited with a year of service. In the event of permanent disability, death, reaching normal retirement age or termination of the Plan, Company contributions become fully vested.

Forfeitures – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts may be used to pay the administrative expenses of the Plan, or to reduce future employer contributions. During 2022, no forfeitures were used. At December 31, 2022 and 2021, remaining forfeitures totaled \$57,984 and \$20,842, respectively.

Investments – Participants direct their contributions and the Employer contributions to a variety of mutual funds, or a stable value fund (common collective trust).

Payment of Benefits – Upon termination of service, the participant, or in the case of death, the participant's beneficiary, may elect to receive the vested value of the participant's account in a single lump-sum payment, or, if the vested account balance is over \$5,000, installment payments may be elected. If the vested portion of the account balance is less than \$1,000, the participants vested account balance will be automatically distributed if the participant does not elect to rollover the balance to another qualified plan.

In-Service Withdrawals – The Plan allows in-service withdrawals of participant elective contributions for participants who are at least 59½ years old. The Plan also allows for hardship withdrawals to Plan participants meeting specific conditions, as defined in the Plan Document. Hardship withdrawals are limited to the participant's elective deferral account.

Administrative Expenses – Administrative expenses may be paid by the Plan or the Company. During the year ended December 31, 2022, the Plan paid expenses of \$100,794 which consisted of investment management, custodial, recordkeeping and professional fees.

Termination of the Plan – Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. Upon such termination of the Plan, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements and supplemental schedule of the Plan are prepared under the accrual basis of accounting in accordance with accounting practices generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a trade-date basis.

Management fees and operating expenses charged to the Plan for investments in the mutual funds, the pooled separate accounts (no longer held in the Plan) and the CCT are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Contributions – Contributions are recorded in the year that services are rendered.

Payment of Benefits – Benefit payments are reported in the year of payment.

Date of Management's Review – Subsequent events have been evaluated through September 25, 2023, which is the date the financial statements were available to be issued, and there were no events or transactions identified requiring additional disclosure or recognition.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual funds – Mutual funds are valued using the published quoted price, which is the net asset value (“NAV”) of the fund. The NAV is based on the fair value of the underlying securities.

Common Collective Trust – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held in the fund less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan’s investments are reported at fair value as follows at December 31, 2022 and 2021:

	Fair Value Measurements Using:			
	Level 1	Level 2	Level 3	Fair Value
December 31, 2022:				
Mutual funds	\$ 17,220,857	\$ -	\$ -	\$ 17,220,857
Total assets in the fair value heirarchy	<u>\$ 17,220,857</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 17,220,857
Common Collective Trust				
measured at net asset value (a)				<u>254,538</u>
Total assets measured at fair value				<u>\$ 17,475,395</u>
December 31, 2021:				
Mutual funds	\$ 19,618,498	\$ -	\$ -	\$ 19,618,498
Total assets in the fair value heirarchy	<u>\$ 19,618,498</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 19,618,498
Common Collective Trust				
measured at net asset value (a)				<u>25,099</u>
Total assets measured at fair value				\$ 19,643,597

- (a) The common collective trust is measured at fair value based on NAV per share practical expedient at December 31, 2022 and 2021. These investments have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. These investments are valued daily, may be redeemed daily without restrictions, and with no notice requirements. Additionally, there are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments, at fair value
- Net depreciation in fair value of investments
- Interest and dividend income
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. TAX STATUS

The Company adopted a Volume Submitter 401(k) Profit Sharing Plan with CODA which received a favorable opinion letter from the IRS on August 18, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan pays certain fees to OneAmerica Retirement Services LLC and Matrix Trust Company to administer the Plan. These transactions qualify as part-in-interest transactions.

8. PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, employee deferrals of \$53,472 were withheld from participants' payroll and not remitted to the trust by the plan sponsor on a timely basis (as defined by the Department of Labor "DOL"). The Plan Sponsor subsequently remitted all such deferrals to the trust. The Plan has filed and paid the appropriate excise tax, and contributed lost earnings to the affected participants for the late contributions. These transactions are prohibited according to the provisions of the DOL.

* Represents party-in-interest to the Plan (none).

Matrix Trust Company's Role in Assisting Plan Sponsors in Completing Schedule C

Plan sponsors are responsible for completing the annual Form 5500 filing and are tasked with identifying and reviewing the reportable Schedule C compensation paid to service providers for employee benefit plans (the "**Plans**" and each a "**Plan**"). The information contained in this communication is being provided to assist in the completion of Schedule C for Form 5500 filing for the 2022 Plan year (which would be filed during 2023).

It is important for recordkeepers, third-party administrators, designated representatives, and authorized persons for the Plans (collectively, "**Designated Representatives**") and Plan sponsors to understand that Matrix Trust Company ("**Matrix Trust**") can only provide information related to its compensation as a service provider. Matrix Trust can provide activity related to payments made to other service providers only to the extent that the compensation flows through either the trust account, the custodial account, or a fund service fee account. Investment product disclosures, annual reports and prospectuses (as applicable) should be reviewed for other components of reportable compensation under Schedule C.

Where compensation can be classified as Eligible Indirect Compensation ("**EIC**"), Matrix Trust has provided the appropriate disclosures in this document rather than a set dollar amount for each plan, as permitted under guidance issued by the U.S. Department of Labor.

Reporting Requirements

Plan sponsors of retirement plans with over 100 participants at the beginning of the Plan year must identify persons who indirectly or directly received \$5,000 or more in compensation during the Plan year for services rendered to the Plan on Schedule C of Form 5500.

Compensation

Compensation is received by, as applicable, Matrix Trust, Matrix Settlement & Clearance Services, LLC ("**MSCS**") and MSCS Financial Services Division of Broadridge Business Process Outsourcing, LLC ("**MSCS Financial**") (collectively, "**Matrix**"), in connection with your Plan. All three of these companies are Broadridge Financial Solutions, Inc. ("**Broadridge**") subsidiaries and are therefore under common control. Thus, MSCS and MSCS Financial are both "affiliates" of Matrix Trust, and "affiliates" of each other.

Direct Compensation

To the extent Matrix is directed to assess Matrix's fees upon the account (i.e., the Plan), the fees represent direct compensation paid to Matrix. Direct compensation paid to Matrix Trust by your Plan is reported on your account statement or other reports provided by Matrix Trust, for example, a check register. These reports enable you to determine any payments that may have been made directly from Plan assets.

To the extent Matrix Trust fees are asset based, fees will be calculated utilizing a daily average balance for the invoice period.

To the extent that Matrix Trust fees are paid by the Plan sponsor and not reimbursed by Plan assets, the fees do not represent direct or indirect compensation paid to Matrix Trust for purposes of 408(b)(2).

Indirect Compensation

Matrix Trust, or an affiliate, may have received indirect compensation from sources other than your Plan during the past calendar year. Matrix Trust is providing a description of the formula used to calculate or determine indirect compensation so this compensation can be reported as “Eligible Indirect Compensation” paid to Matrix Trust or an affiliate on Schedule C of the Form 5500 for the 2022 Plan year, if compensation paid meets the reporting thresholds.

Matrix Trust may have received indirect compensation in connection with services:

- in the form of “float” income; and/or
- through its affiliate(s) and/or other parties as described below, and to the extent applicable, with respect to Mutual Fund Fee / Administrative Fee Services, ETF/Closed End Fund Trading Services, Self-Directed Brokerage Accounts, Retirement Cash Account, Proprietary Funds, ModelTool(K)it™ Services, Level Compensation Services, Stale Dated Check Services, and/or Proceeds of Corrective Transactions.

Float Income

Matrix Trust maintains omnibus bank accounts at, and provides sub-accounting services with respect to such bank accounts to, certain banking institutions, with respect to cash held on a short-term basis in such omnibus bank accounts. As compensation for such sub-accounting services, Matrix Trust may derive compensation from the use of this short-term cash, which is referred to as “float income.” With respect to your Plan, this may occur where, for example, Plan funds are awaiting investment, distribution or other processing. Currently, Matrix Trust has arrangements with three banks – JPMorgan Chase Bank, N.A. (“**JPMorgan**”), TD Bank, N.A. (“**TD Bank**”) and Santander Bank, N.A. (“**Santander**”) – under which the banks pay float income to Matrix Trust in exchange for its sub-accounting services. Float income is reflected as an earnings credit or service fee on monthly bank invoices. JPMorgan, TD Bank and Santander are unaffiliated institutions to Matrix Trust.

The exact amount of float income credited from these three banks to Matrix Trust cannot be described in precise terms, because the rate of float income paid fluctuates over time (it generally tracks the Federal Funds Rate), and it is also impossible to predict exactly how much Plan cash will be held on a short-term basis, and for how long. Please see “*Rate on Float Earnings*” below. The disclosures contained in the following paragraphs have been prepared in accordance with U.S. Department of Labor guidance contained in Field Assistance Bulletin 2002-3 concerning service provider float disclosure obligations to employee benefit plan customers.

Float earnings are considered eligible indirect compensation for Schedule C of Form 5500 purposes and indirect compensation under ERISA Section 408(b)(2).

Matrix Trust Float Earnings

In connection with Matrix Trust’s provision of services to Plan customers, Matrix Trust maintains various banking arrangements to facilitate movements of cash as necessary to process Plan customer transactions, including arrangements with one or more banks. Under these arrangements, cash may be held in general or “omnibus” bank accounts established by or at the direction of Matrix Trust, pending investment, trade settlement, or the presentment of distribution checks for payment. These accounts generate float earnings for Matrix Trust. The proportionate share of those earnings attributable to the funds of a particular plan constitutes compensation that is paid by the plan and retained by Matrix Trust in connection with Matrix Trust’s services and is in addition to any other fees or compensation payable under the service arrangement.

Summary of Float Paragraphs

The paragraphs below describe the specific circumstances under which float will be earned and retained, the time frames applicable to float earnings periods, and a general description of the rate of float earnings.

Contributions - Plan Account Cash Sweep

Plans direct cash contributions to Matrix Trust through a demand deposit account Matrix Trust maintains for that purpose. Matrix Trust credits the amount of a plan's cash contribution to the plan's Matrix Trust account ("**Plan Account**") on the business day it is received. If the Plan Account uses a cash sweep, the cash contribution is swept from the demand deposit account and invested on the Plan's behalf on the next business day. Matrix Trust earns float on the cash contribution between the business day of deposit and the next business day. A "business day" is a day on which the New York Stock Exchange is open for business.

Contributions - Plan Account - No Cash Sweep

If a Plan Account does not use a cash sweep, Matrix Trust earns float on the cash contribution from the business day of deposit until Matrix Trust receives investment instructions from the Plan and the investment transaction settles. Upon Matrix Trust's receipt of investment instructions in good order, settlement of mutual fund trades generally occurs within one business day and settlement of individual securities trades (*i.e.*, stocks and bonds) generally occurs within three business days.

Purchases of Securities Timeline

When Matrix Trust receives instructions, in good order and in accordance with prescribed procedures, to purchase a security for a Plan Account, Matrix Trust places the purchase trade order that same business day if the instructions are received prior to Matrix Trust trading cut-off times. If instructions are received after the Matrix Trust trading cut-off times, the purchase trade order is placed on the next business day.

Settlement of Purchase Trade Order

When Matrix Trust settles a purchase trade order for a Plan Account, the Plan Account assets required to pay for the purchase are transferred to a demand deposit account maintained by Matrix Trust on the trade settlement date. When a purchase trade order is cancelled or rejected, the funds previously set aside to pay for the purchase are re-credited to the Plan Account and either invested through the cash sweep, if applicable, or retained in the deposit account pending other investment instructions, as described previously.

Same Day Placement of Sale Trade Order

When Matrix Trust receives instructions, in good order and in accordance with prescribed procedures, to sell a security for a Plan Account, Matrix Trust places the sale trade order that same business day if the instructions are received prior to Matrix Trust trading cut-off times. If instructions are received after the Matrix Trust trading cut-off times, the sale trade order will be placed on the next business day.

Plan Account Proceeds on Trade Settlement Date

When Matrix Trust places or settles a sale trade for a Plan Account, the Plan Account receives the sales proceeds on the trade settlement date. If the Plan Account does not use a sweep, Matrix Trust will earn float from the date Matrix Trust receives the sale settlement proceeds until Matrix Trust receives instructions to reinvest the sale proceeds as described previously.

Float When Issuing Checks

Matrix Trust may earn float when it issues checks on behalf of plans including checks for (i) distributions to participants and/or beneficiaries, (ii) participant loan distributions, or (iii) fees paid to Plan service providers. Matrix Trust does not earn float when payments or distributions are made by direct deposit (ACH) or by a federal funds wire transfer.

Float on Mailed Distribution Checks

Matrix Trust will mail a distribution check to a Plan participant or beneficiary on the payable date (the date printed on the check). On the same day, Matrix Trust debits the Plan Account in the amount of the check. Matrix Trust will earn float on the amount of the check from the date the check is issued until the date the check is presented and paid.

Float on Periodic/Recurring Distributions

Where Matrix Trust has been directed to establish periodic or recurring distribution checks, such payments are typically mailed to Plan participants and beneficiaries prior to the payable date (for example, periodic payments are mailed six business days prior to the payable date). Matrix Trust debits the Plan Account in the amount of the checks on the payable date. Matrix Trust is able to mail the checks before assets are withdrawn from the Plan Account and sold because periodic distributions are of a predictable amount (generally a set dollar amount each payment cycle). Matrix Trust will only earn float on the amount of the check from the date the check is payable until the date check is presented and paid.

Recredit to Plan Account of Outstanding Distribution Checks

On a periodic basis, Matrix Trust will notify Plans or their Designated Representative of outstanding periodic and lump sum distribution checks that Matrix Trust has issued. If an originally-issued check is reported lost or missing, Matrix Trust will re-issue the check upon receipt of direction from the Plan and/or other authorized party to instruct on the account. If the participant or beneficiary does not negotiate the check within a reasonable time, Matrix Trust reserves the right to re-credit (redeposit) the payment to the Plan Account and to invest these funds at the direction of a Plan Account fiduciary or authorized party to instruct on the account, or to disburse the funds as directed or otherwise in accordance with applicable law.

Rate on Float Earnings

The rate at which Matrix Trust earns float over the time periods described above is generally comparable to the effective Federal Funds Rate as reported in the Wall Street Journal over the applicable time frame. While the banks have discretion in the setting of the exact rates, the Federal Funds Rate at a given time is a reasonable estimate of the rate paid to Matrix Trust.

Mutual Fund Fees / Administrative Fee Services

Where Matrix Trust has been so authorized, Matrix Trust through its affiliate and registered broker dealer, MSCS Financial, may receive fees from certain investment companies, mutual funds, stable value funds, guaranteed investment contracts, guaranteed annuity contracts and similar investment vehicles (the “**Funds**”) in the form of 12b-1 fees or firm concessions (e.g., finders fees), or in the form of shareholder servicing, sub-transfer agent and sub-accounting fees (“**Mutual Fund Fees**”). Mutual Fund Fees are paid by the applicable investment company(ies) or other Fund(s) to MSCS Financial or Matrix Trust pursuant to shareholder servicing and similar agreements. You can contact Matrix Trust at 888-947-3472 for specific information about the levels of Mutual Fund Fees paid with respect to Funds currently on the Matrix platform, which will allow you to ascertain the Mutual Fund Fees paid by those Funds actually held by your Plan in a Matrix Trust account.

In addition, the recordkeeper for your Plan (which may be the Designated Representative) will generally provide you with information about the fees and costs, and certain other aspects, of any Funds or other investments that are designated under your Plan as investment alternatives to be made available to participants (assuming your Plan permits participant investment direction), which in many cases may be provided through fund prospectuses, fact sheets or similar documents. We encourage you to review these materials carefully to better understand the various fees and costs associated with these investments, including the payments they may make to Matrix Trust and other parties.

In accordance with agreements related to your Plan (some arrangements will be stipulated in an Administrative Fee Collection Addendum while others will be determined by the agreement between Matrix and the Designated Representative), Matrix Trust may deposit administrative servicing fees (“**Administrative Fees**”) in an amount equal to a percentage of any Mutual Fund Fees collected for administrative services provided to the Plan. MSCS Financial is compensated by the collection of Mutual Fund Fees. In accordance with an intercompany agreement between MSCS Financial and Matrix Trust, MSCS Financial pays to Matrix Trust the Administrative Fees, which Matrix Trust, in turn, pays out in accordance with the Administrative Fee Collection Addendum or Matrix agreements with the Designated Representative.

Administrative Fees will either be: (a) credited to an Administrative Fee Account until Matrix Trust is instructed to disburse them; (b) applied to offset the fees the Designated Representative owes to Matrix; (c) directed by the Designated Representative for credit to a Plan's account; or (d) directed by the Designated Representative to wire out to third-party service providers. As compensation for the collection of Mutual Fund Fees, MSCS Financial may retain for its services an amount equal to a percentage of Mutual Fund Fees collected or charge an annual flat fee amount; the actual percentage or flat fee amount for the Mutual Fund Fee collection is reflected in your Plan's Fee Sheet or obtainable from the Designated Representative (if your Plan has a Designated Representative).

Administrative Fees are generated only to the extent that Mutual Fund Fees are collected by MSCS Financial. If a Fund has not paid to MSCS Financial or does not pay Mutual Fund Fees, then no Administrative Fees will be generated.

If your Plan is invested in the CMFG Life Insurance Company Guaranteed Account or the BANC Master Deposit Account B, the entire 0.25% (25 basis point) administrative service fee is retained by MSCS Financial unless otherwise stipulated in your Plan's Fee Sheet.

In addition, payments to parties other than MSCS Financial or Matrix Trust from the related Administrative Fee Account statement may be reportable as direct or indirect compensation paid to *those* parties.

NSCC Transaction Fees

For each Fund transaction processed through the National Securities Clearing Corporation ("**NSCC**"), the NSCC's parent the Depository Trust & Clearing Corporation ("**DTCC**"), a financial services firm unaffiliated with Matrix, presently assesses a \$0.06 transaction-based fee, subject to change by the DTCC, for providing clearing and counterparty services. In accordance with the agreement between Matrix Trust/MSCS and the Designated Representative, DTCC transaction fees may be invoiced to, and paid by, the Designated Representative, unless otherwise stipulated in your Plan's Fee Sheet. Neither Matrix Trust and nor affiliates retain any portion of any DTCC transaction fees assessed.

ETF/Closed End Fund Trading Services

If the Plan offers one or more exchange-traded funds ("**ETFs**") and/or closed end funds ("**CEFs**") as investment options to Plan participants, a third-party unaffiliated subcontractor of Matrix, currently Virtu Americas LLC ("**Virtu**"), a broker-dealer, is paid certain commissions for executing ETF/CEF trades processed on the Matrix trading platform. Other unaffiliated third-party broker-dealers may be added as subcontractors (or replace Virtu) and may perform substantially equivalent services as Virtu. The commissions paid to such third-party broker-dealer(s) (including Virtu) (each an "**Outside BD**") are either: (a) passed through to the Plan by "netting" the commission amount from the trade in the Plan's account; (b) invoiced to the Designated Representative; or (c) paid by Matrix, with Matrix assessing additional basis points and/or minimum fees per the Plan's Fee Sheet. Currently, the Outside BD's commission charges, as the executing ETF/CEF broker, are:

- \$0.005 per share per ETF/CEF trade batch processed with execution by the Outside BD during market hours;
- \$0.01 per share per ETF/CEF trade, batch processed with standard Market-on-Close execution by the Outside BD;
- \$0.04 per share per ETF/CEF trade, batch processed with Market-on-Close execution by the Outside BD, with trade files received by the Outside BD after market close and with estimate files received by the Outside BD before market close (and with trade instructions received from the underlying Plan participant before market close); or
- \$0.09 per share per ETF/CEF trade, batch processed with Market-on-Close execution by the Outside BD, with trade files received by the Outside BD after market close without pre-market close estimate files (but with trade instructions received from the underlying Plan participant before market close).

Matrix does not retain any of the Outside BD's commissions described above; rather, the Outside BD retains 100% of these ETF/CEF commissions. Additionally, for ETF/CEF trades to receive pricing as of market close ("**Market-on-Close ETF/CEF Trades**"), the Outside BD will price such trades as of the closing price for such ETFs/CEFs, and in the process may incur gains and losses from such trades by executing hedging transactions in advance of the market close for the purpose of helping to ensure that the desired Market-on-Close ETF/CEF Trades can be timely processed at the closing price. Consistent with positions expressed by the U.S. Department of Labor, any such gains may be treated as compensation to the Outside BD for its services. The exact amount of any such net "compensation" cannot be predicted in advance, but it would be reasonable to assume that, over time, these transactions will involve both shortfalls (losses) and excesses (gains) to the Outside BD that should generally offset each other, and are therefore not expected to result in material net "profit" or "compensation" to the Outside BD.

ETF/CEF trade instructions may be received by MSCS after market close. When this occurs, the transaction will be processed the following business day. Because the price of an investment may change between the receipt of instructions and the execution of instructions, a transaction may result in either a shortfall or an excess. If the transaction results in a shortfall, Matrix Trust will promptly cover the shortfall to the extent necessary to process the transaction based on the price that would have been paid or realized by the Plan had the transaction been processed on the day Matrix received instruction. If the transaction results in an excess, Matrix Trust will retain the amount of the excess in a suspense account to be applied to future shortfalls. Additionally, Matrix Trust will retain nominal trading gains and incur nominal trading losses as a result of Matrix Trust's acquisition or disposal of fractional ETF/CEF shares necessary to complete ETF/CEF trade instructions. Such nominal gains and losses should generally offset each other and are therefore not expected to result in any additional net profit or "compensation" to Matrix Trust over time.

Self-Directed Brokerage Accounts

If the Plan offers a self-directed brokerage account ("**SDBA**") option to Plan participants, SDBA balances remain subject to the services and fees described under other sections of this disclosure and any related Fee Sheet, to the extent applicable. Also, where the Plan sponsor or other Plan fiduciary of the Plan and/or its Designated Representative has directed Matrix Trust to establish SDBA that is a TD Ameritrade Brokerage Account, pursuant to an agreement TD Ameritrade, MSCS will provide account reconciliation services, account set-up and maintenance, movement of cash between the Plan's core accounts and SDBAs, and related administrative tasks. For these services and others, MSCS will receive quarterly, in arrears, an amount equal to 0.00375% (0.375 basis points) of the value of Plan assets in the TD Ameritrade SDBAs during such quarter, based on the average of the Plan assets held in the SDBAs on the last business day of each month in the applicable quarter. TD Ameritrade pays these fees to MSCS.

In all cases, the fees described above do not include brokerage commissions or other fees payable to TD Ameritrade, or other SDBA provider, who are unaffiliated with Matrix Trust, MSCS and MSCS Financial.

Retirement Cash Account

Matrix Trust receives fees with respect to the Retirement Cash Account (if your Plan has selected the Retirement Cash Account as an investment option for participants), to the extent permitted by Applicable Rules (defined below), for providing services with respect to the account and the accountholders. Specifically, as provided under an agreement with JPMorgan, Matrix Trust receives a servicing fee in exchange for providing sub-accounting and support services, processing transactions and reconciling aggregate account activity with respect to funds deposited in the Retirement Cash Account with JPMorgan. The servicing fee is deducted by Matrix Trust from the total interest paid to Matrix Trust by JPMorgan, and is the difference between the total interest rate paid to Matrix Trust by JPMorgan, and the stated interest rate paid to Plan participants on their investments in the Retirement Cash Account. In other words, the servicing fees paid to Matrix Trust reduce the interest rate paid to Plan participants by a corresponding amount.

At each rate of total interest paid by JPMorgan (from 0.00% up to 5.00%), the share of such total interest that is credited as the “stated rate” of interest to Plan participants on their Retirement Cash Account balances, and the share of such total interest that is retained by Matrix Trust as its servicing fees, are set forth under a pre-established rate table. Such servicing fees are based on the average daily deposit balances in the Retirement Cash Account. The rate of the servicing fee that Matrix Trust receives may exceed the interest rate or effective yield the depositors receive from the Retirement Cash Account. No portion of these servicing fees will reduce or offset the fees otherwise due to Matrix Trust unless required by Applicable Rules. “**Applicable Rules**” means all applicable federal and state laws, rules and regulations, rules of any self-regulatory organization, and the constitution and applicable rules, regulations, customs, and usages of the exchange or market and its clearinghouse. Unless stated otherwise in a separate schedule, other than the applicable fees charged on Plan custody accounts, there are no separate charges, fees (other than the servicing fee described above), or commissions paid to Matrix Trust or its affiliates as a result of, or otherwise in connection with, the Retirement Cash Account.

As the total interest rate paid by JPMorgan increases, the servicing fees will likewise increase, and if the total interest rate paid by JPMorgan decreases, the servicing fees will likewise decrease. While the full rate table is available and accessible (as explained above), it is very voluminous. However, the following summarizes the general ranges of the stated interest rates paid to Plan participants and Matrix Trust’s servicing fees at various rates of total interest, as determined under the rate table:

When the total rate of interest* paid (annually) by JPMorgan is between:	The stated interest rate paid to Plan participants ranges from:	The servicing fees retained by Matrix Trust ranges from:
0.00% and 0.50%	0.00% and 0.13%	0.00% and 0.37%
0.51% and 1.00%	0.13% and 0.25%	0.38% and 0.75%
1.01% and 2.00%	0.26% and 0.50%	0.75% and 1.50%
2.01% and 3.00%	0.51% and 1.23%	1.50% and 1.77%
3.01% and 4.00%	1.23% and 1.90%	1.78% and 2.10%
4.01% and 5.00%	1.91% and 2.63%	2.10% and 2.37%

*With respect to the cash balances within the ModelTool(k)it™, this “total rate of interest” shown in the table is the net rate of interest paid by JPMorgan after applicable Bank Balance Based Charges billed to and paid by Matrix Trust Company.

For more specific information, Retirement Cash Account disclosures and the current interest rate payable at any given time will be available online at: <https://www.broadridge.com/assets/pdf/broadridge-msb-retirement-cash-account.pdf>.

A copy of the full rate table and the current interest rate payable at any given time may be obtained by calling Matrix Trust Client Services at 888-947-3472.

Based upon the total rates of interest paid by JPMorgan in recent periods, and the total rates of interest that Matrix Trust generally expects that JPMorgan would intend to pay in the future, a reasonable estimate of the servicing fees retained by Matrix Trust would usually be between 0% and 2.37%. However, we should emphasize that Matrix Trust cannot control or predict the total interest rates payable by JPMorgan in the future, which makes it impossible to predict the rate of Servicing Fees we will receive at any given time. Therefore, to help you make a fully informed decision about whether to utilize (or continue utilizing) the Retirement Cash Account at any given time, we strongly recommend that you access the online materials or contact Matrix Trust Client Services as described above, to be provided with more detailed information.

Proprietary Funds

Proprietary funds (“**Proprietary Funds**”) are collective investment trusts or other funds for which Matrix Trust serves as trustee. Collective investment fund options that are currently indicated on the following website are considered Proprietary Funds: <https://www.broadridge.com/cit/matrix-cits>.

If the Plan has selected a Proprietary Fund as an investment option, Matrix Trust may receive compensation for providing trustee or investment management services to the Proprietary Fund. Such compensation varies by Proprietary Fund and generally ranges on a gross basis from 0.03% (3 basis points) annually to 0.50% (50 basis points) annually, not including audit fees, which are fixed amounts that may represent fees from essentially 0.00% (0 basis points) annually to 0.05% (5 basis points) annually. Larger compensation rates may be inclusive of advisory fees and custodian fees paid to advisors to plans or to custodians/platforms for plans. Matrix Trust generally retains as compensation a net of 0.03% (3 basis points) annually through 0.08% (8 basis points) annually. Compensation earned by Matrix Trust in connection with services provided to the Proprietary Fund is described in the Proprietary Fund's participation agreement and disclosure materials, which you would have received from the recordkeeper for your Plan (which may be your Plan's Designated Representative). We encourage you to review these materials carefully to better understand the various fees and costs associated with these Proprietary Fund investments, including the payments they may make to Matrix Trust and other parties.

Proprietary Funds may be selected to be included within your Plan, and any compensation Matrix Trust may receive for providing trustee or investment management service to the Proprietary Fund would be in addition to any fees that Matrix Trust or its affiliates may receive as described in this Fee Disclosure, including but not limited to fees in connection with ModelTool(k)it™ Services (discussed below).

ModelTool(k)it™ Services

Where the named fiduciary of the Plan and/or Designated Representative has entered into an agreement to subscribe to ModelTool(k)it™ (“**MTK**”) for the Plan, a total annual fee of 0.025% (2.5 basis points), the ModelTool(k)it™ Platform Fee, charged monthly in arrears applies to the market value of assets covered under the MTK agreement. This fee is deducted directly from the Plan Account from the assets covered under the MTK agreement. Of the total fee, a third-party subcontractor of MSCS, Envestnet Retirement Services (“**ERS**”) receives approximately (no less than) 0.02% (2.0 basis points) as its compensation for providing services detailed in the Plan's MTK agreement, and MSCS itself will retain approximately (no more than) 0.005% (0.5 basis points) for facilitating MTK as a service on the MSCS trading platform. All other applicable services and fees will continue to apply, except that if investments subject to the MTK agreement generate Mutual Fund Fees, MSCS Financial will collect such Mutual Fund Fees as compensation, but Matrix Trust will pay an Administrative Fee in an amount equal to one hundred percent (100%) of such Mutual Fund Fees to the Plan's MTK unitized portfolio.

If ETF/CEF shares are part of a model, the ETF/CEF share trades will be assessed commission charges at the rate charged for ETF/CEF trades batch processed with execution during market hours, currently \$0.005 per share. ETF/CEF and mutual fund trade instructions may be received by MSCS after market close. When this occurs, the transaction may be processed the following business day. Because the price of an investment may change between the receipt of instructions and the execution of instructions, a transaction may result in either a shortfall or an excess. If the transaction results in a shortfall, Matrix Trust will promptly cover the shortfall to the extent necessary to process the transaction based on the price that would have been paid or realized by the Plan had the transaction been processed on the day Matrix Trust received instruction. If the transaction results in an excess, Matrix Trust will retain the amount of the excess to be applied to future shortfalls. Additionally, Matrix Trust will retain nominal trading gains and incur nominal trading losses as a result of Matrix Trust's acquisition or disposal of fractional ETF/CEF shares necessary to complete ETF/CEF trade instructions. Consistent with positions expressed by the U.S. Department of Labor, any such excesses or gains may be treated as compensation to Matrix Trust for its services. The exact amount of any such net “compensation” cannot be predicted in advance, but it would be reasonable to assume that, over time, these transactions will involve both shortfalls (losses) and

excesses (gains) to Matrix Trust that should generally offset each other, and are therefore not expected to result in material net “profit” or “compensation” to Matrix Trust.

If ETF/CEF shares are part of a model, a portion of the unitized portfolio must be kept in a liquidity vehicle. Currently, this liquidity vehicle, or cash investment allocation, is a bank account maintained by Matrix Trust at JPMorgan, and Matrix Trust will credit interest on such liquidity vehicle. Matrix Trust may retain as part of its compensation, for sub-accounting services related to the liquidity vehicle, a reasonable fee based on the difference of the rate paid by the bank (after deduction of “Bank Balance Based Charges” representing JPMorgan fees billed to and paid by Matrix Trust) and the rate credited to the unitized portfolio for the liquidity vehicle.

Pursuant to an arrangement between Matrix Trust and JPMorgan, Matrix Trust receives a servicing fee in exchange for providing sub-accounting and support services, processing transactions and reconciling aggregate account activity with respect to funds deposited in the liquidity vehicle. The servicing fee is paid by JPMorgan; more specifically, the servicing fee is deducted by Matrix Trust from the total interest paid to Matrix Trust by JPMorgan, and is the difference between the total interest rate paid to Matrix Trust by JPMorgan under the arrangement described above (net of the Bank Balance Based Charges) and the stated interest rate paid to the unitized portfolio for the liquidity vehicle. In other words, the servicing fees paid to Matrix reduce the interest rate paid to unitized portfolio by a corresponding amount. As the total interest rate paid by JPMorgan increases, the servicing fees will likewise increase, and if the total interest rate paid by JPMorgan decreases, the servicing fees will likewise decrease.

While the full rate table is available and accessible, it is very voluminous. For a summary of the general ranges of the stated interest rates paid to the unitized portfolio for the liquidity vehicle and Matrix Trust’s servicing fees at various rates of total interest, please see Table 1 under Retirement Cash Account section of this disclosure. For the current stated interest rate paid to the unitized portfolio for the liquidity vehicle and Matrix Trust’s servicing fee rate, please see the Rate Table found by accessing the following link:

<https://www.broadridge.com/assets/pdf/broadridge-msb-retirement-cash-account.pdf>.

Please note, while the rates involved in the liquidity vehicle are comparable to the rates involved in the Retirement Cash Account, the unitized portfolio is not invested in the Retirement Cash Account.

Level Compensation Services (if elected and to the extent applicable)

Where the named fiduciary of the Plan has engaged a broker (registered representative) whose firm utilizes the Matrix Trust Level Compensation Services, in addition to any other applicable services and fees, MSCS Financial will serve as Broker of Record for investment transactions, and will retain up to 0.02% (2 basis points) of the Plan’s total assets, with such fees coming from any 12b-1 fees and shareholder servicing (“**Level Compensation Fees**”) it collects from Funds on behalf of the broker. For certain plans whose investment lineup pays differing compensation per investment, brokers may receive Level Compensation Fees based on an approximate weighted average (“**Weighted Average**”) of fees paid by or on behalf of Funds. Where Weighted Average is in place, MSCS Financial may retain an overage in the amount fees received from or on behalf of the Funds. This overage amount may be an amount up to 0.05% (5 basis points) of plan assets because Weighted Average Level Compensation Fee percentages are set by MSCS on 0.05% (5 basis point) increments. If you have engaged an investment adviser for your Plan whose firm utilizes the RIA Remittance Services of the MSCS Level Compensation Services, in addition to any other applicable services and fees, MSCS will be paid a fee of up to 0.015% (1.5 basis points) of the Plan’s total assets (also referenced as “**Level Compensation Fees**”). With respect to brokers, the Level Compensation Fees are in exchange for MSCS Financial’s administrative services in collecting and distributing Level Compensation Fees to the broker. With respect to investment advisers, the Level Compensation fees are in exchange for MSCS’s administrative services in collecting from the Designated Representative and distributing to the investment adviser the adviser’s advisory fees (*i.e.*, facilitating RIA fee remittance services). Per the agreement setting forth the Level Compensation Services between MSCS and the broker-dealer or investment advisory firm, this compensation is deducted from Level Compensation Fees as received from the Plan’s Funds.

Stale Dated Check Services

Matrix Trust provides services to assist with the resolution of Plan participants' stale dated checks, as directed by a Designated Representative. Where the named fiduciary of the Plan and/or its Designated Representative has elected to utilize certain services to assist in the resolution of participant related stale dated checks, an unaffiliated subcontractor to Matrix Trust and MSCS, PBI Research Services, Pension Benefit Information, LLC ("**PBI**"), receives \$40 per check as direct compensation which is deducted directly from the Plan (*i.e.*, from the stale dated check amount). This compensation to PBI is for its services which includes conducting a search, related communications, and distributing funds to affected Plan participants. Matrix Trust and its affiliates do not retain any portion of the \$40 per check fee that is payable to PBI. All float income to Matrix Trust will cease with respect to the stopped check from the time the check is stopped, but float income related to the period beginning with the issuance of the distribution check through the date the check was stopped will be retained by Matrix Trust.

Proceeds of Corrective Transactions

Matrix Trust receives investment instructions and, although rare, occasional errors in the instructions themselves or the processing of instructions may occur. The causes of such errors may include, but are not necessarily limited to, entry of an erroneous trade ("buy" vs. "sell," or vice versa), dollar amount or number of shares, incorrect identification of the security, duplication of orders (such as, instructions entered more than once), or untimely transmittal of instructions. When an error is discovered, action is taken to correct the transaction in a manner intended to avoid or minimize harm or disruption to the Plan. Because the price of an investment may change between the processing of erroneous instructions and the execution of corrective instructions, a corrective transaction may result in either a shortfall or an excess. If the error originates with Matrix Trust and the corrective transaction results in a shortfall, Matrix Trust will promptly cover the shortfall to the extent necessary to process the transaction based on the price that would have been paid or realized by the Plan had the transaction been processed as instructed. If the corrective transaction results in an excess, Matrix Trust will retain the amount of the excess to be applied to future shortfalls resulting from trade errors. Consistent with positions expressed by the U.S. Department of Labor, any such excess proceeds may be treated as compensation to Matrix Trust for its services. The exact amount of any such net "compensation" cannot be predicted in advance, but it would be reasonable to assume that, over time, corrective transactions will involve both shortfalls (losses) and excesses (gains) to Matrix Trust that should generally offset each other, and are therefore not expected to result in material net "profit" or "compensation" to Matrix Trust.

Non-Monetary Compensation

Matrix Trust and MSCS Financial maintain policies that place limits on the circumstances under which gifts, travel and entertainment may be accepted by employees. Other than for modest gifts given or received in the normal course of business, employees are not permitted to receive gifts from clients and vendors. Under the 408(b)(2) regulation, a service provider's acceptance of these non-monetary items may involve the receipt of indirect compensation from a plan where the value attributable to the plan, on a pro rata basis, exceeds \$250 over the term of the plan's contract with the service provider. In light of the policies, Matrix Trust does not anticipate that the value of any such non-monetary items will approach the \$250 threshold with respect to the Plan.

Completing Schedule C

You will need the following information to complete Schedule C.

Matrix Trust Company 717 17th Street, Suite 1300 Denver, CO 80202 Employer Identification Number: 75-3182674	MSCS Financial Services Division of Broadridge Business Process Outsourcing, LLC 717 17 th Street, Suite 1300 Denver, CO 80202 Employer Identification Number: 33-1151291
--	---

For Direct Compensation, you will be required to provide the Matrix Trust address or Employer Identification Number.

For Indirect Compensation, Matrix Trust provided you with a formula so that you can report this arrangement as Eligible Indirect Compensation, and you will be required to enter the MSCS Financial and Matrix Trust names and Employer Identification Numbers or addresses.

If you have any questions regarding this information, please contact your Matrix Trust Company Relationship Manager.

These materials and any attachments do not constitute tax or legal advice. Please seek the advice of competent investment, tax or legal counsel with respect to your investment, tax or legal questions.

SCHEDULE H, LINE 4i, SCHEDULE OF ASSETS (HELD AT END OF YEAR)*
DECEMBER 31, 2022

*See attached financial statements with auditor's report.
