REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustee and Advisory Committee of the
APS Holding Company, Inc. Profit Sharing Plan and Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of APS Holding Company, Inc. Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (liquidation basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (liquidation basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and reportable transactions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APS Holding Company, Inc. Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - SUMMARY OF THE PLAN

The following summary of the APS Holding Company, Inc. Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Document and Trust Agreement for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by the Company and with respect to certain matters, as applicable, an Advisory Committee. Alerus Financial, N.A. (the "Trustee"), serves as the trustee of the Plan.

The Plan was established effective July 1, 1980, for employees of Automated Packaging Systems, Inc. ("APS"). Through August 1, 2019, the Plan operated as a leveraged employee stock ownership plan ("ESOP") and was designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code (the "Code").

Plan Conversion and Termination

On July 29, 2019, all shareholders of APS, including the Plan, exchanged their existing shares in APS for a like number of shares in APS Holding Company, Inc. (the "Company" or "Plan Sponsor") resulting in APS becoming a wholly owned subsidiary of the Company. Subsequently, on August 1, 2019, APS was converted to a limited liability company and the Company sold its sole membership interest in APS to an unrelated third party (the "Purchaser") (the "Transaction"). As a result of the Transaction, substantially all employees of APS became employees of the Purchaser. The Transaction was approved by vote of the shareholders of the Company, including pass through voting by Plan participants of the shares allocated to their respective accounts and the Trustee voting unallocated shares.

In connection with the Transaction, the Trustee acted (and with respect to certain matters after the Transaction, has continued to act) as an independent trustee and obtained an opinion from an independent financial advisor that concluded that the purchase price for APS was not less than fair market value and that the terms of the Transaction were fair to the Plan from a financial perspective.

Immediately prior to the Transaction, 55,290 unallocated shares were redeemed by the Company at an estimated aggregate fair value of \$13,822,443 to repay the then existing outstanding balance on the leveraged ESOP loans. The number of unallocated shares redeemed by the Company was subject to change pending the resolution by the Company and the Purchaser of an amount which remained in escrow in relation to the Transaction. On February 9, 2022, the Board of Directors of the Company approved entering into a final escrow agreement with the Purchaser, which was entered into on February 10, 2022.

Also, effective on August 1, 2019, the Plan was amended through a "Termination Amendment", at which time sponsorship of the Plan was transferred from APS to the Company, the ESOP provisions of the Plan were terminated, and the Plan was converted from an ESOP to a profit-sharing plan (the "Conversion"). Per the provisions of the Termination Amendment, the Plan was terminated and the governing body of the Company approved a plan of liquidation effective August 1, 2019, and determined that liquidation of the Plan was imminent. All participants became fully vested in their respective account balances upon the Conversion.

In 2022, as in 2021 and in late 2019, participants' balances in the Plan were partially liquidated and distributed, and the remainder will be liquidated and distributed to participants at a future date(s). Subsequent to entering into a final escrow agreement with the Purchaser, on February 25, 2022, the Board of Directors of the Company approved and declared a \$10 per share cash distribution which was paid to shareholders on March 11, 2022 and is included in interest and dividend income in the statement of changes in net assets available for benefits. The Company's distribution resulted in a corresponding decrease in the fair value of the common stock which is reflected in net depreciation in fair value of common stock in the statement of changes in net assets available for benefits. Following the receipt of this distribution from the

APS Holding Company, Inc. Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Company, and consistent with the objective to liquidate the Plan, the Plan allowed participants to elect to withdraw a substantial portion of the cash portion of their account balances in March 2022. The distributions to participants in 2022, including such elected participant withdrawals, aggregated to \$14,520,503.

Eligibility

Employees of APS became participants in the Plan on December 31 of the year they had completed six months of service, as defined, and upon attaining the age of 18. An employee was required to be an active employee at the end of the Plan year in order to receive a contribution allocation.

Upon Conversion, all participants of the Plan under the ESOP provisions remained participants of the Plan under the profit-sharing provisions; however, the Plan was frozen to new entrants.

Payment of Benefits

Under the terms of the Termination Amendment, the form of benefit payment is a lump sum cash distribution, except as described below. As prescribed by the Termination Amendment, each participant in the Plan was entitled to an initial distribution of approximately 80% of their account balance within 60 days of the Termination Amendment. The remaining approximate 20% of participants' account balances will be distributed at date(s) subsequent to the Termination Amendment, which is at the discretion of the Company. As noted above, \$14,520,503 was distributed to participants during the year ended December 31, 2022.

Participants who received any allocation of money purchase pension contributions under the ESOP with respect to the period from January 1, 2001 until March 1, 2003 continue to be entitled to receive benefits in the form of an annuity contract, including, if married, in the form of a joint and survivor benefit during his or her life, with the provision that after death fifty percent or seventy-five percent of his or her monthly retirement benefit shall continue and be paid to the participant's spouse.

Participant Accounts

The Plan provided for the establishment of accounts, which represent each participant's interest in the net assets of the Plan.

Under the profit-sharing provisions of the Plan, the allocation of net investment income, expenses, and realized or unrealized gains and losses is performed on the annual allocation date (and if determined by the administrator, also on interim valuation dates) based upon the relative value of each participant's account or subaccounts, as applicable.

Vesting

On August 1, 2019, all participants became fully vested in their account balance upon the termination of the ESOP provisions of the Plan.

Voting Rights

The Advisory Committee (as established by the Plan) has the right to vote all shares attributable to the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). As discussed

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

in Note A to the financial statements, the Plan was terminated and the governing body of the Company approved a plan of liquidation effective August 1, 2019, and determined that liquidation of the Plan was imminent. As a result, the Plan's financial statements are prepared on the liquidation basis of accounting as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

Under the liquidation basis of accounting, the Plan has accrued an estimate for all future income the Plan expects to earn and all future costs the Plan reasonably expects to incur until liquidation is complete.

Accrued liquidation costs net of accrued liquidation income was \$124,000 and \$327,173 at December 31, 2022 and 2021, respectively. The change in accrued liquidation costs net of accrued liquidation income is due to \$150,280 of administrative expenses and \$33,181 of interest income being recognized during the year ended December 31, 2022. Additionally, estimated accrued liquidation costs net of interest income for future periods was decreased by \$86,074 as more current information became available regarding this estimate.

Contributions

Under the profit-sharing provisions of the Plan, the Company shall not make any contributions to the Plan.

Interest and Dividend Income

As the Company operates as a Subchapter S Corporation, periodic distributions are made by the Company to shareholders to cover personal tax liability on pass-through income from the Company. Although the Plan is tax exempt, it is entitled to receive its proportionate share of any distributions paid by the Company. In 2022, the Plan received \$9,554,464 of S Corporation distributions from the Company, which are included in interest and dividend income in the accompanying statement of changes in net assets available for benefits.

Administrative Expenses

Under the profit-sharing provisions of the Plan, administrative expenses are paid by the Plan.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is estimated as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is determined on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - INVESTMENTS

The Plan's investment in Company common stock at December 31, 2022 and 2021 is presented in the following table:

	2022	2021
Common stock:		
Number of shares	950,486	950,486
Cost	\$ 49,740,718	\$ 49,740,718
Fair value	\$ 8,830,015	\$ 15,768,563

NOTE D - FAIR VALUE MEASUREMENTS

The Plan follows the fair value accounting guidance that establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

The Plan's investment in Company common stock at December 31, 2022 and 2021 are valued at fair value. As of December 31, 2022 and 2021, the principal valuation technique used for the fair value of Company common stock was an income valuation approach, and the unobservable inputs to the valuation are estimated future cash proceeds from the final settlement of the Transaction and the liquidation of the

Company, estimated future income and expenses with an estimated discount rate applied, and a discount for lack of marketability.

The money market account is valued based on a quoted market price on an active exchange. Money market funds invested in by the Plan seek to preserve the value of the investment at \$1.00 per share.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Company common stock	\$ -	\$ -	\$ 8,830,015	\$ 8,830,015
Money market funds	2,477,577	-	-	2,477,577
Total assets at fair value	<u>\$ 2,477,577</u>	<u>\$ -</u>	<u>\$ 8,830,015</u>	<u>\$ 11,307,592</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Company common stock	\$ -	\$ -	\$ 15,768,563	\$ 15,768,563
Money market funds	7,614,174	-	-	7,614,174
Total assets at fair value	<u>\$ 7,614,174</u>	<u>\$ -</u>	<u>\$ 15,768,563</u>	<u>\$ 23,382,737</u>

With respect to the Plan's Level 3 assets, there were no purchases, sales, or transfers into or out of Level 3 during the year ended December 31, 2022.

NOTE E - TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed plan management by letter dated December 2, 2020, that the termination of the Plan does not affect its qualifications for federal tax purposes. Accordingly, no provisions for income taxes have been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan's investments consist primarily of private company common stock, which is exposed to various risks, such as interest rate, credit and market risks, as well as valuation assumptions based on earnings, cash flows and/or other such techniques.

Due to the level of risk associated with the investment in common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE G - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee, Alerus Financial, N.A., has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value as shown in the statements of net assets available for benefits (liquidation basis) as of December 31, 2022 and 2021.
- Investment income (loss) as shown in the statement of changes in net assets available for benefits (liquidation basis) for the year ended December 31, 2022.
- Supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.
- Supplemental schedule H, line 4j - schedule of reportable transactions for the year ended December 31, 2022.

The Plan's independent accountants did not perform any auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in the common stock of the Plan sponsor. Accordingly, the transactions in such investments qualify as exempt party-in-interest transactions as defined by ERISA.

NOTE J - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2022 financial statements for subsequent events through September 25, 2023, the date the financial statements were available to be issued.

On April 10, 2023, the Plan and the Company entered into an amendment to the 2019 agreement that governed the redemption of a number of unallocated shares to repay the then existing outstanding balance on the leveraged ESOP loans. Under the terms of the amendment, the Plan will no longer receive additional shares as a result of the resolution of the amount that remained in escrow from the Transaction, but rather will receive a cash distribution with interest. In April 2023, the Plan received \$975,166 as a result of this amendment. In addition, the amendment provides that the Plan will receive additional payment(s) at such future date(s) that the Company pays any distributions to its shareholders.

Effective August 1, 2023, Alerus Financial, N.A. has assigned its rights and obligations under the existing trustee services agreement to Summit Fiduciary Group, LLC, except for its role as custodian, which it retained, and simultaneously therewith, Nels E. Carlson and Michael S. Flesch became the trustees of the Plan.

The Plan is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
