INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and the Administrative Committee
United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time (defined as the time within one year after the date that the financial statements are issued, or available to be issued, where applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the United Concrete Products, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Employees of any of the following employers may be entitled to participate in the Plan: United Concrete Products, Inc., United Trucking, Inc., Yalesville Properties, LLC, and United Underground Precast & Infrastructure, LLC (collectively, the “Company” or “Plan Sponsor”).

GENERAL

The Plan is a defined contribution plan covering all employees of the Company – except for union employees, non-resident aliens, and leased employees – who have completed three consecutive months of service and during which at least 250 hours of service were completed. An eligible employee who satisfies the minimum age of 18 and service requirements is eligible to participate in the Plan on the first day of the month coinciding with or next following the date requirements are met.

The Plan, which was effective January 1, 1996 and most recently amended effective December 14, 2022, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective July, 15, 2020, the Plan Sponsor appointed John Hancock Trust Company, LLC as trustee of the Plan, and appointed John Hancock Retirement Plan Services, LLC (collectively, “John Hancock”) to provide record-keeping and other administrative services to the Plan.

ADMINISTRATION

Participants may direct their contributions to various investment options with various objectives and degrees of financial risk held by the Plan’s trustee. The Administrative Committee is responsible for oversight of the Plan; determining the appropriateness of the Plan's investment offerings; and monitoring investment performance. The plan administrator is responsible for the day-to-day management of the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS

Each year, participants may make elective deferral contributions to the Plan up to the annual limit established by the Internal Revenue Code (IRC) Sec 402(g), which is \$20,500 for the year ended December 31, 2022. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, which are limited to \$6,500 for the year ended December 31, 2022. Participants may also make Roth elective deferrals and contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Contribution rates may be changed by participants at any time.

The Plan allows the Company to make matching contributions. During the year ended December 31, 2022, the Company made fixed matching contributions equal to 10% of the participants' elective deferrals up to 100% made to the Plan during the year, totaling \$85,069. Company matching contributions are directed pro-rata to the same investment options as the participant contributions. Participants must be employed on the last day of the Plan year to be eligible.

The Plan also allows the Company to make a discretionary profit-sharing contribution each year. Discretionary profit-sharing contributions are directed pro-rata to the same investment options as the participant contributions. No discretionary profit-sharing contributions were made during the year ended December 31, 2022.

In accordance with the most recent Plan amendment dated December 14, 2022 (effective January 1, 2022), an additional flexible discretionary match may be made by the Company (e.g., a matching contribution made on a periodic basis as well as a matching contribution based on the end of the plan year). The Company retains discretion over the formula for allocating the flexible discretionary match. For plan years beginning after the end of the plan year in which the amendment is first adopted, if a flexible discretionary match contribution formula applies and the Company makes a flexible discretionary match to the Plan, the Company must provide the plan administrator or trustee written instructions describing (1) how the flexible discretionary match formula will be allocated to participants (e.g., a uniform percentage of elective deferrals or a flat dollar amount), (2) the computation period(s) to which the flexible discretionary match formula applies, and (3) if applicable, a description of each business location or business classification subject to separate flexible discretionary match allocation formulas. The additional flexible discretionary match applies to all participants eligible to share in matching contributions, regardless of service completed during the plan year or employment status on the last day of the plan year.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, an allocation of the Company's matching contributions and discretionary profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their individual contributions and actual earnings thereon. Vesting in the Company's matching contribution and profit-sharing contribution portions of their accounts is based on years of continuous service and a 6-year graded vesting schedule. A participant becomes 20% vested after two years of credited service, 40% vested after three years of credited service, 60% vested after four years of credited service, 80% after five years of credited service and 100% after six years of credited service. A participant becomes 100% vested regardless of years of service upon death or disability while still employed by the Company.

DISTRIBUTIONS

Upon termination of service due to employment termination, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specified period. If a participant terminates service with a vested balance of \$5,000 or less, he or she will receive a lump-sum distribution as soon as administratively feasible. In addition, participants may take in-service distributions of all or any portion of their vested account balances once attaining age 59-1/2. In-service distributions of less than \$1,000 are not allowed by the Plan.

Participants may withdraw all or any portion of their vested account balance in the event of undue financial hardship, as defined in the Plan document.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITED ACCOUNTS

If a participant terminates employment with the Company at a time when the participant does not have a fully vested interest and liquidates his or her account prior to December 31, the Company's matching contributions, discretionary profit-sharing contributions and the actual earnings thereon are forfeited. The Company may decide in its discretion how to use forfeitures under the Plan. For the year ended December 31, 2022, forfeited non-vested account balances were used to pay administrative expenses of the Plan. At December 31, 2022 and 2021, there was \$1,552 and \$5,716, respectively, of unused forfeited, non-vested accounts.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at any time. The loans are secured by the vested balance in the participant's account. The loan interest rate is determined at the time the loan is taken and is equal to 2% above the prime rate, as defined, which is commensurate with local prevailing rates. Terms of the loans range from one to five years, or in the case of a loan to purchase a primary residence, up to ten years. Principal and interest are repaid ratably through weekly payroll deductions. The interest rates on participant loans outstanding as of December 31, 2022 and 2021 ranged from 5.25% to 9.50% and 5.25% to 7.50%, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the accompanying Statement of Changes in Net Assets Available for Benefits, the net change in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation and depreciation on those investments.

The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 4 for discussion of fair value measurements.

CONTRIBUTIONS

Participant contributions to the Plan via salary reduction are recorded in the period in which the employee payroll deductions are made.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized when earned and is classified as interest income on notes receivable from participants in the accompanying Statement of Changes in Net Assets Available for Benefits. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses was recorded as of December 31, 2022 or 2021. Loan payments are made through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Plan expenses that are paid by the Company are excluded from these financial statements. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NOTE 3 – CERTIFICATION OF INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan also considers nonperformance risk in the overall assessment of fair value.

Accounting Standards Codification (“ASC”) 820 establishes a three-tier valuation hierarchy for fair value disclosure purposes. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels are defined as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in markets that are not active,
- Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals),
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Unobservable inputs for the asset or liability (supported by little or no market activity). Level 3 inputs include management’s own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money market funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end, based on daily-published closing prices as reported by the fund.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: The common collective trust is valued at the NAV per unit of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. As of December 31, 2022 and 2021, there were no unfunded commitments related to the common collective trust. The common collective trust may be redeemed on a daily basis, and there are no participant redemption restrictions for these investments.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy				
Money market funds	\$ 1,552	\$ --	\$ --	\$ 1,552
Mutual funds	<u>6,405,931</u>	<u>--</u>	<u>--</u>	<u>6,405,931</u>
Total assets in the fair value hierarchy	<u>\$ 6,407,483</u>	<u>\$ --</u>	<u>\$ --</u>	<u>6,407,483</u>
Total investments measured at net asset value ⁽¹⁾				
Common collective trust				<u>324,084</u>
Total investments				<u>\$ 6,731,567</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy				
Money market funds	\$ 5,716	\$ --	\$ --	\$ 5,716
Mutual funds	<u>7,679,974</u>	<u>--</u>	<u>--</u>	<u>7,679,974</u>
Total assets in the fair value hierarchy	<u>\$ 7,685,690</u>	<u>\$ --</u>	<u>\$ --</u>	<u>7,685,690</u>
Total investments measured at net asset value ⁽¹⁾				
Common collective trust				<u>173,764</u>
Total investments				<u>\$ 7,859,454</u>

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE 6 – TAX STATUS

An opinion letter dated May 18, 2015 was received from the Internal Revenue Service stating that the written form of the underlying prototype document is qualified under Section 401(a) of the IRC. Therefore, the Plan and the related trust is tax-exempt. The Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan was subsequently amended. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain assets of the Plan represent notes receivable from participants. These transactions qualify as party-in-interest transactions; however, they are not considered prohibited transactions under 29 CFR 2550.408(b) of the ERISA regulation, as the Plan allows participants to take loans against their account balances.

The Plan's investments are managed by John Hancock, the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions, but are not considered prohibited transactions.

Contract administration fees are also charged to the Plan by John Hancock and are included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits. These transactions also qualify as party-in-interest transactions, but are not considered prohibited transactions.

The Plan Sponsor pays directly any other fees related to the Plan's operations. In addition, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan.

NOTE 8 – SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 26, 2023, the date upon which the accompanying financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
