INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Committee of
Amerilodge Group 401(k) Plan
Bloomfield Hills, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Amerilodge Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Amerilodge Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amerilodge Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerilodge Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerilodge Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 1. Description of the Plan

The following description of the Amerilodge Group 401(k) Plan (the "Plan") provides summary information for general purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- A. General – The Plan, a defined contribution plan covering substantially all employees (excluding union/collectively bargained employees and non-resident aliens) of Amerilodge Group, LLC (the "Company"), who are twenty one or older and have one month of service. The entry date is the first of the month following the eligibility requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan's Adoption Agreement was amended on March 3, 2022.
- B. Administration – The Plan is administered by Amerilodge Group, LLC. The Plan custodian and third party administrator is Fidelity Investments ("Fidelity"). Certain administrative expenses incurred by the Plan have been paid for by the Company.
- C. Contributions – Each year, participants may contribute up to 100% of their annual compensation, as defined in the Plan, as pre-tax deferral contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Segregated accounts are maintained for each participant. The participant directs the investment of their contributions into various investment options offered by the Plan. The Plan provisions limit participants to contribute a maximum of 90% of their annual compensation or \$20,500 and allow Roth IRA contributions. The Plan provides for discretionary employer matching contributions. The Company elected to make discretionary matching contributions for 2022 of 100% of participant elective deferrals up to 3% of compensation for employees with greater than five years of service, and 2% of compensation for employees with less than five years of service. An employee must be employed on the last day of the Plan year and must have completed more than 1,000 hours of service in order to obtain any discretionary employer matching contributions. Effective May 1, 2020, newly eligible employees are automatically enrolled at a deferral rate of 2% of compensation and automatically increased annually for participants hired on or after May 1, 2020 by 1% to a maximum of 3%. Contributions are subject to certain limitations.
- D. Participant Accounts – Each participant account is credited with the participant's contributions based on the allocation stated in above and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. Vesting – Participants are immediately vested in their voluntary contributions and actual earnings thereon. Vesting in the portion of their accounts funded by employer's discretionary over matching contributions plus earnings thereon is based on years of continuous service according to the following schedule:

Years of service	Percent Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 1. Description of the Plan (continued)

- G. Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive as a lump-sum, or in installments if subject to lifetime required minimum distributions, an amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The plan also allows in-service distributions for those who reach age 59 ½, or cite a financial hardship as defined by the Plan.
- H. Forfeitures – At December 31, 2022 and 2021, the forfeited non-vested accounts were \$9,528 and \$10,585, respectively. These accounts are used to pay administrative costs or reduce future employer contributions. In 2022, none of these funds were used to pay administrative costs or reduce employer contributions.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Presentation – The accompanying financial statements have been prepared based on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- B. Use of Estimates – The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.
- C. Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 8 for discussion of fair value measurements.
- D. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- E. Payment of Benefits – Benefits are recorded when paid. Requests for distribution of Plan benefits by terminated participants are in various stages of processing. At December 31, 2022 and 2021, there were no outstanding requests for distribution of benefit claims payable.

Note 3. Investments

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Reliance Trust Company. The Plan administrator does not believe that the occurrence of such event, which would limit the Plan's ability to transact at contract value with Plan, is probable.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 4. Termination of the Plan

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan at any time subject to the provisions of the ERISA. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

Note 5. Tax Status

The IRS has determined and informed the Plan by a letter dated November 5, 2018, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan's Management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Reconciliation of Financial Statements to Form 5500

The differences between the amounts reflected in the financial statements and the amounts reported on the Form 5500 as of December 31, 2022 and 2021 are shown below:

	December 31, 2022	December 31, 2021
Net Assets Available for Plan Benefits per Financial Statements	\$ 2,245,208	\$ 2,631,504
Employer Contributions Receivable	(102,717)	(65,327)
Excess Contributions Payable to Participants	5,159	14,626
Net Assets Available for Plan Benefits per Form 5500	<u>\$ 2,147,650</u>	<u>\$ 2,580,803</u>

The following is a reconciliation of net increase in assets available for plan benefits per the financial statements for the year ended December 31, 2022 to the Form 5500.

As of December 31, 2022 and 2021

Note 8. Fair Value Measurements

The Plan adopted Accounting Standards Codification ("ASC") Topic 820 Fair Value Measurements and Disclosures ("ASC Topic 820"). ASC Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- Level 1 includes observable inputs which reflect quoted prices for identical assets or liabilities in active markets at the measurement date.
- Level 2 includes observable inputs for assets or liabilities other than quoted prices included in Level 1 and it includes valuation techniques which use prices for similar assets and liabilities.
- Level 3 includes unobservable inputs which reflect the reporting entity's estimates of the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured. There have been no changes in methodologies used at December 31, 2022 and 2021.

• *Mutual Funds: Fair Value*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Balance</u>	<u>Level 1</u>
Mutual funds	\$ 2,147,650	\$ 2,147,650
Total Investments	<u>\$ 2,147,650</u>	

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Balance</u>	<u>Level 1</u>
Mutual Funds	\$ 2,580,803	\$ 2,580,803
Total Investments	<u>\$ 2,580,803</u>	

Note 9. Party-in-Interest Transactions

Certain Plan investments include fixed annuities and mutual funds managed by the Custodian. Therefore, investment transactions in such mutual funds are considered to be exempt party-in-interest transactions under the Department of Labor's rules and regulations.

As of December 31, 2022 and 2021

Note 10. Excess Contributions Payable to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as liabilities, with a corresponding reduction to current year contributions. There were \$5,159 and \$14,626 of excess contributions for the years ended December 31, 2022 and 2021, respectively.

Note 11. Subsequent Events

The Company has evaluated subsequent events through September 15, 2023, the date on which the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Committee of
Amerilodge Group 401(k) Plan
Bloomfield Hills, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Amerilodge Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Amerilodge Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amerilodge Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerilodge Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerilodge Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 1. Description of the Plan

The following description of the Amerilodge Group 401(k) Plan (the "Plan") provides summary information for general purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- A. General – The Plan, a defined contribution plan covering substantially all employees (excluding union/collectively bargained employees and non-resident aliens) of Amerilodge Group, LLC (the "Company"), who are twenty one or older and have one month of service. The entry date is the first of the month following the eligibility requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan's Adoption Agreement was amended on March 3, 2022.
- B. Administration – The Plan is administered by Amerilodge Group, LLC. The Plan custodian and third party administrator is Fidelity Investments ("Fidelity"). Certain administrative expenses incurred by the Plan have been paid for by the Company.
- C. Contributions – Each year, participants may contribute up to 100% of their annual compensation, as defined in the Plan, as pre-tax deferral contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Segregated accounts are maintained for each participant. The participant directs the investment of their contributions into various investment options offered by the Plan. The Plan provisions limit participants to contribute a maximum of 90% of their annual compensation or \$20,500 and allow Roth IRA contributions. The Plan provides for discretionary employer matching contributions. The Company elected to make discretionary matching contributions for 2022 of 100% of participant elective deferrals up to 3% of compensation for employees with greater than five years of service, and 2% of compensation for employees with less than five years of service. An employee must be employed on the last day of the Plan year and must have completed more than 1,000 hours of service in order to obtain any discretionary employer matching contributions. Effective May 1, 2020, newly eligible employees are automatically enrolled at a deferral rate of 2% of compensation and automatically increased annually for participants hired on or after May 1, 2020 by 1% to a maximum of 3%. Contributions are subject to certain limitations.
- D. Participant Accounts – Each participant account is credited with the participant's contributions based on the allocation stated in above and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. Vesting – Participants are immediately vested in their voluntary contributions and actual earnings thereon. Vesting in the portion of their accounts funded by employer's discretionary over matching contributions plus earnings thereon is based on years of continuous service according to the following schedule:

Years of service	Percent Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 1. Description of the Plan (continued)

- G. Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive as a lump-sum, or in installments if subject to lifetime required minimum distributions, an amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The plan also allows in-service distributions for those who reach age 59 ½, or cite a financial hardship as defined by the Plan.
- H. Forfeitures – At December 31, 2022 and 2021, the forfeited non-vested accounts were \$9,528 and \$10,585, respectively. These accounts are used to pay administrative costs or reduce future employer contributions. In 2022, none of these funds were used to pay administrative costs or reduce employer contributions.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Presentation – The accompanying financial statements have been prepared based on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- B. Use of Estimates – The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.
- C. Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 8 for discussion of fair value measurements.
- D. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- E. Payment of Benefits – Benefits are recorded when paid. Requests for distribution of Plan benefits by terminated participants are in various stages of processing. At December 31, 2022 and 2021, there were no outstanding requests for distribution of benefit claims payable.

Note 3. Investments

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Reliance Trust Company. The Plan administrator does not believe that the occurrence of such event, which would limit the Plan's ability to transact at contract value with Plan, is probable.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 4. Termination of the Plan

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan at any time subject to the provisions of the ERISA. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

Note 5. Tax Status

The IRS has determined and informed the Plan by a letter dated November 5, 2018, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan's Management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Reconciliation of Financial Statements to Form 5500

The differences between the amounts reflected in the financial statements and the amounts reported on the Form 5500 as of December 31, 2022 and 2021 are shown below:

	December 31, 2022	December 31, 2021
Net Assets Available for Plan Benefits per Financial Statements	\$ 2,245,208	\$ 2,631,504

AMERILODGE GROUP 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

As of December 31, 2022 and 2021

Note 8. Fair Value Measurements

The Plan adopted Accounting Standards Codification ("ASC") Topic 820 Fair Value Measurements and Disclosures ("ASC Topic 820"). ASC Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- Level 1 includes observable inputs which reflect quoted prices for identical assets or liabilities in active markets at the measurement date.
- Level 2 includes observable inputs for assets or liabilities other than quoted prices included in Level 1 and it includes valuation techniques which use prices for similar assets and liabilities.
- Level 3 includes unobservable inputs which reflect the reporting entity's estimates of the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured. There have been no changes in methodologies used at December 31, 2022 and 2021.

• *Mutual Funds: Fair Value*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Balance</u>	<u>Level 1</u>
Mutual funds	\$ 2,147,650	\$ 2,147,650
Total Investments	<u>\$ 2,147,650</u>	

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Balance</u>	<u>Level 1</u>
Mutual Funds	\$ 2,580,803	\$ 2,580,803
Total Investments	<u>\$ 2,580,803</u>	

Note 9. Party-in-Interest Transactions

Certain Plan investments include fixed annuities and mutual funds managed by the Custodian. Therefore, investment transactions in such mutual funds are considered to be exempt party-in-interest transactions under the Department of Labor's rules and regulations.

As of December 31, 2022 and 2021

Note 10. Excess Contributions Payable to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as liabilities, with a corresponding reduction to current year contributions. There were \$5,159 and \$14,626 of excess contributions for the years ended December 31, 2022 and 2021, respectively.

Note 11. Subsequent Events

The Company has evaluated subsequent events through September 15, 2023, the date on which the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
