## Independent Auditor's Report

To the Plan Administrator  
Retirement Readiness for the Astin Companies

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Retirement Readiness for the Astin Companies, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Retirement Readiness for the Astin Companies' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Retirement Readiness for the Astin Companies and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Readiness for the Astin Companies' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retirement Readiness for the Astin Companies' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Readiness for the Astin Companies' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

1. Plan description

The following description of the Retirement Readiness for the Astin Companies ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees who are age 21 or older and have completed three months of consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In addition, affiliates of Astin Executive Services, LLC, who are participating employers in the Plan include Astin Aviation CLL, LLC; Astin Enterprises, LLC; Astin Partners, LLC; Easterwood Airport Management, LLC; Fibertown DC, LLC; Hush & Whisper, LLC; Lynntech, Inc.; and On-Demand Systems, LLC.

Employee Contributions

Each year, participants may contribute through deferral of their earned income, up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. In addition, all participants in the Plan who make no other election will have their deferral rate automatically increased 1% annually, up to a maximum of 6%.

Participants direct the investment of their contributions into various investment options offered by the Plan. Excess contributions are returned to certain active participants to satisfy certain nondiscrimination provisions of the Plan.

Employer Contributions

For the 2022 Plan year, the plan sponsor provided a discretionary match contribution of 30% of the first 6% of compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the discretion of the Company's board of directors. The Company did not make additional profit-sharing contributions to the Plan for the year ended December 31, 2022.

Participant accounts

The Plan currently offers a money market fund and mutual funds as investment options for participants. Each participant's account is credited with the participant's contribution and allocations of Plan earnings and the employer's contribution. Allocations are based on participant earnings or account balances, as defined. Each participant is entitled to the benefit that can be provided from his or her vested account.

Vesting

Participants are immediately vested in employee contributions plus actual earnings thereon. Company contributions are 100% vested to the participant after one full

Retirement Readiness for the Astin Companies  
Notes to Financial Statements

year of service. A participant is fully vested in all accounts upon death, disability or retirement at or after age sixty.

Notes receivable from participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payments of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of his or her account, or installments over a period of time, not to exceed the participant's life expectancy.

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, if the vested interest is less than \$1,000. For vested interests greater than \$1,000, the participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments over a reasonable period of time, not to exceed the participant's life expectancy.

The plan also allows for in service withdrawals in limited circumstances, as defined by the Plan.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value based on quoted market prices, except fully benefit-responsive investment contracts, which are stated at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income and capital gains are recorded on the accrual basis.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid. As of December 31, 2022, no allowance for credit losses has been recorded. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of benefits

Benefit payments to participants are recorded upon distribution.

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

Forfeitures

Forfeited accounts may be used to reduce future employer contributions or administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,520 and \$1,615, respectively. During the year ended December 31, 2022, forfeitures of \$1,250 were used to reduce administrative expenses.

Plan expenses

Certain expenses incurred with the administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Participant loans fees or transaction expenses are deducted from loan or distribution proceeds, as applicable, or are charged directly to the participant's account. A portion of expenses incurred by the Plan have been paid for by the plan sponsor. Expenses that are paid by the Company are excluded from these financial statements.

Use of estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of management's review

Management has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued.

3. Certified investment information

Certain information related to investments are disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the investments and notes receivable as of December 31, 2022, investments as of December 31, 2021, and net increase (decrease) in fair value of investments and interest and dividend income for the period ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan as of December 31, 2022 and for the period from July 1, 2022 to December 31, 2022 and Empower Trust Company, the trustee of the Plan as of December 31, 2021 and for the period January 1, 2022 to June 30, 2022.

4. Investments and fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.
- Level 3 - Inputs to the valuation methodology are unobservable.

The Plan's investments in money market funds and mutual funds are based on quoted prices in active markets.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level and by investment class, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

5. Fully benefit-responsive investment contracts

The Plan had a fully benefit-responsive group annuity contract with an insurance company totaling \$500,761 as of December 31, 2021. The Key Guaranteed Portfolio Fund is issued by Great-West Life and Annuity Insurance Company and provided to the Plan as a general account product. The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The Plan did not hold investments in fully benefit-responsive contracts with insurance companies at December 31, 2022.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The insurance company may not terminate the contract at an amount less than contract value.

6. Tax status

The Plan sponsor has adopted a pre-approved profit-sharing plan and is relying on the pre-approved plan's IRS opinion letter for qualification. In the pre-approved plan's opinion letter dated June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. Plan management believes it is no longer subject to income tax examination for years prior to 2019.

7. Related party and party-in-interest transactions

As discussed in Note 5, the Key Guaranteed Portfolio Fund is issued by Great-West Life and Annuity Insurance Company and, therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are shares of mutual funds that are managed by Fidelity Management Trust Company who also serves as the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees and expenses associated with Plan administration are paid to certain parties-in-interest. Plan assets also include notes receivable from participants. All of these transactions are exempt from the prohibited transactions rules under ERISA.

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

8. Plan termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Change in trustee and recordkeeper

Effective July 1, 2022, the trustee and recordkeeper of the Plan was changed to Fidelity Management Trust Company. All assets of the Plan were transferred to the new trustee and recordkeeping services were provided by Fidelity Management Trust Company for the remainder of the period. The Plan was amended during the year to reflect this change.

Independent Auditor's Report

To the Plan Administrator  
Retirement Readiness for the Astin Companies

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Retirement Readiness for the Astin Companies, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Retirement Readiness for the Astin Companies' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Retirement Readiness for the Astin Companies and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Readiness for the Astin Companies' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retirement Readiness for the Astin Companies' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Readiness for the Astin Companies' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements  
December 31, 2022

1. Plan description

The following description of the Retirement Readiness for the Astin Companies ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees who are age 21 or older and have completed three months of consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In addition, affiliates of Astin Executive Services, LLC, who are participating employers in the Plan include Astin Aviation CLL, LLC; Astin Enterprises, LLC; Astin Partners, LLC; Easterwood Airport Management, LLC; Fibertown DC, LLC; Hush & Whisper, LLC; Lynntech, Inc.; and On-Demand Systems, LLC.

Employee Contributions

Each year, participants may contribute through deferral of their earned income, up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. In addition, all participants in the Plan who make no other election will have their deferral rate automatically increased 1% annually, up to a maximum of 6%.

Participants direct the investment of their contributions into various investment options offered by the Plan. Excess contributions are returned to certain active participants to satisfy certain nondiscrimination provisions of the Plan.

Employer Contributions

For the 2022 Plan year, the plan sponsor provided a discretionary match contribution of 30% of the first 6% of compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the discretion of the Company's board of directors. The Company did not make additional profit-sharing contributions to the Plan for the year ended December 31, 2022.

Participant accounts

The Plan currently offers a money market fund and mutual funds as investment options for participants. Each participant's account is credited with the participant's contribution and allocations of Plan earnings and the employer's contribution. Allocations are based on participant earnings or account balances, as defined. Each participant is entitled to the benefit that can be provided from his or her vested account.

Vesting

Participants are immediately vested in employee contributions plus actual earnings thereon. Company contributions are 100% vested to the participant after one full

year of service. A participant is fully vested in all accounts upon death, disability or retirement at or after age sixty.

Notes receivable from participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payments of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of his or her account, or installments over a period of time, not to exceed the participant's life expectancy.

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, if the vested interest is less than \$1,000. For vested interests greater than \$1,000, the participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments over a reasonable period of time, not to exceed the participant's life expectancy.

The plan also allows for in service withdrawals in limited circumstances, as defined by the Plan.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value based on quoted market prices, except fully benefit-responsive investment contracts, which are stated at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income and capital gains are recorded on the accrual basis.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid. As of December 31, 2022, no allowance for credit losses has been recorded. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of benefits

Benefit payments to participants are recorded upon distribution.

Notes to Financial Statements  
December 31, 2022

Forfeitures

Forfeited accounts may be used to reduce future employer contributions or administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,520 and \$1,615, respectively. During the year ended December 31, 2022, forfeitures of \$1,250 were used to reduce administrative expenses.

Plan expenses

Certain expenses incurred with the administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Participant loans fees or transaction expenses are deducted from loan or distribution proceeds, as applicable, or are charged directly to the participant's account. A portion of expenses incurred by the Plan have been paid for by the plan sponsor. Expenses that are paid by the Company are excluded from these financial statements.

Use of estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of management's review

Management has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued.

3. Certified investment information

Certain information related to investments are disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the investments and notes receivable as of December 31, 2022, investments as of December 31, 2021, and net increase (decrease) in fair value of investments and interest and dividend income for the period ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan as of December 31, 2022 and for the period from July 1, 2022 to December 31, 2022 and Empower Trust Company, the trustee of the Plan as of December 31, 2021 and for the period January 1, 2022 to June 30, 2022.

4. Investments and fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.
- Level 3 - Inputs to the valuation methodology are unobservable.

The Plan's investments in money market funds and mutual funds are based on quoted prices in active markets.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level and by investment class, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

5. Fully benefit-responsive investment contracts

The Plan had a fully benefit-responsive group annuity contract with an insurance company totaling \$500,761 as of December 31, 2021. The Key Guaranteed Portfolio Fund is issued by Great-West Life and Annuity Insurance Company and provided to the Plan as a general account product. The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The Plan did not hold investments in fully benefit-responsive contracts with insurance companies at December 31, 2022.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The insurance company may not terminate the contract at an amount less than contract value.

6. Tax status

The Plan sponsor has adopted a pre-approved profit-sharing plan and is relying on the pre-approved plan's IRS opinion letter for qualification. In the pre-approved plan's opinion letter dated June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. Plan management believes it is no longer subject to income tax examination for years prior to 2019.

7. Related party and party-in-interest transactions

As discussed in Note 5, the Key Guaranteed Portfolio Fund is issued by Great-West Life and Annuity Insurance Company and, therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are shares of mutual funds that are managed by Fidelity Management Trust Company who also serves as the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees and expenses associated with Plan administration are paid to certain parties-in-interest. Plan assets also include notes receivable from participants. All of these transactions are exempt from the prohibited transactions rules under ERISA.

Retirement Readiness for the Astin Companies  
Notes to Financial Statements  
December 31, 2022

8. Plan termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Change in trustee and recordkeeper

Effective July 1, 2022, the trustee and recordkeeper of the Plan was changed to Fidelity Management Trust Company. All assets of the Plan were transferred to the new trustee and recordkeeping services were provided by Fidelity Management Trust Company for the remainder of the period. The Plan was amended during the year to reflect this change.
