Lewis Communications, Inc.
§401(K) PLAN
Mobile, Alabama

To the Trustees of
Lewis Communications, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Lewis Communications, Inc. §401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of March 31, 2023, and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lewis Communications, Inc. §401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lewis Communications, Inc. §401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis Communications, Inc. §401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that represented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lewis Communications, Inc. §401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis Communications, Inc. §401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets as of or for the year ended March 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note A - Description of Plan:

The following brief description of Lewis Communications, Inc. 401(K) Retirement Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan booklet for more complete information.

1. General - The Plan, adopted March 31, 1977, is a defined contribution plan established by Lewis Communications, Inc. (the "Sponsor") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. Any salaried or commissioned employee of the Sponsor who is at least twenty-one years of age is eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
2. Plan Administration - The administration of the Plan is the responsibility of an administrator appointed by the Board of Directors of the Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. The trustee of the Plan is Lewis Communications, Inc.
3. Participant Contributions - Each year, participants may contribute up to 90% of pretax annual compensation, as defined by the Plan, subject to limitations under the IRC. Participants who have attained age 50 before the end of the Plan year are allowed non-matched elective catch-up contributions subject to limitations under the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Company Contributions - For eligible participants, the Plan provides for the Company, at its discretion, to make an annual matching contribution, subject to certain limitations of the Code. Amounts to be contributed are determined by the Chief Executive Officer of the Company under delegation from the Board of Directors, pursuant to the terms of the Plan, which totaled \$158,569 for the year ended March 31, 2023. Generally, only eligible participants employed by the Company on the last day of the plan year and who have completed one year of service as defined by the plan document are eligible to receive the Company contribution, except in the event of death, job elimination, divestiture, total and permanent disability, or attainment of the normal or early retirement date occurring during the plan year. Participants have authority over the investment allocation of Company contributions.

4. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching discretionary contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(K) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note A - Description of Plan (continued):

5. Participant Loans - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have one loan at a time. The loans are secured by the balance in the participant's account and bear interest at 2% plus the prime rate published in the Wall Street Journal on the first business day of each month. Interest rates were between 4.25% and 6.50% for all participant loans as of March 31, 2023. Principal and interest is paid ratably through monthly payroll deductions and are generally over periods ranging up to five years unless it is for the purchase of a primary residence. Participant loans are measured at the amount of unpaid principal plus any material accrued and unpaid interest.
6. Vesting - Participants are fully vested in their contributions and the earnings thereon. Vesting in employer matching and profit sharing is based on years of continuous service. Participants are entitled to the value of their accrued benefits upon termination of employment or retirement due to the attainment of age 65 or older, based on the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

7. Payment of Benefits - Participants becoming totally and permanently disabled before reaching their normal retirement date will receive the full vested balance of their accounts under the Plan. For participants who die while working for the Sponsor, the full vested balance of their accounts under the Plan will be paid to their beneficiaries. Any unvested benefits at the time of withdrawal of funds will revert back to the Sponsor as forfeitures. Hardship distributions are permitted on vested balances in accordance with IRC requirements.
8. Forfeited Accounts - At March 31, 2023, forfeited nonvested accounts totaled \$13,823. These forfeitures can be used to pay administrative expenses and reduce employer contributions to the Plan. During 2022-2023, the Company applied \$9,083 of existing forfeitures toward administrative expenses and employer contributions. As of March 31, 2023, the balance in the Plan's forfeiture account was \$10,852.

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note B - Summary of Accounting Policies:

The following are the significant accounting policies followed by the Plan.

1. Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.
2. Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.
3. Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, which is measured on a recurring basis at March 31, 2023 and 2022, except for fully benefit-responsive investment contracts, which are reported at contract value. FASB ASC 820 Fair Value Measurements and Disclosures establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.
4. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of March 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
5. Payment of Benefits - Benefit payments to participants are recorded upon distribution.
6. Operating Expenses - All expenses incurred maintaining the Plan are paid first from forfeiture, then by the Company. Any expenses paid by the company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in net appreciation (depreciation) in fair value of investments
7. Date of Management's Review - The Plan has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued, and noted no material events requiring disclosure.

401(K) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note C - Investments:

The Plan's investments as of March 31, 2023 and 2022 consist of:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Pooled Separate Accounts (Fair Value)	\$ 2,938,673	\$ 3,649,907
Mutual Funds	<u>8,944,551</u>	<u>9,792,196</u>
	<u>\$ 11,883,224</u>	<u>\$ 13,442,103</u>

Note D - Guaranteed Investment Contract:

The MetLife Stable Value Fund (Fund) is a group annuity contract that offers a full guarantee on principal and interest by the MetLife Insurance Company (Issuer). The contracts are fully benefit responsive.

The Fund qualified as a fully benefit-responsive investment contract because it meets all of the following criteria:

- a. The investment contract is effected directly between the Fund and the Issuer and prohibits the Fund from assigning or selling the contract or its proceeds to another party without the consent of the Issuer.
- b. The contract Issuer is obligated to (i) repay principal and interest, or (ii) apply prospective crediting rate adjustments with an assurance the crediting rate will not be less than zero.
- c. The terms of the investment contract require all permitted participant-initiated transactions with the Fund to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those transactions allowed by the underlying defined contribution plan, such as
- d. An event that limits the ability of the Fund to transact at contract value with the Issuer (for example, premature termination of the contracts by the Fund, plan termination, bankruptcy, mergers and early retirement incentives) and that also limits the ability of the Fund to transact at contract value with the participants in the Fund must be probable of not occurring.
- e. The Fund itself must allow participants reasonable access to their funds.

Investment contracts held in the Fund are recorded at their contract value. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined in the group annuity contract. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Lewis Communications, Inc.
401(K) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note D - Guaranteed Investment Contract (continued):

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

The Issuer may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, including the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, layoffs, plan disqualification or failure to adopt the Plan in a reasonable period of time. Upon termination by the Issuer, a market value adjustment or withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

The Plan Sponsor was not aware of any events that would have limited the Plan to transact at contract value as of March 31, 2023.

Note E - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

Lewis Communications, Inc.
401(K) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note E - Fair Value Measurements (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and 2022.

Mutual funds and Pooled Separate Accounts: Valued at the daily closing price as reported by the fund. Mutual funds and Pooled Separate Accounts held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and Pooled Separate Accounts by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2023 and 2022:

Assets at Fair Value as of March 31, 2023			
	Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 2,938,673	\$ -	\$ -
Mutual Funds	8,944,551	-	-
Investments at fair value	<u>\$ 11,883,224</u>	<u>\$ -</u>	<u>\$ -</u>
Assets at Fair Value as of March 31, 2022			
	Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 3,649,907	\$ -	\$ -
Mutual Funds	9,792,196	-	-
Investments at fair value	<u>\$ 13,442,103</u>	<u>\$ -</u>	<u>\$ -</u>

Lewis Communications, Inc.
401(K) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note E - Fair Value Measurements (continued):

Gains and losses included in changes in net assets available for benefits for the years ended March 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

For the years ended March 31, 2023 and 2022, there were no significant transfers between levels 1 and 2 and no transfers in or out of level 3.

Note F - Plan Termination:

Although it has not expressed any intent to do so, the Trustees have a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the Trustees may determine.

Note G - Concentration of Credit Risk:

The Plan maintains a cash account in an investment account. Accounts are guaranteed by the Savings Investor Protection Corporation (SIPC) up to \$250,000.

Note H - Tax Status:

The Company adopted a Volume Submitter 401(k) Profit Sharing Plan (VSPS Plan) sponsored by the third party administrator. The Internal Revenue Service has determined and informed the VSPS Plan Sponsor by a favorable opinion letter dated March 31, 1977, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the Code). The Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTES TO FINANCIAL STATEMENTS

March 31, 2023

Note I- Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note J - Related Party Transactions:

The Plan is serviced by Wells Fargo Advisors Financial Network as its investment advisor and ADP Broker-Dealer, as its third-party administrator and its record keeper. During 2023 and 2022, the Plan made direct payments to these parties of \$19,201 and \$28,964, respectively.

These transaction qualify as party-in-interest transactions. Certain fees incurred by the Plan for investment management and custodian services are paid through revenue sharing, rather than direct payment, and are included in net appreciation in fair value investments.

Lewis Communications, Inc. paid certain administrative expenses.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note K - Information Prepared and Certified by Trustee :

As noted in the independent auditor's report, The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the auditor not to perform any auditing procedures with respect to the information certified by the custodian, except for comparing information contained therein, as summarized below, to information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2023	2022
Investments, at fair value	\$ 12,923,992	\$ 13,961,233
Investment Income	\$ (1,030,678)	\$ 507,523

Information included in supplemental schedule on pages 20 to 21, excluding participant notes receivable.
