INDEPENDENT AUDITOR'S REPORT

To The Plan Administrator
Jenkins Services, Inc. 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Jenkins Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Jenkins Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Principal Trust Company, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JENKINS SERVICES, INC. 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2022 and 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of Jenkins Services, Inc. 401(k) Plan (the "Plan") are maintained on the accrual basis in accordance with U.S. generally accepted accounting principles.

Recognition of Income: The basis of investments held by the Plan are adjusted annually to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis (beginning of year market value) on the first-in, first-out method. Security transaction expenses are considered in computing realized gains and losses on investments.

Investments: Investments in mutual funds are carried at fair market value (net asset value), as determined by quoted prices in an active market. Dividends are considered in the fair market value determination. Investments in the collective trusts funds, which are primarily mutual funds, are valued at the net asset value (NAV) of units of a bank collective trust. The NAV is based on the fair values of the underlying investments held by the fund. Gains and losses (realized and unrealized) included in changes in net assets are reported in net appreciation (depreciation) in fair value in the statement of changes in net assets available for benefits.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make loan payments and the Plan Administrator deems the participant loan to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

Payment of Benefits: Benefit payments are recorded when paid.

Concentration of Credit Risks: Concentration of credit risk with respect to investments is reduced as a result of the diversity of the underlying investments.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Recently Adopted Accounting Pronouncement: The Financial Accounting Standards Board issued Accounting Standards Update 2018-13, effective for periods beginning after December 15, 2020, which modifies certain of the required fair value measurement disclosures. The Plan adopted this pronouncement effective January 1, 2021. Adoption of this standard did not require modification to the Plan's financial statement disclosures and did not have an impact on the financial statements. No adjustments were made to prior periods.

New Accounting Pronouncements: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements, and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B - DESCRIPTION OF PLAN

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of Jenkins Services, Inc. (the Plan "Sponsor"). Participants may enroll in the Plan on the first day of the month following eligibility.

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions: Each year participants may elect to contribute up to 100% of pretax annual compensation, subject to certain limitations as defined in the Plan. Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined contribution plans. Employer matching contributions are discretionary and determined annually. The Sponsor elected to make matching contributions in 2022 of 50% of participant deferrals, up to 6% of compensation (on a per pay period basis) and 40% of participant deferrals, up to 6% of compensation (on a per pay period basis) in 2021.

Participant Accounts: Each participant's account is credited with the participant's elective deferrals and allocations of the Plan Sponsor's contributions, Plan earnings, and administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of their account balance.

Vesting: Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their account plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service.

Investment Options: Upon enrollment in the Plan, a participant may invest in a number of diverse mutual funds and change investment options daily at their discretion.

Participants' Notes Receivable: Participants may borrow from their fund a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested portion of their account balance (reduced by any other existing outstanding loan balance(s)). Loans are collateralized by the vested portion of participants' account balances. Terms generally range from 1 to 5 years. Interest rates are 4.25-8.50% for loans issued in 2022 and 4.25% for loans issued in 2021. Principal and interest payments are made in equal installments through payroll deductions each pay period.

Payment of Benefits: Payment of vested account balance will begin no later than the sixtieth day after the end of the year during which the participant reaches normal retirement age, dies or terminates employment, whichever is later. Various payment options are available and are described more fully in the Plan agreement. Hardship withdrawals are available subject to certain limitations.

Forfeitures: Forfeited non-vested accounts totaled \$18 at December 31, 2022 and \$914 at December 31, 2021. Forfeitures are retained by the Plan and are used to reduce the Sponsor's matching contribution or to pay administrative expenses of the Plan.

NOTE B - DESCRIPTION OF PLAN - continued

Plan Restatement: The Plan was restated effective March 1, 2022. The Plan document has been updated with required regulatory changes and includes a legislative amendment for the Bipartisan Budget Act of 2018 and Final Regulations Relating to Hardship Distributions and the Tax Cuts and Jobs Act.

The restatement includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated fund until changed by the participant. If a participant does not choose a different amount (including zero), the percentage will be automatically increased each March 1st by 1% up to a maximum percentage of 6%.

The Plan also has been amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) which changes the Plan to allow certain eligible individuals receive coronavirus-related distributions and suspend requirement minimum distributions. The Plan is in the process of being amended to implement certain changes permitted by the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) which delays the commencement date for required minimum distributions. A written amendment to the Plan to reflect operational changes will be adopted at a later date in accordance with the applicable law and IRS guidance.

NOTE C – INVESTMENT CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2022 and 2021 and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Principal Trust Company, the Trustee, and were not audited by the independent auditor.

NOTE D - INCOME TAX STATUS

The Plan is a prototype non-standardized profit sharing plan developed by Principal Life Insurance Company. The Plan received its most recent favorable opinion letter from the Internal Revenue Service on June 2020, and although it has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes the Plan is qualified for tax exempt status. The Plan Administrator is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE E - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan includes certain investments issued by the registered investment company, Principal Funds, Inc., which is a member of the Principal Financial Group. Principal Trust Company, Trustee of the Plan's assets, and Principal Life Insurance Company, recordkeeper for the Plan, are also members of Principal Financial Group. Accordingly, transactions related to such investments qualify as party-in-interest transactions and must be disclosed. Fees paid for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document.

NOTE F - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level within the fair value hierarchy investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
<u>December 31, 2022</u>				
Mutual funds	\$ 1,706,593	\$ -	\$ -	\$ 1,706,593
Collective trust funds	-	18,573,998	-	18,573,998
	<u>\$ 1,706,593</u>	<u>\$ 18,573,998</u>	<u>\$ -</u>	<u>\$ 20,280,591</u>
<u>December 31, 2021</u>				
Mutual funds	\$ 2,154,845	\$ -	\$ -	\$ 2,154,845
Collective trust funds	-	20,163,593	-	20,163,593
Investments measured at fair value	<u>\$ 2,154,845</u>	<u>\$ 20,163,593</u>	<u>\$ -</u>	<u>\$ 22,318,438</u>

There have been no changes in methodologies used during 2022 and 2021, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV).

Collective trust funds: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV is based on the fair values of the underlying investments held by the fund.

NOTE F - FAIR VALUE MEASUREMENTS – continued

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2022	2021
Net assets available for benefit per the financial statements	\$ 21,060,449	\$ 22,795,367
Add excess contributions payable	3,444	1,613
Net assets available for benefits per Form 5500	<u>\$ 21,063,893</u>	<u>\$ 22,796,980</u>

The following is a reconciliation of changes in net assets for December 31:

	2022	2021
Change in net assets per the financial statements	\$ (1,734,918)	\$ 3,674,247
Add prior year deemed distribution	-	3,105
Add prior year loan correction	-	30
Add excess contributions payable	3,444	1,613
Less prior year excess contribution payable	<u>(1,613)</u>	<u>-</u>
Change in net assets per Form 5500	<u>\$ (1,733,087)</u>	<u>\$ 3,678,995</u>

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, market, and credit risks. Market risk includes global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – SUBSEQUENT EVENT

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later.
