## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Covenant Medical Management, Inc. 401(k) and Profit Sharing Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Covenant Medical Management, Inc. 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to maintain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE A--DESCRIPTION OF THE PLAN**

The following description of the Covenant Medical Management, Inc. 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

*General:* Covenant Medical Group (CMG) is a wholly-owned subsidiary of Covenant Health (the Parent). The Plan is a defined contribution plan, subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Certain employees of CMG who meet all eligibility requirements, including 90 days of service and who have attained age 18 are eligible to participate in the Plan.

*Contributions:* Participants may elect to contribute to the Plan, through salary reduction, a percentage of their compensation for the Plan year up to Internal Revenue Service (IRS) limits. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions up to \$6,500 each year. CMG contributed a non-elective contribution equal to 3% of each participant's compensation in 2022. Such non-elective contribution is made for all participants employed during the Plan year. Further, an additional contribution equal to 4.5% of compensation (the profit sharing contribution) was made for those participants employed at year-end. Participants direct the investment of all contributions into various investment options offered by the Plan.

*Participant Accounts:* Each participant's account is credited with participant's contributions, CMG's non-elective and profit sharing contributions, an allocation of investment earnings or losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit of their account balance.

*Vesting:* Participants are immediately vested in their salary deduction contributions and CMG's non-elective contributions, plus actual earnings thereon. Participants are vested in CMG's profit sharing contributions based on years of credited employment as follows:

| <b><i>Number of Years</i></b> |      |

Forfeitures will be used to reduce future employer contributions. Forfeitures used to reduce employer contributions were approximately \$2,500 during the year ended December 31, 2022.

*Payment of Benefits:* Upon termination of employment, a participant may receive their account balance in the form of a lump-sum distribution.

*Plan Termination:* Although it has not expressed any intent to do so, CMG has the right under Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants become immediately vested in their account balance.

**NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting:* The accompanying financial statements are prepared on the accrual basis of accounting.

*Use of Estimates:* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

*Investment Valuation and Income Recognition:* Investments in shares of registered investment companies are stated at fair value based on the quoted market values of the shares held by the Plan as determined by the trustee.

Units of interest in collective trust funds are reported at the net asset value of the underlying assets in the trust. The net asset value is used as the practical expedient to estimate fair value as participant transactions occur daily at this value. This practical expedient would not be used if it was determined to be probable that the redemption of units would be at a different value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Payment of Benefits:* Benefits are recorded when paid. Benefit payments of \$32,368 were requested and approved for payment but not paid as of December 31, 2022.

*Administrative Expenses:* Administrative expenses related to maintaining participant accounts and third party administration are paid by the Plan and deducted from participant funds. Plan expenses related to legal and accounting fees may be paid by CMG or the Plan.

**NOTE C--INFORMATION CERTIFIED BY THE TRUSTEE**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Fidelity Management Trust Company, the trustee of the Plan, and was not subjected to any accounting procedures performed by the Plan's independent public accountants:

- The investments as shown in the accompanying Statements of Net Assets Available for Benefits of \$11,617,805 as of December 31, 2022, and \$14,346,196 as of December 31, 2021.
- Net depreciation in fair value of investments of \$2,825,250 and interest and dividends of \$467,262 as shown in the accompanying Statement of Changes in Net Assets Available for Benefits of for the year ended December 31, 2022.
- All investment-related information in the accompanying supplemental Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2022.

**NOTE D--FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or are corroborated by observable market data by correlation or other means.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**COVENANT MEDICAL MANAGEMENT, INC.  
401(k) AND PROFIT SHARING PLAN**

***Notes to Financial Statements - Continued***

***Year Ended December 31, 2022***

The asset or liability's fair value measurement level within the valuation hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The investment valuation methods described in Note B may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| <b><i>Assets at Fair Value as of December 31, 2022</i></b> |                       |                       |                       |                     |

***Investments Measured Using the Net Asset Value as a Practical Expedient:*** The Plan offers a stable value collective trust investment option to participants through Fidelity Management Trust Company's Managed Income Portfolio (the Portfolio). The Portfolio's investment objective is to preserve the principal investment and earn a level of income that is consistent with this objective. The Portfolio invests primarily in U.S. Government and Agency securities and nonconvertible bonds. The Portfolio strives to maintain a \$1 net asset value through entering into various "wrap" contracts with third-party banks and insurance companies. Participants may initiate contributions to or withdrawals from the Portfolio daily at the net asset value. Withdrawals initiated by the Plan sponsor must be preceded by a 12-month notice.

The Plan also offers a collective trust investment option through Fidelity Management Trust Company's Growth Company Commingled Pool (the Pool). The Pool invests primarily in common

stocks of domestic and foreign issuers with the potential for above-average growth. Participants may initiate contributions to or withdrawals from the Pool daily at the net asset value. Withdrawals initiated by the Plan sponsor must be preceded by a redemption notice and may be subject to cash flow materiality thresholds.

**NOTE E--RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of registered investment companies or units of interest in collective trust funds managed by Fidelity Management Trust Company or related organizations. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain fees paid by the Plan for investment management services are included in the net depreciation in fair value of investments. Certain fees paid by the Plan directly to Fidelity Management Trust Company and Fidelity Investments Institutional Operations Company, the recordkeeper as defined by the Plan, totaled \$6,741 for the year ended December 31, 2022.

**NOTE F--INCOME TAX STATUS**

The IRS has determined and informed CMG by a letter dated September 8, 2013, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator has evaluated the tax positions taken by the Plan and determined there are no uncertain tax positions as of December 31, 2022 that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE G--RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and could materially affect the participants' account balances and the amount reported in the Statements of Net Assets Available for Benefits.

**NOTE H--SUBSEQUENT EVENTS**

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period,
