Mr. Jeff Dilley
Chief Financial Officer
ALS Education, LLC
5850 T. G. Lee Blvd, Suite 345
Orlando, Florida

Dear Mr. Dilley:

OBJECTIVE AND SCOPE OF THE AUDIT

You have requested that we perform an ERISA Section 103(a)(3)(C) audit and report on the financial statements of the ALS Education, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the period ended December 31, 2022 and for the year ended December 31, 2023, and the related notes to the financial statements.

As part of our audit, we will report on the supplemental schedules required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules) for the period ended December 31, 2022 and year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedules are included in the Plan's Form 5500 filing with the Employee Benefits Security Administration of the DOL.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution

or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Except as described in the preceding paragraph, the objectives of our audit are to obtain a reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

THE RESPONSIBILITIES OF THE AUDITOR

We will conduct our audit in accordance with GAAS. Those standards require that we are independent of the Plan and that we meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. As part of an audit in accordance with GAAS, we will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. If appropriate, our procedures will include tests of documentary evidence that will support the transactions recorded in the accounts, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we may request written representations from your attorneys, and they

Mr. Jeff Dilley
ALS Education, LLC

Page 3

may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

In making our risk assessments, we obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit, including those that were remediated during the audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to, determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures in accordance with GAAS. Accordingly our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental

regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

THE RESPONSIBILITIES OF MANAGEMENT AND IDENTIFICATION OF THE APPLICABLE FINANCIAL REPORTING FRAMEWORK

Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

- For the preparation and fair presentation of the financial statements in accordance with GAAP which includes the determination of the appropriate value of the investments.
- For determining whether:
 - An ERISA Section 103(a)(3)(C) audit is permissible under the circumstances;
 - The investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8;
 - The certification meets the requirements in 29 CFR 2520.103-5; and
 - The certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP as of December 31, 2022 and 2023.
- For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- For evaluating whether conditions or events, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued and to provide appropriate financial statement disclosure, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting.
- For maintaining a current plan instrument, including all Plan amendments.
- For administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- For the presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including the fair presentation of the ERISA-required supplemental schedules and the form and content of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- For identifying and determining that the Plan complies with the laws and regulations applicable to its activities.
- To provide us with:
 - Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
 - Additional information that we may request from management for the purpose of the audit;
 - Unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence; and
 - A draft of the Plan's Form 5500 for each period presented that is substantially complete prior to the dating of the auditor's report.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management agrees to include the auditor's report on the supplemental schedules in any document that contains the supplemental schedules and indicates that the auditor has reported on such supplemental schedules.

NONATTEST SERVICES

With respect to any nonattest services we perform, including assisting management with drafting the financial statements, we will not assume management responsibilities on behalf of the Plan. However, we will provide advice and recommendations to assist management of the Plan in performing its responsibilities. The Plan's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual, Jeff Dilley, Chief Financial Officer, to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Our responsibilities and limitations of the nonattest services are as follows:

- We will perform the services in accordance with applicable professional standards, including GAAS.
- The nonattest services are limited to assisting management with drafting the financial statements as previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities.

REPORTING

We will issue a written report upon completion of our audit of the Plan's financial statements and ERISA-required supplemental schedules. We will report on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in accordance with GAAP and whether the certified investment information in the financial statements agrees to or is derived from the information certified by a qualified institution. Our report will be addressed to the Retirement Plan Committee of the ALS Education, LLC 401(k) Plan. We cannot provide assurance that an ERISA Section 103(a)(3)(C) opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed.

We will also report on whether the form and content of the ERISA-required supplemental schedules, other than the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Circumstances may arise in which our report may differ from the expected form and content based on the results of the ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our ERISA Section 103(a)(3)(C) opinion, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement.

If you intend to publish, or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

OTHER RELEVANT INFORMATION

You have not engaged us to prepare the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditor's report. The purpose of this procedure is to identify material

misstatements, if any, with the audited ERISA plan financial statements. These procedures are not sufficient nor are they intended to ensure that the form is completely and accurately prepared.

The audit documentation for this engagement is the property of PYA, P.C. (PYA) and constitutes confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

We may be requested to make certain audit documentation available to the DOL pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of PYA's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the DOL. We will mark all information as confidential and maintain control over duplication of such information. However, the DOL may intend, or decide, to distribute the photocopies or information contained therein to others, including other governmental agencies.

Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practices. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm. As part of this process, the other firm will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the firm is bound by professional standards to keep all information confidential.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

Matt Stuart is the engagement principal for the audit services specified in this letter. His responsibilities include supervising PYA's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fees are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. We estimate our fee for the audit will be \$22,000. We will also bill a technology fee equal to 1.75% of the total annual fee. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If additional time is needed to complete the audit due to Plan errors encountered, or due to delays in receiving information from the Plan or its management, we will discuss with you the additional time needed to complete the audit and will arrive at a new fee estimate before continuing work.

We anticipate conducting certain audit procedures over participant data and Plan operations for the period ended December 31, 2022, during the third and fourth quarters of calendar year 2023

with the expectation of issuing one audit report covering the year ended December 31, 2023 and the period ended December 31, 2022 on or before October 15, 2024. Our invoices for fees related to these procedures will be rendered as work progresses and are payable on presentation.

We will make every reasonable effort to comply with any filing or requested completion deadlines you may have; however, there can be no guarantee that our audit will be completed within any specific timeframe. We will keep you informed of difficulties in obtaining information during our audit, but the issuance of our auditor's report is contingent upon our conclusion that appropriate audit evidence has been obtained.

Management will represent that the financial statements are accurate. Except to the extent eventually determined to have resulted from PYA's fraudulent behavior or willful misconduct, should management (or its duly authorized representatives) knowingly misrepresent the accuracy or completeness of the financial statements, PYA's maximum liability to the Plan shall be limited to actual damages.

This engagement letter reflects the entire agreement between the Plan and PYA relating to the services covered by this letter. It replaces and supersedes any previous proposals, correspondence, and understandings, whether written or oral. The agreements of the Plan and PYA contained in this engagement letter shall survive the completion or termination of this engagement.

Any controversy or claim arising out of or relating to the services covered by this letter or hereafter provided by us to the Plan shall be submitted first to voluntary mediation, and if mediation is not successful, then to binding arbitration. Judgment on any arbitration award may be entered in any court having proper jurisdiction.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. Please sign and return the enclosed copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the financial statements, including our respective responsibilities.

Sincerely,

PYA, P.C.

Dear Mr. Dilley:

OBJECTIVE AND SCOPE OF THE AUDIT

You have requested that we perform an ERISA Section 103(a)(3)(C) audit and report on the financial statements of the ALS Education, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the period ended December 31, 2022 and for the year ended December 31, 2023, and the related notes to the financial statements.

As part of our audit, we will report on the supplemental schedules required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules) for the period ended December 31, 2022 and year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedules are included in the Plan's Form 5500 filing with the Employee Benefits Security Administration of the DOL.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution

or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Except as described in the preceding paragraph, the objectives of our audit are to obtain a reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

THE RESPONSIBILITIES OF THE AUDITOR

We will conduct our audit in accordance with GAAS. Those standards require that we are independent of the Plan and that we meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. As part of an audit in accordance with GAAS, we will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. If appropriate, our procedures will include tests of documentary evidence that will support the transactions recorded in the accounts, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we may request written representations from your attorneys, and they

Mr. Jeff Dilley
ALS Education, LLC
July 19, 2023
Page 3

may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

In making our risk assessments, we obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit, including those that were remediated during the audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to, determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures in accordance with GAAS. Accordingly our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental

regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

THE RESPONSIBILITIES OF MANAGEMENT AND IDENTIFICATION OF THE APPLICABLE FINANCIAL REPORTING FRAMEWORK

Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

- For the preparation and fair presentation of the financial statements in accordance with GAAP which includes the determination of the appropriate value of the investments.
- For determining whether:
 - An ERISA Section 103(a)(3)(C) audit is permissible under the circumstances;
 - The investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8;
 - The certification meets the requirements in 29 CFR 2520.103-5; and
 - The certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP as of December 31, 2022 and 2023.
- For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- For evaluating whether conditions or events, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued and to provide appropriate financial statement disclosure, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting.
- For maintaining a current plan instrument, including all Plan amendments.
- For administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- For the presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including the fair presentation of the ERISA-required supplemental schedules and the form and content of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- For identifying and determining that the Plan complies with the laws and regulations applicable to its activities.
- To provide us with:
 - Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
 - Additional information that we may request from management for the purpose of the audit;
 - Unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence; and
 - A draft of the Plan's Form 5500 for each period presented that is substantially complete prior to the dating of the auditor's report.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management agrees to include the auditor's report on the supplemental schedules in any document that contains the supplemental schedules and indicates that the auditor has reported on such supplemental schedules.

NONATTEST SERVICES

With respect to any nonattest services we perform, including assisting management with drafting the financial statements, we will not assume management responsibilities on behalf of the Plan. However, we will provide advice and recommendations to assist management of the Plan in performing its responsibilities. The Plan's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual, Jeff Dilley, Chief Financial Officer, to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Our responsibilities and limitations of the nonattest services are as follows:

- We will perform the services in accordance with applicable professional standards, including GAAS.
- The nonattest services are limited to assisting management with drafting the financial statements as previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities.

REPORTING

We will issue a written report upon completion of our audit of the Plan's financial statements and ERISA-required supplemental schedules. We will report on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in accordance with GAAP and whether the certified investment information in the financial statements agrees to or is derived from the information certified by a qualified institution. Our report will be addressed to the Retirement Plan Committee of the ALS Education, LLC 401(k) Plan. We cannot provide assurance that an ERISA Section 103(a)(3)(C) opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed.

We will also report on whether the form and content of the ERISA-required supplemental schedules, other than the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Circumstances may arise in which our report may differ from the expected form and content based on the results of the ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our ERISA Section 103(a)(3)(C) opinion, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement.

If you intend to publish, or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

OTHER RELEVANT INFORMATION

You have not engaged us to prepare the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditor's report. The purpose of this procedure is to identify material

misstatements, if any, with the audited ERISA plan financial statements. These procedures are not sufficient nor are they intended to ensure that the form is completely and accurately prepared.

The audit documentation for this engagement is the property of PYA, P.C. (PYA) and constitutes confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

We may be requested to make certain audit documentation available to the DOL pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of PYA's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the DOL. We will mark all information as confidential and maintain control over duplication of such information. However, the DOL may intend, or decide, to distribute the photocopies or information contained therein to others, including other governmental agencies.

Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practices. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm. As part of this process, the other firm will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the firm is bound by professional standards to keep all information confidential.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

Matt Stuart is the engagement principal for the audit services specified in this letter. His responsibilities include supervising PYA's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fees are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. We estimate our fee for the audit will be \$22,000. We will also bill a technology fee equal to 1.75% of the total annual fee. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If additional time is needed to complete the audit due to Plan errors encountered, or due to delays in receiving information from the Plan or its management, we will discuss with you the additional time needed to complete the audit and will arrive at a new fee estimate before continuing work.

We anticipate conducting certain audit procedures over participant data and Plan operations for the period ended December 31, 2022, during the third and fourth quarters of calendar year 2023

with the expectation of issuing one audit report covering the year ended December 31, 2023 and the period ended December 31, 2022 on or before October 15, 2024. Our invoices for fees related to these procedures will be rendered as work progresses and are payable on presentation.

We will make every reasonable effort to comply with any filing or requested completion deadlines you may have; however, there can be no guarantee that our audit will be completed within any specific timeframe. We will keep you informed of difficulties in obtaining information during our audit, but the issuance of our auditor's report is contingent upon our conclusion that appropriate audit evidence has been obtained.

Management will represent that the financial statements are accurate. Except to the extent eventually determined to have resulted from PYA's fraudulent behavior or willful misconduct, should management (or its duly authorized representatives) knowingly misrepresent the accuracy or completeness of the financial statements, PYA's maximum liability to the Plan shall be limited to actual damages.

This engagement letter reflects the entire agreement between the Plan and PYA relating to the services covered by this letter. It replaces and supersedes any previous proposals, correspondence, and understandings, whether written or oral. The agreements of the Plan and PYA contained in this engagement letter shall survive the completion or termination of this engagement.

Any controversy or claim arising out of or relating to the services covered by this letter or hereafter provided by us to the Plan shall be submitted first to voluntary mediation, and if mediation is not successful, then to binding arbitration. Judgment on any arbitration award may be entered in any court having proper jurisdiction.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. Please sign and return the enclosed copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the financial statements, including our respective responsibilities.

Sincerely,

PYA, P.C.
