INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
The Mazzella Companies Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Mazzella Companies Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Mazzella Companies Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mazzella Companies Savings & Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mazzella Companies Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mazzella Companies Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MAZZELLA COMPANIES SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of The Mazzella Companies Savings & Retirement Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL

The Plan is a defined contribution plan, covering all employees of Maz Shared Management Company, LLC; Mazzella Crane & Field Service Division, LLC; Mazzella Lifting Technologies, Inc.; Mazzella New Tech Corporation; The Indusco Group, Inc.; Sheffield Metals Cleveland, LLC; Mazzella Holding Company, Inc.; Mazzella JHH Company, Inc.; Alabama Sling Center, Inc.; Industrial Sales Company, Inc.; Denver Wire Rope & Supply, Inc.; Florida Handling Systems, Inc.; and PE Alliance, LLC (collectively, “the Company”), who are not covered by a collective bargaining agreement and who were not part-time, temporary or seasonal workers as defined by the Plan. Prior to July 1, 2022, employees who have completed one month of employment as defined by the Plan and have attained age 21 were eligible to participate. Effective July 1, 2022, the Plan was amended and restated, which included a change to the age requirement for eligible employees from 21 to 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The plan administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Additionally, effective February 21, 2022, Vincenzo Manufacturing Industries, LLC became a participating employer in the Plan. Effective March 10, 2022, Progressive Crane, LLC was removed as a participating employer from the Plan.

CONTRIBUTIONS

Eligible participants are automatically enrolled to defer 3% with scheduled increases of 1% in Plan years 3, 4, and 5, for a total of 6% deferred of their pre-tax compensation to the Plan through payroll reductions. After initial enrollment, the participant may choose not to defer or may elect to defer as little as 2% of their pay on a pre-tax or after-tax basis, as defined by the Plan, up to a maximum dollar amount allowed by law. Participants may also contribute amounts representing distributions from other qualified plans. Catch-up contributions are permitted. Participants are able to direct contributions into a variety of investment options offered by the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company will provide Qualified Automatic Contribution Arrangement (“QACA”) matching contributions to participants’ accounts, after they have completed one month of service. Currently, the Company matches 100% of the first 2% of participants’ deferrals, and 50% of deferrals over 2% up to 6% of compensation. The Company can also make discretionary, qualified, and non-elective contributions. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (“IRC”).

Company matching contributions were \$1,809,614 and \$1,482,969 for the years ended December 31, 2022 and 2021, respectively. No discretionary contributions were made by the Company during the years ended December 31, 2022 and 2021.

PARTICIPANT ACCOUNTS

Each participant's account is credited with his or her payroll reduction contributions, the Company matching contributions and investment earnings, and an allocation of discretionary, qualified, and non-elective contributions and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. The forfeitures may be used to offset Company matching contributions or administrative expenses. At both December 31, 2022 and 2021, forfeited, non-vested accounts totaled \$0. There were \$26 and \$60 of forfeitures used to offset the Company’s matching contributions in 2022 and 2021, respectively. In 2022 and 2021, no forfeitures were used to offset the Plan’s administrative expenses.

VESTING

Participants are immediately vested in their contributions and QACA matching contributions plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

Vesting in the remainder of their accounts is based on years of service according to the following schedule:

Years of Service	Vesting %
Less than 1 year	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 years or more	100%

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, separation of service, or reasons of proven financial hardship, a participant is entitled to receive a distribution of his or her vested account balance in the form of an annuity (joint and survivor, or life, depending on marital status), or a lump-sum payment. However, if the vested account balance is less than \$1,000, the amount will be automatically rolled over into an IRA regardless of whether the participant elects to receive it, if the participant makes no other election.

In the case of either retirement after age 65 or death during employment, the participant becomes 100% vested in his or her account balance. A participant may receive a distribution up to their vested interest in their account, if they experience undue financial hardship. A participant may also receive an in-service distribution upon attainment of age 59½. The Plan, in line with the Internal Revenue Service (“IRS”) rules, also requires the participants to receive required minimum distributions upon attainment of age 72.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow 50% of their vested account balance, from a minimum of \$1,000 up to a maximum of \$50,000. Loan terms range from one to five years or up to twenty years for the purchase of a primary residence. Loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

ADMINISTRATIVE EXPENSES

All administrative expenses are paid by the Plan.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by its investment advisors. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on the investments purchased and sold, as well as held, during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2022 and 2021.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through September 6, 2023, the date these financial statements were available to be issued. Other than the matter noted below, there were no other events identified that required recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the custodian of the Plan for the period January 1, 2021 to April 20, 2021, and by Newport Trust Company, the custodian of the Plan for the period April 21, 2021 to December 31, 2022. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GAAP are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies – Investments in registered investment companies (mutual funds) are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Collective trust - The fair value of the underlying assets are used to determine the net asset value (NAV) of the funds. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

THE MAZZELLA COMPANIES SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan has applied the practical expedient in ASC 820, *Fair Value Measurement*, for assets valued at NAV, therefore the collective trust is excluded from the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Registered investment companies	<u>\$39,775,396</u>	\$39,775,396
Investment measured at Net Asset Value ^(a)		
Collective trust		<u>2,162,757</u>
Investments at Fair Value		<u>\$41,938,153</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Registered investment companies	<u>\$46,540,899</u>	\$46,540,899
Investment measured at Net Asset Value ^(a)		
Collective trust		<u>1,639,863</u>
Investments at Fair Value		<u>\$48,180,762</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust	\$2,162,757	N/A	Daily	12 Months

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust	\$1,639,863	N/A	Daily	12 Months

NOTE 5 – TAX STATUS

Effective January 1, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with a cash or deferral arrangement. The Non-Standardized Pre-Approved Profit-Sharing Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Profit-Sharing Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Non-Standardized Pre-Approved Profit-Sharing Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Non-Standardized Pre-Approved Profit-Sharing Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PARTIES-IN-INTEREST TRANSACTIONS

The Plan makes loans to plan participants who are considered to be parties-in-interest.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
