INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Consumer Reports 401(k) Plan for Management/Exempt Employees

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Consumer Reports 401(k) Plan for Management/Exempt Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Consumer Reports 401(k) Plan for Management/Exempt Employees

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Consumer Reports 401(k) Plan for Management/Exempt Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

General

Consumer Reports 401(k) Plan for Management/Exempt Employees (the "Plan") is a defined contribution plan established on January 1, 1984, covering eligible employees of Consumer Reports, Inc. ("CR" or the "Plan Administrator"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator is responsible for oversight of the Plan. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Eligibility

Each employee of CR is eligible to participate in the Plan on the first day of any pay period following employment with CR, and upon meeting the following requirements:

- Attaining 21 years of age; and
- Not in a bargaining unit.

Contributions

Participants may direct CR to deposit any flat dollar amount or whole percentage of their annual compensation directly into their Plan accounts on a before-tax basis, subject to Internal Revenue Service ("IRS") limitations. Participants can also elect to contribute to the Roth 401(k) option. CR's matching contribution for Plan year 2022 and 2021 was 50 cents and 33-1/3 cents, respectively, for each pre-tax dollar contributed by a participant, up to a maximum employer contribution of 2% of the participant's salary. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Employees are eligible for CR's matching contribution after having completed six months of service.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

In addition, all participants who have completed the eligibility requirements and do not participate in the Consumer Reports, Inc. Pension Plan for Management/Exempt Employees ("Defined Benefit Plan") receive an annual employer profit-sharing non-matching contribution of 8% of the participant's salary.

Participant Accounts

Each participant's account is credited with the participant's contribution, CR's matching and non-matching contributions, and Plan earnings on both employer and employee contributions to the various investment funds.

Upon enrollment in the Plan and anytime thereafter, a participant may select from various investment vehicles offered by the Plan to which contributions on their behalf will be directed.

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow against the value of their accounts. The maximum amount of the borrowings shall not exceed the lesser of (a) \$50,000 or (b) 50% of the participant's account. The funds required to satisfy a borrowing request are withdrawn on a pro-rata basis from the various investment funds in the participant's account. The loans generally must be fully repaid within five years. Loans for a primary residence may be repaid within a reasonable time based on the discretion of the Plan Administrator. The loans are secured by the vested balance in the participant's account and bear interest at a rate determined by the Plan Administrator. Interest rates on outstanding loans range from 4.25% to 7.50%, maturing on various dates through 2051. Principal and interest are re-paid ratably through payroll deductions.

Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, participants defaulted on loans amounting to \$51,360 and \$-, respectively. Vanguard Fiduciary Trust Company ("Vanguard" or the "Custodian") has issued 1099s to report the income generated from the defaulted loan balances to the participants.

Vesting

Participants are immediately vested in all employee and employer matching contributions made to their respective accounts plus actual earnings thereon. During 2022, participants are fully vested in the 8% employer profit-sharing non-matching contributions after four years non-matching contributions at the rate of 20% per annum. During 2021, participants are fully vested in the 8% employer profit-sharing non-matching contributions after five years non-matching contributions at the rate of 20% per annum.

Payment of Benefits

Upon termination of service, death, disability, or normal or early retirement, participants or their beneficiaries may elect to receive a lump-sum amount equal to the vested value of their account or may waive receipt of a lump-sum benefit and elect to receive monthly installments, or may request a rollover from the Plan to another eligible retirement plan. Hardship withdrawals are permitted if certain criteria are met.

Forfeitures

As of December 31, 2022 and 2021, the forfeited non-vested account totaled approximately \$377,728 and \$265,446, respectively. Forfeitures are used to reduce employer contributions. During 2022 and 2021, contributions were reduced by \$- and \$89,949 from forfeited non-vested accounts, respectively.

Transfers

Transfers from the Consumer Reports 401(k) Plan for Guild-Represented Employees (the "Guild Plan") represent plan accounts for individuals who are no longer members of the CR bargaining unit and, therefore, are not eligible to continue participation in the Guild Plan. These participants are provided the option of transferring the balance in their accounts to the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

**CONSUMER REPORTS 401(k) PLAN
FOR MANAGEMENT/EXEMPT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by CR and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by CR and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through September 13, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in combinations of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

4. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's assets measured at fair value on a recurring basis categorized by U.S. GAAP's valuation hierarchy as of December 31, 2022 and 2021:

Description	Fair Value at December 31, 2022	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	\$ <u>102,371,081</u>	\$ <u>102,371,081</u>	\$ -	\$ -
Total investments in fair value hierarchy	102,371,081	\$ <u>102,371,081</u>	\$ -	\$ -
Investments measured at net asset value ⁽¹⁾	<u>88,719,790</u>			
Investments at fair value	\$ <u>191,090,871</u>			
Description	Fair Value at December 31, 2021	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	\$ <u>211,729,505</u>	\$ <u>211,729,505</u>	\$ -	\$ -
Total investments in fair value hierarchy	211,729,505	\$ <u>211,729,505</u>	\$ -	\$ -
Investments measured at net asset value ⁽¹⁾	<u>12,814,329</u>			
Investments at fair value	\$ <u>224,543,834</u>			

⁽¹⁾ Includes collective trust fund which is measured at net asset value (the "NAV") as a practical expedient and is not classified in the fair value hierarchy. The investments in collective trust funds are valued at the NAV per unit, as determined by the trustee at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund less its liabilities. The fair value amounts presented in these tables are shown for the purpose of reconciling to the accompanying statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds are valued at quoted market prices, which represent the NAV of the securities held in such funds. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are actively traded.

Collective trust is made up of a wide variety of underlying investments such as equities, preferred stocks, bonds and mutual funds. The majority of the underlying securities have observable Level 1 quoted pricing inputs; however, the NAV is not publicly quoted.

FOR MANAGEMENT/EXEMPT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value or certain financial instruments could result in a different fair value measurement at the reporting date.

5. NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments with a NAV per share at December 31, 2022 and 2021:

Fair Value Estimated Using Net Asset Value per Share December 31, 2022					
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust	\$ <u>88,719,790</u>	\$ <u>-</u>	Daily	None	None
Fair Value Estimated Using Net Asset Value per Share December 31, 2021					
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust	\$ <u>12,814,329</u>	\$ <u>-</u>	Daily	None	None

6. PLAN TERMINATION

Although it has not expressed any intention to do so, CR has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their accounts.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of CR. No such officer or employee receives compensation from the Plan. Additionally, substantially all administrative expenses are paid directly by CR.

Certain of the Plan's assets are invested in mutual funds managed by Vanguard, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

8. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information prepared by the Vanguard, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Vanguard that such information is complete and accurate.

9. TAX STATUS

The Plan adopted a prototype plan document sponsored by Vanguard. Vanguard received an opinion letter from the IRS dated March 31, 2008, which states that this prototype document satisfied the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of such code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.
