INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Professional Plastics, Inc. 401(k) & Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Professional Plastics, Inc. 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Professional Plastics, Inc. 401(k) & Profit Sharing Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Professional Plastics, Inc. (the "Plan Sponsor") and the following participating employers: Adapt Plastics, Inc., Hi-Tech Polymers, Inc., Precision Machining & Fabrication, LLC, SPI/Semicon, Inc., and SciCron Technologies Limited, LLC. The Plan Sponsor and the participating employers are collectively referred to herein as the "Employer." The Plan was originally adopted on July 1, 1985 and was established to enable eligible employees to save for retirement. The Plan is intended to satisfy the provisions of Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective August 19, 2021, the Plan was amended and restated to conform the Plan to changes in the IRC.

Plan Administration

Fidelity Management Trust Company (the "Custodian") is the Plan's custodian and trustee. An affiliate of the Custodian, Fidelity Investments Institutional Operations Company, Inc., serves as the Plan's recordkeeper. The Plan Sponsor and certain members of management are the plan administrators.

Eligibility

Employees are eligible to participate in the Plan and make participant contributions upon meeting the service requirement of one month and the attainment of age 21. Upon completion of the service requirement, the participant will enter this portion of the Plan on the first day of the month following completion of the service requirement.

Prior to October 15, 2021, participants were entitled to employer matching and non-elective contributions after one year of service (with at least the completion of 1,000 hours of service). Effective October 15, 2021, the Plan was amended to allow for participants to be entitled to employer matching contributions after the completion of one month of service and to enter this portion of the Plan on the first day of the month following completion of the service requirement.

NOTE 1 - DESCRIPTION OF PLAN, continued

Contributions

Each participant may elect to contribute up to 75% of his or her eligible compensation to the Plan, subject to certain IRC limitations, up to a maximum amount of \$20,500 for the 2022 plan year. Effective August 19, 2021, all or part of the participant deferral contribution may be designated by the participant as a Roth Deferral (after-tax) contribution. The Plan provides for an automatic deferral of 4% of eligible compensation for employees that become eligible on or after May 2, 2018, unless the employee selects an alternative deferral amount or elects not to defer under the Plan.

Eligible employees who are age 50 or older are eligible to make additional catch-up contributions. For 2022, the limit on catch-up contributions was \$6,500. Participants may also rollover amounts representing distributions from other qualified plans.

The Plan allows for discretionary matching employer contributions. The Employer currently matches 50% of the first 4% of the eligible compensation contributed by each participant for each payroll period. During 2022, the Employer's matching contributions to the Plan totaled \$633,477.

The Plan also permits the Employer to make discretionary employer contributions to participants' accounts. The discretionary employer contributions are allocated to participants in the same ratio as each participant's compensation bears to the total compensation of all participants for the Plan year. For the year ended December 31, 2022, there were no discretionary employer contributions made to the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the discretionary matching employer contributions and other discretionary employer contributions, plus earnings thereon, is based on years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2022 and 2021 and
For The Year Ended December 31, 2022**

NOTE 1 - DESCRIPTION OF PLAN, continued

Forfeited Accounts

Forfeited amounts from terminating participants' non-vested accounts may first be used to pay any Plan administrative expenses, and then to reduce employer contributions for the Plan year in which the forfeiture occurs. During the year ended December 31, 2022, the Plan used forfeitures of \$36,453 to reduce employer matching contributions. At December 31, 2022 and 2021, there were forfeited non-vested amounts held by the Plan of \$1,092 and \$503, respectively.

Participants' Accounts and Investment Options

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions made on behalf of the participants are invested in various funds according to participant elections. In addition, participants have the option to direct investments through a self-directed brokerage account. Under the self-directed brokerage account, participants may direct investments in many eligible security types other than the other investments offered by the Trustee within the Plan. Participants may change their investment allocations at any time directly with the Trustee via telephone or Internet access.

Payment of Benefits

Upon termination of service including death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

For participants still employed by the Employer and under the age 59½, a withdrawal from the participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. However, such hardship distributions are subject to a 10% excise tax in addition to being taxable to the participant. There were 21 hardship withdrawals during the year ended December 31, 2022, totaling \$53,225.

Participant Loans

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates. Loans must be repaid within five years unless the loan was for the purchase of a principal residence; in this case, the repayment period may not extend beyond 10 years from the date of the loan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Net appreciation or depreciation for the period is reflected in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits. At December 31, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to participant contributions. Excess contributions payable were \$0 and \$40,723 as of December 31, 2022 and 2021, respectively.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Plan expenses include loan, distribution and administration fees paid to Fidelity. Fees related to the administration of notes receivable from participants and distribution fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation in fair value of investments.

During the year ended December 31, 2022, the Plan incurred administrative expenses totaling \$59,721. Administrative fees paid to Fidelity may be reduced to the extent Plan assets are invested in certain Fidelity and non-Fidelity investment products. Plan expenses were reduced by \$18,274 during the year ended December 31, 2022 as a result of such investments. Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurements* (“ASC 820”) defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Mutual Funds/Money Market Fund

Investments in mutual funds and the money market fund are stated at fair value as determined by quoted market prices based on the net asset value (“NAV”) of shares held by the Plan at year-end. The Plan’s mutual funds and money market fund are classified as Level 1 investments.

Self-Directed Brokerage Accounts

Self-directed brokerage accounts allow participants to invest in a broad range of securities, including common stock and mutual funds, and are valued using quoted market prices of the underlying investments in active markets (Level 1 investments). These accounts may also include uninvested cash recorded at carrying value, which approximates fair value.

NOTE 3 - FAIR VALUE MEASUREMENTS, continued

As of December 31, 2022 and 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2022		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
			Total
Mutual funds	\$ 23,159,263	\$ -	\$ 23,159,263
Money market fund	1,927,161	-	1,927,161

	<u>\$ 26,746,255</u>	<u>\$ -</u>	<u>\$ 26,746,255</u>

	December 31, 2021		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
			Total
Mutual funds	\$ 25,412,347	\$ -	\$ 25,412,347
Money market fund	1,605,994	-	1,605,994
Self-directed brokerage accounts	<u>2,104,993</u>	<u> </u>	<u>2,104,993</u>
	<u>\$ 29,123,334</u>	<u>\$ -</u>	<u>\$ 29,123,334</u>

NOTE 4 - TAX STATUS

The Plan has adopted a prototype plan of Fidelity (the "Prototype Plan") conforming the design and operations of the Plan to the Prototype Plan. Fidelity received a favorable determination letter from the IRS for the Prototype Plan on June 30, 2020, indicating that the Plan is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the Prototype Plan and with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan's future operations.

401(k) & PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2022 and 2021 and
For The Year Ended December 31, 2022**

NOTE 4 - TAX STATUS, continued

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2019.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 6 - SUMMARY OF UNAUDITED INFORMATION

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Total investment loss, net, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022;
- The fair value of investments as disclosed in Note 3; and

- Schedule I: Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, except notes receivable from participants of \$442,705.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are in investments managed by the Custodian. In addition, the Plan has loans with its participants. Both the Custodian and participants are considered parties-in-interest under ERISA. Fees paid by the Plan for administrative and advisory services provided by Fidelity Investments Institutional Operations Company, Inc. and Strategic Advisors, Inc., affiliates of the Custodian, amounted to \$59,721 for the year ended December 31, 2022. All of these transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of money market and mutual funds with different investment strategies and in participant-direct brokerage accounts. These investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of those investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net decrease in net assets available for benefits as presented in the statement of changes in net assets available for benefits to Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (2,316,343)
Add: excess contributions refunded in 2022	<u>(40,723)</u>
Net decrease in net assets available for benefits per Form 5500	\$ <u>(2,357,066)</u>
