FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

MILLER KAPLAN

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
BLVD Residential Inc. 401(k) Plan
4080 Campbell Avenue
Menlo Park, California 94055

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of BLVD Residential Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of BLVD Residential Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan was established January 1, 1988 to provide retirement benefits to eligible employees of BLVD Residential Inc., formerly known as R.W. Zukin Corp. (the "Company"). The Plan was most recently amended and restated effective January 1, 2019. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("Empower"), formerly known as Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, are the trustee and custodian of the Plan. An Empower affiliate, Empower Retirement, is third-party administrator of the Plan and is responsible for maintaining participant records.

Participants accounts are charged asset based fees for record keeping and other administrative costs. Empower Retirement receives revenue sharing payments from Plan investment funds that are credited to participants who are invested in these funds. Fees for certain participant elective transactions are charged directly to participant accounts. Other costs of administering the Plan are paid for by the Company.

C. Eligibility

The Plan explicitly excludes nonresident aliens, collectively bargained employees, and temporary, part time and seasonal employees whose regularly scheduled service is less than 1,000 hours per year. Substantially all other employees of the Company who have attained age 21 are eligible to participate. Employees may enter the Plan on the first day of the month following attainment of eligibility.

D. Participant Contributions

Participants may elect to make pre-tax and/or Roth after-tax contributions to the Plan. Contributions are limited to applicable Code limits. Participants of age 50 or older may make up to $6,500 of additional catch-up contributions for 2022. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation.

E. Employer Contributions

The Company makes safe harbor matching contributions equal to 100% of the first 3% and 50% of the next 2% of eligible compensation deferred by each participant. The Plan permits additional matching and nonelective contributions at the Company's discretion. No additional discretionary employer contributions were made in 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions and safe harbor matching contributions. A participant's vested percentage in accounts attributable to Company discretionary contributions, if any, is determined under a schedule that provides for full vesting after six years of credited service. Forfeitures of terminated participants' non-vested accounts may be used to reduce Company contributions or used to pay Plan expenses. During 2022, approximately $9,500 in forfeitures were utilized to fund employer contributions to the Plan. The forfeiture account balance was approximately $1,400 as of December 31, 2022.

G. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions, and an allocation of Plan earnings or losses and expenses. Participants direct the investment of their accounts among a diversified group of investment funds provided under the Plan.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. The Plan provides early retirement to participants at age 55 who have completed their 6th year of participation. Participants are eligible for benefits upon attainment of age 59½, retirement, disability, or termination of service. Benefits are payable in a lump sum or installments. The Plan provides for mandatory distribution of accounts that are valued at $5,000 or less. Hardship distributions are permitted from participant elective deferral accounts under limited circumstances on approval by the plan administrator. Benefits are recorded when paid.

I. Notes Receivable from Participants

The Plan allows participants to borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at a fixed rate commensurate with rates charged by commercial lenders for similar types of loans, and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence, in which case the maximum repayment period may be extended. Notes receivable from participants at December 31, 2022 carry an interest rate of 4.25% to 8.00%.

Notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition

Plan investments are stated at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made to the account plus earnings less withdrawals and expenses. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividends and interest. Net (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan meets requirements for tax-exempt status. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered under the Plan are issued by Great-West and its affiliate Putnam Investments. Purchases and sales of these funds and payment of Plan administrative fees from Plan assets are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition against party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year) including investments held at December 31, 2022 and 2021, and investment income for the year then ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees, Empower Trust Company, LLC and Empower Annuity Insurance Company of America.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical assets in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. Plan investments included in the fair value hierarchy consist of mutual funds which are valued at closing market prices, deemed to be actively traded and are thereby valued based on Level 1 inputs.

	Level 1	
	2022	2021
Mutual Funds	$ 115,183	$ 104,384

NOTE 8 - COMMON/COLLECTIVE TRUSTS

Units of investment in common/collective trusts are measured at fair value using net asset value per unit as a practical expedient. There are no unfunded commitments or redemption restrictions pertaining to Plan investments in common/collective trusts. The fund managers file Forms 5500 as direct filing entities for these accounts pursuant to 29 CFR 2520.103-9.

NOTE 9 - GUARANTEED INTEREST FUND

Investments in the Empower Guaranteed Interest Fund are maintained in a general account by Empower. Empower is contractually obligated to repay principal and a specified interest rate to the Plan. Because the fund is a fully benefit-responsive investment, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to this fund. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value. The crediting interest rate of the fund is based on a formula. The average yield earned by the Plan was 1.18% and 1.15% for the years ended December 31, 2022 and 2021, respectively.

Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Portfolio Fund. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 10 - SUBSEQUENT EVENT

Subsequent to year end the Company elected to change trustee and record keepers. Effective March 31, 2023, Vestwell will serve as trustee of the Plan and an affiliate of Vestwell will provide recordkeeping and third-party administrative services to the Plan.

Management has evaluated subsequent events through September 28, 2023, the date on which the financial statements were available to be issued. Other than the disclosure above, there are no other subsequent events that require recognition or additional disclosure in the Plan's financial statements.
