Independent Auditors' Report

To the Administrative Committee of
Big League Dreams 401(k) Plan
Chino Hills, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Big League Dreams 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to benefits provided under the Plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BIG LEAGUE DREAMS 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Big League Dreams 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information of the Plan's provisions. The Plan is a defined contribution plan and was adopted on July 27, 2007.

Eligibility

The Plan covers substantially all employees of Big League Dreams USA, LLC and its subsidiaries and affiliates (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The employee must have completed six months of service and be at least 21 years of age to be eligible to participate in the Plan and receive employer discretionary matching and non-elective contributions (if any).

Contributions

Each participant may contribute up to 90% of eligible compensation deferred and designated as an employee savings contribution, subject to Internal Revenue Service ("IRS") regulation limitations. The participants may designate all or part of their deferred compensation as Roth contributions. The Plan allows rollover contributions from other qualified retirement plans and catch-up contributions for participants over 50 years old.

The Company may make a discretionary matching contributions each Plan year in an amount to be determined by the Company. The participant must complete at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year to be eligible to receive matching contributions for the year, if any. The Company may also make non-elective contributions to the Plan. For the year ended December 31, 2022, the Company did not make any discretionary matching or non-elective contributions.

Participant Accounts

Separate accounts are maintained for each participant which are adjusted for employee deferrals, rollover contributions, employer discretionary matching contributions and allocations of forfeitures, administrative expenses and investment earnings. Allocations are based on participant earnings or account balances, as defined. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account. Participants direct all investment transactions within their accounts.

Forfeitures

Forfeitures may be used to reduce the Company's discretionary matching and non-elective contributions to the Plan. During the year ended December 31, 2022, the Plan had no forfeitures.

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Vesting

Participants are 100% vested in their deferrals and rollover contributions plus the actual earnings thereon. The Company's discretionary matching contributions and non-elective contributions and the related earnings thereon vest at 20% per year, after the first year of service.

Funding Policy

The Company is required to make all employee savings and employer discretionary matching and non-elective contributions under the Plan for each taxable year. In no event shall the amount contributed by the employer in any year exceed the maximum deductible by the employer under Section 404(a)(3) of the Internal Revenue Code ("IRC").

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, the participants may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. The Plan also allows in-service withdrawals and contains minimum distribution requirements for participants who attain the age of seventy and a half (70.5).

Notes Receivable from Participants

The Plan's does not allow participant loans.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Expenses

Most of the Plan's administrative expenses that include investment fees and recordkeeping costs are paid by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Plan's Fiscal Year

The Plan's fiscal year is from January 1 to December 31.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Income is recognized when earned and expenses are recognized when incurred. Benefit payments are recorded when distributed by the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and by the Plan's trustee. See Note 5 for discussion of fair value measurements.

Sales and purchases of investments are accounted for on a trade-date basis, interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits

Benefit payments to participants are recorded when paid.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments which potentially subject the Plan to concentration of credit risk consist of investments, which are placed with high credit quality financial institutions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report, which is the date the accompanying financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY PLAN'S TRUSTEE

The Plan administrator has elected to have the audit of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Plan's trustee, has certified that the following investment information is complete and accurate:

* Fair value of investments as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.

* Investment income as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

* Investment information reflected in the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

As permitted by ERISA Section 103(a)(3)(C), the audit did not extend to any statements or information related to the certified investment information.

NOTE 4 - PARTY-IN-INTEREST

Certain Plan investments are units of mutual funds managed by subsidiaries or affiliates of Fidelity Management Trust Company. Therefore, transactions involving such funds qualify as party-in-interest, as defined by the applicable ERISA rules and regulations. Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. For the year ended December 31, 2022, no direct fees were paid by the Plan to the trustee for administrative or other services.

NOTE 5 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures* ("ASC 820"), establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other then quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021.

Mutual Funds and Money Market Funds: Valued at the daily closing price as reported by the fund. These funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

NOTE 5 - FAIR VALUE MEASUREMENTS - CONTINUED

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis:

	Fair Value Measurements at December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 3,610	$ -	$ -	$ 3,610
Total mutual funds	1,102,980	-	-	1,102,980
Total investment assets at fair value	$ 1,106,590	$ -	$ -	$ 1,106,590

	Fair Value Measurements at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 13,912	$ -	$ -	$ 13,912
Total mutual funds	1,640,743	-	-	1,640,743
Total investment assets at fair value	$ 1,654,655	$ -	$ -	$ 1,654,655

For years ended December 31, 2022 and 2021, there were no transfers between Levels 1, 2 and no transfers in or out of Level 3.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7 - TAX STATUS

The Plan was adopted as a version of a prototype plan. In its opinion letter dated June 30, 2020, the IRS has stated that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan administrator and the Plan's trustee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes have been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - COVID-19 AND CARES ACT

The novel coronavirus (or "COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally, and locally. These economic and market conditions and other effects of the COVID-19 pandemic may adversely affect the volatility of Plan assets. The extent of any adverse impact of the COVID-19 pandemic on the Plan participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits are unknown at this time. Although the pandemic caused business disruption and temporary closings of the Company's facilities, operations of the Plan have not been adversely impacted.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Acts ("CARES Act") was passed into law, which was aimed at providing financial relief to small businesses and their employees amid the COVID-19 pandemic. The CARES Act contains various provisions impacting qualified retirement plans and their participants. These provisions may be adopted by plans immediately while implementing amendments at a later date. These provisions include relief from the 10 percent withdrawal penalty for participants under the age of 59.5 years for coronavirus-related distributions, as defined in the law, up to $100,000 per participant; higher limits on the amount of new loans participants may request and temporary relief from loan repayments on existing loans; and relief from required minimum distributions for retirement age participants. Some of these provisions have been adopted by the Plan. Where amendments to the Plan would be required, the CARES Act permits employers to formalize the amendments by December 31, 2025. All such amendments will be retroactively effective to March 27, 2020, or a later stated effective date. The Plan is currently evaluating the need for any amendments to the Plan document.
