Independent Auditor's Report

To the Plan Administrator and Trustees of the Lockwood/McKinnon Company, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Lockwood/McKinnon Company, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 14, 2022 (in liquidation) and December 31, 2021, and the related statements of changes in net assets available for benefits for the period of January 1, 2022 to November 14, 2022 (in liquidation) and for the year ended December 31, 2021, and the related notes to the financial statements .

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 14, 2022 and December 31, 2021 and for the period of January 1, 2022 to November 14, 2022 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the management of the Plan approved a plan of liquidation on September 7, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood

that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

As of November 14, 2022 (in liquidation) and December 31, 2021 and for the Period of January 1, 2022 to November 14, 2022 (in liquidation) and the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Lockwood/McKinnon Company, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and Plan Document for a more complete description of the Plan’s provisions.

Effective September 7, 2022, and in accordance with termination agreement, the plan has been terminated and no additional benefits were earned subsequent to the termination date and the Plan administrator began the process of making final distributions, in accordance with the terms of the Plan. Participants were allowed to distribute funds from their accounts.

General

The Plan was a defined contribution plan established by Lockwood/McKinnon Company, Inc. (the “Company”) for the benefit of eligible employees of the Company. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan’s custodian was Ascensus Trust Company (the “Custodian” and “Ascensus”).

Eligibility

To become eligible for participation, an employee was required to be at least age 21 and have completed one year of service and worked a minimum of 1,000 hours. The employee was added as a participant in the Plan on the first day of January or July following the date in which they become eligible.

Participant Contributions

Prior to termination, participants were permitted, but not required to, contribute to the Plan. Contributions were permitted up to the maximum percentage allowable, not to exceed the limits of the Internal Revenue Code (“IRC”). Participants were allowed to change their elective deferral amounts throughout the year. The Plan allowed participants to make pre-tax and Roth (after-tax) contributions.

The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants saw their initial deferral rate set at 2% which was adjusted by an automatic annual increase in the deferral rate by 1% each plan year up to a maximum auto-deferral of 5%.

See independent auditor's report.

Lockwood/McKinnon Company, Inc. 401(k) Plan

Active participants could, at the discretion of the Plan Administrator, contribute to the Plan distributions from other qualified plans or individual retirement accounts, if the contributions satisfied the tax law requirements for a qualified rollover.

Employer Contributions

Prior to termination, the Company provided a discretionary matching contribution in an amount equal to 15% of each participant's elective deferral (pre-tax and Roth) not to exceed 8% of the participant's compensation.

The Company was also allowed to make discretionary profit sharing contributions to the Plan.

Vesting

Participants were fully vested in that portion of their account attributable to salary deferral contributions, rollover contributions and related investment earnings. Upon the termination of the Plan, participants became 100% vested in their accounts.

Forfeitures

Forfeitures resulted when participants terminated employment before becoming fully vested. Forfeitures were used to pay any administrative expenses and to reduce the Company's matching contributions. At November 14, 2022 and December 31, 2021, forfeited non-vested accounts amounted to \$0 and an immaterial balance, respectively.

Investment Options

Prior to termination, participants directed the investment of their deferrals, and any employer matching and profit sharing contributions, to any investment funds offered by the Plan. Earnings in these funds and/or market gains or losses reflected their changing unit values or returns.

Notes Receivable from Participants

Prior to termination, loans were permitted however could not be issued in an amount less than \$1,000 or greater than \$50,000, reduced by the participant's highest outstanding loan balance in the prior twelve month period and limited to 50% of a participant's vested interest in the Plan. Loans were secured by up to 50% of the participant's vested interest in the Plan. Each loan carried a fixed interest rate as determined by the Plan Administrator. Loans were generally required to be repaid through regular payroll deductions within five years of the date the loan was made, unless such loan was to acquire a principal residence in which case the term may be extended. A participant was not allowed to have more than one loan outstanding at any time.

Lockwood/McKinnon Company, Inc. 401(k) Plan

If a loan was not repaid within its stated period, or upon default, the outstanding balance of the loan was deemed distributed to the participant. A loan was considered to be in default if any scheduled repayment remained unpaid as of the end of the calendar quarter following the calendar quarter in which the missed payment was due. Defaulted loans in the amount of \$42,929 and \$5,006 were deemed distributed during 2022 and 2021, respectively, and are included in benefits paid to participants.

Distributions

On termination of service due to death, disability, dismissal, voluntary termination, or retirement, a participant could elect to receive an amount equal to the current value of the participant's vested interest in their account. Distributions under the Plan were paid as lump sum payments.

A participant who reached age 59½ was entitled to withdraw 100% of their vested account balance. Distributions could also be made as in-service hardship withdrawals, as defined.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Due to the decision to terminate the Plan during 2022, management determined that liquidation of the Plan is imminent and the financial statements for 2022 have been prepared using the liquidation basis of accounting. The 2021 financial statements were prepared as a going concern on the accrual basis of accounting.

Use of Estimates

The presentation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments in money market accounts and mutual funds are reported at fair value. Prior to termination, the Company determined the Plan's valuation policies utilizing information provided by investment advisors and its Custodian. See Note 4 for further discussion of investment valuation.

Investment security transactions (purchases and sales) were recognized on the trade date. Interest income was recorded on the accrual basis. Net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses. Gains and losses on the sale of investments were calculated using the average cost method.

See independent auditor's report.

Benefit Payments

Benefits were recorded when paid.

Administrative Expenses

Certain costs of the Plan were paid by the Company for the period of January 1, 2022 to November 14, 2022 and year ended December 31, 2021.

Administrative fees charged to the Plan as shown on the Statements of Changes in Net Assets Available for Benefits relate to fees charged to the participants for recordkeeping and information management or participant loan processing that are deducted from their asset balances. Investment related expenses are presented net of investment income (loss) in the Statements of Changes in Net Assets Available for Benefits.

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments were managed by its Custodian, Ascensus, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Custodian amounted to \$65,717 and \$42,555 for the period of January 1, 2022 to November 14, 2022 and year ended December 31, 2021, respectively. Fees paid for investment management services are included as a reduction of the return earned on these investments.

6. TAX STATUS

The Company adopted a prototype plan, which the IRS determined, as stated in a letter dated January 1, 2018, was acceptable under the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of November 14, 2022 and December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan Administrator believes the Plan is no longer subject to examinations for years prior to December 31, 2019.

7. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 22, 2023, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
