STATEMENT BY ENROLLED ACTUARY

In my opinion, the assumptions used in preparing the Schedule SB, to which this certification is attached, for the above mentioned plan (a) are in the aggregate reasonably related to the experience of the Plan and to reasonable expectations, and (b) represent my best estimate, as of the valuation date, of anticipated experience under the Plan. The schedule and the accompanying attachments, which describe the actuarial assumptions and methods employed and summarize the principle eligibility and benefit provisions upon which the valuation was based, are complete and accurate to the best of my knowledge.

In preparing this report, I have relied upon information on plan participants as provided by the employer, the plan administrator, and/or the employer's tax advisor, and financial information regarding the plan assets for this pension plan supplied by the employer and/or the plan's investment manager. All values are based upon valuation data provided for the preparation of the Actuarial Valuation.
