## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Viocity Group 401(k) Plan  
Manheim, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Viocity Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Viocity Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Viocity Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Viocity Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Viocity Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Viocity Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Compiled Financial Statement - 2021**

Plan management is responsible for the accompanying financial statement of Viocity Group 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2021 and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the

financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

## **Other Matters**

### *2022 Supplemental Schedule Required by ERISA*

The supplemental schedule of the Schedule of the Assets Held for Investment Purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Viocity Group 401(k) Plan**

### **Notes to Financial Statements**

#### **Note 1 – Plan Description**

The following description of the Viocity Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan (previously named the Herr & Sacco, Inc Profit Sharing Plan), established as of October 1, 1970, and restated on January 1, 2022, is a defined contribution plan covering eligible employees of Viocity Group LLC and other participating employers (RSR Electric LLC; Keystrect Construction, LLC; and Herr & Sacco, Inc (the “Companies”)) who have completed 6 months of consecutive service in order to be eligible for employee deferrals and safe harbor contributions, and 1,000 hours, or one year of service, for employer matching and nonelective contributions, and who have attained the age of eighteen. The plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s offerings and monitors investment performance.

Plan Merger – On January 1, 2020, Viocity Group LLC completed its acquisition of Keystrect Construction, LLC. Effective January 1, 2022, the Keystrect Construction, LLC Profit Sharing and 401(k) Plan was merged into the Viocity Group 401(k) Plan and Keystrect Construction, LLC became a participating employer. All assets held by the Keystrect Construction, LLC Profit Sharing and 401(k) Plan were liquidated to \$1,791,742 of cash and transferred to the Viocity Group 401(k) Plan during the year ended December 31, 2022.

Contributions – Each year, participants may contribute up to 100% of eligible compensation, not to exceed the annual amount permitted by Federal law. Eligible employees are automatically enrolled at 4% of compensation to be deferred to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Companies make safe harbor contributions to each eligible participant equal to 4% of compensation. For the year ended December 31, 2022, the Plan made safe harbor contributions of \$359,755.

The Companies may also make discretionary matching and nonelective (prevailing wage) contributions. There were no such contributions made for the Plan year ended December 31, 2022.

Participant Accounts – Each participant's account is credited with the participant's deferred compensation and the participant's share of the employer contributions, an allocation of plan earnings or losses based on the participant's directed investment accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary and safe harbor contributions plus actual earnings thereon. Participants are vested in discretionary employer contributions plus actual earnings thereon based on years of continuous service. A participant is 100% vested after six years of credited service.

**Notes to Financial Statements**

**Note 1 – Plan Description – Continued**

Payment of Benefits – Upon termination of service, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. Automatic distributions will be made to terminated participants with vested balances less than \$1,000. If a terminated participant's vested balance is in excess of \$1,000 but less than \$5,000, the third party administrator will roll over the distribution into an individual retirement account (IRA) absent a distribution direction from the participant. If the terminated participant's vested balance exceeds \$5,000, a written request from the participant is required before distribution. Hardship withdrawals are permitted from any participants' pre-tax and Roth elective deferral accounts.

Forfeitures – If a participant leaves the Companies before becoming fully vested, the Companies may allocate the non-vested portion of the participant's account balance to reduce Plan expenses. If forfeitures are not used to pay Plan expenses, they shall be applied to reduce other employer contributions. During the year then ended December 31, 2022, \$3,659 of forfeitures were used to reduce Plan expenses. The balance of the forfeitures account as of both December 31, 2022 and 2021 was \$0.

**Note 2 – Significant Accounting Policies**

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value as determined and certified by the Plan's Trustee. Mutual funds are valued at quoted market prices, which represent the net asset value of share held by the Plan at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The stable value fund is recorded at fair value based on the underlying assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative expenses will be paid by the Plan unless paid by the Companies. Certain administrative expenses associated with the Plan were paid by the Companies.

Subsequent Events – Events that occurred subsequent to December 31, 2022 have been evaluated by the Plan's management through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

**Notes to Financial Statements**

**Note 3 – New Accounting Standards**

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

**Note 4 – Investments**

During the year ended December 31, 2022, the Plan's investments in mutual funds and stable value funds, including gains and losses on investments bought, sold, and held during the year, depreciated in value by \$2,697,087.

**Note 5 – Fair Value Measurements**

Generally accepted accounting principles in the United States of America have an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

## Notes to Financial Statements

**Note 5 – Fair Value Measurements – Continued**

*Mutual funds:* Valued at quoted market prices, which represent the net asset value (“NAV”) of shares held by the Plan at year end.

*Stable value fund:* The Plan invests in a stable value fund. The Fund is a collective trust that has entered into fully benefit-responsive guaranteed investment contracts and wrapper contracts with banks, insurance companies and other financial institutions, designed to provide principal stability, competitive yields, and liquidity. The Trust is valued at the net asset value of units of the Invesco Stable Value Trust, as reported by the investment managers of the Trust and as supported by unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date resulting in a readily determinable fair value. Participant transactions and redemptions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the Trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner. As of December 31, 2022, there were no unfunded commitments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021, respectively.

## **Viocity Group 401(k) Plan**

### **Notes to Financial Statements**

#### **Note 6 – Plan Termination**

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial Plan termination, affected participants will become 100 percent vested in their accounts.

#### **Note 7 – Party-In-Interest Transactions**

Ascensus Trust Company provided record keeping services to the Plan. Fees paid by the Plan for these services amounted to \$27,747 for the year ended December 31, 2022.

#### **Note 8 – Tax Status**

The Company adopted a non-standardized Pre-approved Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. The opinion letter stated that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan did not apply for a separate determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 9 – Information Prepared and Certified by Custodian**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company, the Custodian of the Plan.

- Investments, at fair value
- Investment income
- Schedule of Assets Held for Investment Purposes

**Notes to Financial Statements**

**Note 10 – Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 11 – Subsequent Event**

On April 1 and August 1, 2023, Nitro Cutting, LLC and VNT Mechanical, LLC, respectively, became participating employers of the Plan.
