September 29, 2023

To the Plan Administrator and Investment Committee of Finalsight Holdings, Inc. 401(k) Plan:

We have audited the financial statements of Finalsight Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022, and we will issue our report thereon dated September 29, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 19, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. During 2022, there were no significant estimates effecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 29, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedules to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of [the Plan Administrator and management of Finalsite Holdings, Inc. 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Fiondella, Milone & LaSarcina LLP

Independent Auditors' Report

To the Plan Administrator of the
Finalsite Holdings, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Finalsite Holdings, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

1. Description of Plan

The following description of the Finalsite Holdings, Inc. 401(k) Plan (the Plan) is provided for general purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established on July 27, 2012, is a defined contribution plan, available to all employees of Finalsite Holdings, Inc. (the Company) who have met the eligibility requirements stipulated by the Plan. The Plan is administered by the management of the Company and is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Effective January 1, 2022, the Company amended the plan document to update matching employer contributions from non-discretionary to discretionary. Additionally, loans are no longer due on termination and instead shall continue to be payable in accordance with the provisions of the loan note.

Effective on January 1, 2022, eligible employees of SchoolAdmin, LLC and SchoolPointe, Inc. are able to participate in the Plan. Effective February 11, 2022, the Company amended the Plan document so that predecessor employer services for participants from SchoolAdmin, LLC and SchoolPointe, Inc. will be recognized when determining eligibility and vesting. In September 2022, the SchoolPointe, Inc. 401(k) Plan, with total assets of \$223,066, was merged into the Plan.

Eligibility

In general, employees are eligible to participate in the Plan upon hire and attainment of age 21. Employees who meet the eligibility requirements can enter into the Plan at any time. Eligible participants are automatically enrolled in the plan at a 6% contribution rate unless they opt out of participation in the Plan or elect a different contribution rate.

Contributions

Each year, participants may contribute a dollar amount or percentage from 1% through 90% of their pretax annual compensation as defined by the Plan. Participant's contributions are subject to limitations imposed by the Internal Revenue Code. Participants may also designate a portion of their contributions as Roth 401(k) contributions, which are taxable to the participant at the time of deferral.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Contributions (continued)

The Company makes discretionary matching contributions each pay period to all eligible participants. During 2022, the discretionary match was equal to 100% of the first 3% and 50% of the next 2% of the Participant's compensation which is deferred as an elective deferral. During 2021, the discretionary match was equal to 50% of the first 6% of the Participant's compensation which is deferred as an elective deferral. Nonelective contributions may also be made at the discretion of the Company. There were no nonelective employer contributions made for 2022.

Investment Options

All of the assets of the Plan are held by Fidelity Management Trust Company. All investments are fully participant directed. Participants may direct the investment of their contributions and the Company matching contribution into any of the Plan's available investment options.

Participant Accounts

The account of each participant reflects a separate record of participant contributions, Company matching and discretionary contributions, withdrawals, expenses, and investment gains and losses.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in the Company's matching contributions, any nonelective employer contributions, and any earnings thereon in accordance with the following schedule. Participants are credited with a year of service for any year in which they work 1,000 hours or more.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1 year	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
At least 5	100%

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowances for credit losses have been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and a minimum of \$1,000 and may only have one loan outstanding at a time. Loans must be repaid over a period of no more than 5 years except in the case of a loan used to acquire a principal residence, in which case the Plan Administrator may permit a longer repayment term. Payments of principal and interest are made through payroll deductions over the loan period. A loan is secured by the vested balance in the participant's account. The loan bears interest at a rate that is determined by the Plan administrator based on prevailing market conditions and is fixed over the life of the note. Interest rates on participant loans ranged from 4.25% to 8.00% in 2022.

Payment of Benefits

Upon a participant's separation from service due to death, disability, termination, or retirement, benefits may be distributed to them in a single lump sum amount equal to the vested value of their account or through installments over a certain period at the participant's election. Active participants may also withdraw funds from their accounts under certain hardship conditions.

If the vested benefit is less than \$5,000, the Plan administrator may initiate an involuntary distribution. Prior to such distribution, the participant has the right to request that the amount be distributed directly to the participant in the form of a lump sum amount or request that it be rolled over to a different IRA provider or another retirement plan eligible to receive rollover contributions.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Forfeitures

Upon a participant's separation from service, unvested contributions are forfeited by the participant and may be used to reduce future employer contributions. Forfeited nonvested accounts totaled \$19,748 and \$12,526 as of December 31, 2022 and 2021, respectively. The Company used \$10,921 in forfeitures to reduce employer contributions for 2022.

Administrative Expenses

All costs related to the administration of the Plan, other than loan servicing fees, are paid by the Company.

2. Summary of Accounting Practices

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests primarily in various mutual fund securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Accounting Practices (continued)

Benefit Payments

Benefits are recorded when they have been approved for payment and paid by the Plan.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of realized and unrealized gains (losses).

Fair Value of Financial Instruments

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices.

The Plan follows ASC 820 for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC 820 defines fair value, establishes a fair value hierarchy, and expands disclosures about fair value measurements.

ASC 820 defines fair value as the price that would be received upon sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability.

The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity. In addition, the fair value of liabilities should include consideration of non-performance risk including the Plan's own credit risk.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

3. Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, certified to the Plan Administrator the following information related to their respective investments as complete and accurate, which has been relied on by the Plan Administrator in the preparation of the Plan's financial statements and related supplemental schedule in compliance with ERISA:

(a) Investments

The cost and fair value of investments, in the aggregate and by fund, as of December 31, 2022 and 2021.

(b) Interest and Dividend Income

The amount of interest and dividend income received by the Plan for the year ended December 31, 2022.

(c) Net Appreciation/(Depreciation)

The amount of appreciation (depreciation) in the fair value of investments, individually and in the aggregate, for the year ended December 31, 2022.

(d) Notes Receivable from Participants

The amount of notes receivable from participants plus any accrued but unpaid interest as of December 31, 2022 and 2021.

(e) Supplemental Schedule

The information provided on the Schedule of Assets (Held at End of Year) as of December 31, 2022.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in the measuring fair value are observable in the market. Each fair value measurement is reported in one of three levels which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Investments measured at fair value, at December 31, and 2022 and 2021, on a recurring basis are summarized below:

Description	Level 1	Level 2	Level 3	Total
2022				
<i>Investments</i>				
Mutual funds	\$ 21,558,728	\$ -	\$ -	\$ 21,558,728
Total mutual funds	\$ 21,558,728	\$ -	\$ -	\$ 21,558,728

Description	Level 1	Level 2	Level 3	Total
2021				
<i>Investments</i>				
Mutual funds	\$ 18,673,423	\$ -	\$ -	\$ 18,673,423
Total mutual funds	\$ 18,673,423	\$ -	\$ -	\$ 18,673,423

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, no further contributions could be made and all amounts credited to participant accounts would become 100% vested.

Finalsite Holdings, Inc. 401(k) Plan

Notes to Financial Statements (continued)

6. Party-in-Interest and Related Party Transactions

During 2022 and 2021, certain plan investments are investments and shares of mutual funds held by Fidelity Management Trust Company. Fidelity Management Trust Company is also the trustee and recordkeeper of the Plan, therefore, these transactions qualify as party-in-interest transactions.

7. Tax Status

The Plan adopted a Prototype Non-Standardized Profit Sharing Plan, an Automatic Data Processing prototype plan. In accordance with Revenue Procedure 2005-16, the Company has chosen to rely on the advisory opinion letter dated July 8, 2014. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the advisory opinion letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

8. Subsequent Events

The Plan has evaluated events occurring between December 31, 2022 and September 29, 2023, the date the financial statements were available to be issued.
