MFA 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MFA 401K Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4i – Schedule of assets (held at end of year) and the Schedule of Delinquent Participant Contributions and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions:

Each year, participants may contribute the maximum amount allowed the Internal Revenue Service, plus Roth IRA contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may elect to make a discretionary matching contribution. The discretionary matching and profit-sharing contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. The total amount contributed to the Plan was in the amount \$1,044,234 and \$561,086 for the plan year ending December 31, 2022, and 2021 respectively.

Participant accounts:

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is based on the participant's vested account.

Vesting:

Participants are fully vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is vested 20% after their first year of service, and an additional 20% each year thereafter. After five full years of credited service, a participant is fully vested. All participants were fully vested during the change in sponsorship.

Investment options:

Participants direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of registered mutual funds as investment options for participants.

Loans to participants:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at the prime rate, as defined by the Plan, and range from 4.25% to 8.00%. Principal and interest is paid ratably through bi-weekly payroll deductions. During the year ended December 31, 2020, as a response to COVID-19, Congress passed legislation that included relief for participants of benefit plans in the CARES Act and the SECURE Act. The Plan adopted the provisions of the CARES Act and the SECURE Act, which allowed qualified individuals to borrow from their fund accounts equal to the lesser of \$100,000 or 100% of their vested balance.

Payment of benefits:

Upon termination of service due to death, disability, retirement, or other reasons, a participant or the participant's estate or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account. Hardship withdrawals are permitted by the Plan. The Plan adopted the provisions of the CARES Act and the SECURE Act in 2020, which allowed qualified individuals to receive payment of benefits up to \$100,000 without the 10% penalty for an early withdrawal. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2021, no participants elected to pay back their qualified distribution. Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which generally is the period during which the benefits are paid.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Disposition of forfeitures:

As of December 31, 2022, and 2021, forfeited non-vested account balances totaled \$356,249 and \$312,889, respectively.

Subsequent events:

In the preparation of the financial statements, the Plan was reviewed and evaluated by management and determined there were no subsequent events or transactions for disclosure through September 28, 2023, the date the financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis in accordance with accounting policies generally accepted in the United States of America, except for benefit payments, which are recorded when paid.

Valuation of investments and income recognition:

Investments are reported at fair value. All Plan assets were transferred from the named Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan before close of business on October 2, 2022.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and 2021.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reclassifications:

Reclassifications were added to the prior year's financial statements for comparative purposes to conform with the presentation of the current financial statements.

NOTE 3. TAX STATUS

The Internal Revenue Service issued a non-standardized pre-approved profit-sharing opinion letter to Principal Life Insurance Company dated June 30, 2020, stating that its prototype plan document was designed in accordance with applicable Internal Revenue Code requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE 5. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan was certified by the custodian and trustee Fidelity Workplace Services for the period October 2, 2022, to December 31, 2022. The Plan previous custodian and trustee was Principle Life Insurance Company which the Plan investments were certified as of September 30, 2022.

As noted in Note 12, the Plan merged with two separate Plans during the year. *Corp Healthcare Group 401K Plan* investments were being held and certified by Reliance Trust company as of September 30, 2022. *Luther Woods SNF, LLC Employees' 401K Plan* was held by the custodian and recordkeeper John Hancock Life Insurance Company. The investments were reported at fair market value as of September 30, 2022, and were transferred to Fidelity Workplace Services LLC before the close of business on October 02, 2022.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV as determined by the quoted market prices of the underlying mutual funds or investments in which the pooled separate accounts invest.

Common collective trusts: The fair value of common collective trust funds are based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The common collective investment trust funds invest in securities that have observable Level 2 pricing inputs including quoted prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the NAV of a unit in these funds is not publicly quoted. Units can be issued and redeemed on any business day at the NAV and are realized by the participant upon withdrawal.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total

Total Investments at fair value	\$ 71,346,679	\$ 5,159,926	\$ -	\$ 103,825,416

NOTE 7. LOSS FROM TRANSFER OF ASSETS

As described in Note 12 of this financial report, the Plan merged with two retirement plans that as result of the transfer, the fair market valuation of the assets as September 30, 2022, and the amount transferred and valued on October 2, 2022, resulted the Plan to recognize a significant loss to its value in the amount of \$887,005 for the plan year. This amount has been presented in the total depreciated value of realized and unrealized losses on investments in the amount of \$16,977,876, respectively.

NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTY – IN – INTEREST TRANSACTIONS

As of December 31, 2022, certain Plan investments were interests in registered investment companies held by Fidelity Workplace Services LLC as the Plan's trustee and recordkeeper. The Trustee provides services to the Plan as the custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan for the period October 02, 2022, to December 31, 2022, were in the amount of \$28,454.

As of September 30, 2022, MFA 401K Plan had certain plan investments that included mutual funds, pooled separate accounts and common collective trusts that was previously held by the prior custodian Principal Life Insurance Company. Administrative fees paid by the Plan were \$254,845.

Corp Healthcare Group 401K Plan used ADP Inc. as the recordkeeper for this Plan as of September 30, 2022. Administrative fees were paid prior to the Plan merger which has been estimated to the amount of \$117,468 during this period.

Luther Woods SNF, LLC Employees' 401K Plan used John Hancock Life Insurance company as the custodian and recordkeeper as of September 30, 2022. Administrative fees were paid prior to the Plan merger in the amount of \$8,871. The total administrative fees paid by the Plan assets were in the amount of \$409,638 as of December 31, 2022, respectively.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022, per the accompanying financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 86,123,289	\$ 106,796,986

Net assets available for benefits per the Form 5500	<u>\$ 86,123,289</u>	<u>\$ 106,730,636</u>

As a result of the transfer of assets on October 02, 2022, the loans defaulted on the previous plans were in the amount of \$195,000, and the amount was netted with other losses on the 5500. The total amount of loans defaulted for the Plan is in the amount of \$261,418, respectively.

NOTE 11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2021, the Sponsor failed to remit participant contributions and loan payments to the Plan totaling \$983,190, on a timely basis. The Sponsor will compute lost earnings on these deposits and will subsequently make contributions to the Plan for the lost earnings. As of the preparation of the financial statements, the

NOTE 12. PLAN MERGER

Effective October 2, 2022, the Plan merged with Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan. There was a trust-to-trust transfer received by each of the retrospective custodians totaling in the amount of \$7,012,243 during the year ended December 31, 2022.

Corp Healthcare 401K Plan is qualified for ERISA Section 103(a)(3)(C) audit. The audit is being performed by Gorfine Schiller Gardyn and were not available by the date of the Plan's financial statements were available to be issued.

Independent Auditor's Report

To the Administrative Committee of the

MFA 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MFA 401K Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4i – Schedule of assets (held at end of year) and the Schedule of Delinquent Participant Contributions and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the MFA 401k Plan (formerly known as MFA Benefits 401(k) Plan) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of MFA Benefits, LLC, Inc. On of October 2, 2022, the Plan merged with two separate plans named *Corp Healthcare Group 401K Plan* audited in 2021 (Plan Sponsor: Vita Healthcare Group LLC) and *Luther Woods SNF, LLC Employees' 401K Plan* not audited in 2021 (Plan Sponsor: Luther Woods SNF, LLC) to form MFA 401(K) Plan. As a result, all investments were transferred into the MFA 401K Plan as of October 2, 2022. The Plan Sponsor is MFA Benefits LLC.

The following participating companies under the Plan are as follows:

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions:

Each year, participants may contribute the maximum amount allowed the Internal Revenue Service, plus Roth IRA contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may elect to make a discretionary matching contribution. The discretionary matching and profit-sharing contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. The total amount contributed to the Plan was in the amount \$1,044,234 and \$561,086 for the plan year ending December 31, 2022, and 2021 respectively.

Participant accounts:

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is based on the participant's vested account.

Vesting:

Participants are fully vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is vested 20% after their first year of service, and an additional 20% each year thereafter. After five full years of credited service, a participant is fully vested. All participants were fully vested during the change in sponsorship.

Investment options:

Participants direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of registered mutual funds as investment options for participants.

Loans to participants:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at the prime rate, as defined by the Plan, and range from 4.25% to 8.00%. Principal and interest is paid ratably through bi-weekly payroll deductions. During the year ended December 31, 2020, as a response to COVID-19, Congress passed legislation that included relief for participants of benefit plans in the CARES Act and the SECURE Act. The Plan adopted the provisions of the CARES Act and the SECURE Act, which allowed qualified individuals to borrow from their fund accounts equal to the lesser of \$100,000 or 100% of their vested balance.

Payment of benefits:

Upon termination of service due to death, disability, retirement, or other reasons, a participant or the participant's estate or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account. Hardship withdrawals are permitted by the Plan. The Plan adopted the provisions of the CARES Act and the SECURE Act in 2020, which allowed qualified individuals to receive payment of benefits up to \$100,000 without the 10% penalty for an early withdrawal. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2021, no participants elected to pay back their qualified distribution. Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which generally is the period during which the benefits are paid.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Disposition of forfeitures:

As of December 31, 2022, and 2021, forfeited non-vested account balances totaled \$356,249 and \$312,889, respectively.

Subsequent events:

In the preparation of the financial statements, the Plan was reviewed and evaluated by management and determined there were no subsequent events or transactions for disclosure through September 28, 2023, the date the financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis in accordance with accounting policies generally accepted in the United States of America, except for benefit payments, which are recorded when paid.

Valuation of investments and income recognition:

Investments are reported at fair value. All Plan assets were transferred from the named Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan before close of business on October 2, 2022.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and 2021.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reclassifications:

Reclassifications were added to the prior year's financial statements for comparative purposes to conform with the presentation of the current financial statements.

NOTE 3. TAX STATUS

The Internal Revenue Service issued a non-standardized pre-approved profit-sharing opinion letter to Principal Life Insurance Company dated June 30, 2020, stating that its prototype plan document was designed in accordance with applicable Internal Revenue Code requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE 5. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan was certified by the custodian and trustee Fidelity Workplace Services for the period October 2, 2022, to December 31, 2022. The Plan previous custodian and trustee was Principle Life Insurance Company which the Plan investments were certified as of September 30, 2022.

As noted in Note 12, the Plan merged with two separate Plans during the year. *Corp Healthcare Group 401K Plan* investments were being held and certified by Reliance Trust company as of September 30, 2022. *Luther Woods SNF, LLC Employees' 401K Plan* was held by the custodian and recordkeeper John Hancock Life Insurance Company. The investments were reported at fair market value as of September 30, 2022, and were transferred to Fidelity Workplace Services LLC before the close of business on October 02, 2022.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV as determined by the quoted market prices of the underlying mutual funds or investments in which the pooled separate accounts invest.

Common collective trusts: The fair value of common collective trust funds are based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The common collective investment trust funds invest in securities that have observable Level 2 pricing inputs including quoted prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the NAV of a unit in these funds is not publicly quoted. Units can be issued and redeemed on any business day at the NAV and are realized by the participant upon withdrawal.

Total Investments at fair value	\$ 71,346,679	\$ 5,159,926	\$ -	\$ 103,825,416

NOTE 7. LOSS FROM TRANSFER OF ASSETS

As described in Note 12 of this financial report, the Plan merged with two retirement plans that as result of the transfer, the fair market valuation of the assets as September 30, 2022, and the amount transferred and valued on October 2, 2022, resulted the Plan to recognize a significant loss to its value in the amount of \$887,005 for the plan year. This amount has been presented in the total depreciated value of realized and unrealized losses on investments in the amount of \$16,977,876, respectively.

NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTY – IN – INTEREST TRANSACTIONS

As of December 31, 2022, certain Plan investments were interests in registered investment companies held by Fidelity Workplace Services LLC as the Plan's trustee and recordkeeper. The Trustee provides services to the Plan as the custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan for the period October 02, 2022, to December 31, 2022, were in the amount of \$28,454.

As of September 30, 2022, MFA 401K Plan had certain plan investments that included mutual funds, pooled separate accounts and common collective trusts that was previously held by the prior custodian Principal Life Insurance Company. Administrative fees paid by the Plan were \$254,845.

Corp Healthcare Group 401K Plan used ADP Inc. as the recordkeeper for this Plan as of September 30, 2022. Administrative fees were paid prior to the Plan merger which has been estimated to the amount of \$117,468 during this period.

Luther Woods SNF, LLC Employees' 401K Plan used John Hancock Life Insurance company as the custodian and recordkeeper as of September 30, 2022. Administrative fees were paid prior to the Plan merger in the amount of \$8,871. The total administrative fees paid by the Plan assets were in the amount of \$409,638 as of December 31, 2022, respectively.

For the year ended December 31, 2022

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022, per the accompanying financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 86,123,289	\$ 106,796,986
(Less: deemed distributed participant loans)	<u>-</u>	<u>(66,350)</u>
Net assets available for benefits per the Form 5500	<u>\$ 86,123,289</u>	<u>\$ 106,730,636</u>

As a result of the transfer of assets on October 02, 2022, the loans defaulted on the previous plans were in the amount of \$195,000, and the amount was netted with other losses on the 5500. The total amount of loans defaulted for the Plan is in the amount of \$261,418, respectively.

NOTE 11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2021, the Sponsor failed to remit participant contributions and loan payments to the Plan totaling \$983,190, on a timely basis. The Sponsor will compute lost earnings on these deposits and will subsequently make contributions to the Plan for the lost earnings. As of the preparation of the financial statements, the

NOTE 12. PLAN MERGER

Effective October 2, 2022, the Plan merged with Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan. There was a trust-to-trust transfer received by each of the retrospective custodians totaling in the amount of \$7,012,243 during the year ended December 31, 2022.

Corp Healthcare 401K Plan is qualified for ERISA Section 103(a)(3)(C) audit. The audit is being performed by Gorfine Schiller Gardyn and were not available by the date of the Plan's financial statements were available to be issued.

Independent Auditor's Report

To the Administrative Committee of the
MFA 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MFA 401K Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4i – Schedule of assets (held at end of year) and the Schedule of Delinquent Participant Contributions and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions:

Each year, participants may contribute the maximum amount allowed the Internal Revenue Service, plus Roth IRA contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may elect to make a discretionary matching contribution. The discretionary matching and profit-sharing contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. The total amount contributed to the Plan was in the amount \$1,044,234 and \$561,086 for the plan year ending December 31, 2022, and 2021 respectively.

Participant accounts:

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is based on the participant's vested account.

Vesting:

Participants are fully vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is vested 20% after their first year of service, and an additional 20% each year thereafter. After five full years of credited service, a participant is fully vested. All participants were fully vested during the change in sponsorship.

Investment options:

Participants direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of registered mutual funds as investment options for participants.

Loans to participants:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at the prime rate, as defined by the Plan, and range from 4.25% to 8.00%. Principal and interest is paid ratably through bi-weekly payroll deductions. During the year ended December 31, 2020, as a response to COVID-19, Congress passed legislation that included relief for participants of benefit plans in the CARES Act and the SECURE Act. The Plan adopted the provisions of the CARES Act and the SECURE Act, which allowed qualified individuals to borrow from their fund accounts equal to the lesser of \$100,000 or 100% of their vested balance.

Payment of benefits:

Upon termination of service due to death, disability, retirement, or other reasons, a participant or the participant's estate or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account. Hardship withdrawals are permitted by the Plan. The Plan adopted the provisions of the CARES Act and the SECURE Act in 2020, which allowed qualified individuals to receive payment of benefits up to \$100,000 without the 10% penalty for an early withdrawal. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2021, no participants elected to pay back their qualified distribution. Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which generally is the period during which the benefits are paid.

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Disposition of forfeitures:

As of December 31, 2022, and 2021, forfeited non-vested account balances totaled \$356,249 and \$312,889, respectively.

Subsequent events:

In the preparation of the financial statements, the Plan was reviewed and evaluated by management and determined there were no subsequent events or transactions for disclosure through September 28, 2023, the date the financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis in accordance with accounting policies generally accepted in the United States of America, except for benefit payments, which are recorded when paid.

Valuation of investments and income recognition:

Investments are reported at fair value. All Plan assets were transferred from the named Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan before close of business on October 2, 2022.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and 2021.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reclassifications:

Reclassifications were added to the prior year's financial statements for comparative purposes to conform with the presentation of the current financial statements.

NOTE 3. TAX STATUS

The Internal Revenue Service issued a non-standardized pre-approved profit-sharing opinion letter to Principal Life Insurance Company dated June 30, 2020, stating that its prototype plan document was designed in accordance with applicable Internal Revenue Code requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE 5. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan was certified by the custodian and trustee Fidelity Workplace Services for the period October 2, 2022, to December 31, 2022. The Plan previous custodian and trustee was Principle Life Insurance Company which the Plan investments were certified as of September 30, 2022.

As noted in Note 12, the Plan merged with two separate Plans during the year. *Corp Healthcare Group 401K Plan* investments were being held and certified by Reliance Trust company as of September 30, 2022. *Luther Woods SNF, LLC Employees' 401K Plan* was held by the custodian and recordkeeper John Hancock Life Insurance Company. The investments were reported at fair market value as of September 30, 2022, and were transferred to Fidelity Workplace Services LLC before the close of business on October 02, 2022.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MFA 401k Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV as determined by the quoted market prices of the underlying mutual funds or investments in which the pooled separate accounts invest.

Common collective trusts: The fair value of common collective trust funds are based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The common collective investment trust funds invest in securities that have observable Level 2 pricing inputs including quoted prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the NAV of a unit in these funds is not publicly quoted. Units can be issued and redeemed on any business day at the NAV and are realized by the participant upon withdrawal.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022.

NOTE 7. LOSS FROM TRANSFER OF ASSETS

As described in Note 12 of this financial report, the Plan merged with two retirement plans that as result of the transfer, the fair market valuation of the assets as September 30, 2022, and the amount transferred and valued on October 2, 2022, resulted the Plan to recognize a significant loss to its value in the amount of \$887,005 for the plan year. This amount has been presented in the total depreciated value of realized and unrealized losses on investments in the amount of \$16,977,876, respectively.

NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTY – IN – INTEREST TRANSACTIONS

As of December 31, 2022, certain Plan investments were interests in registered investment companies held by Fidelity Workplace Services LLC as the Plan's trustee and recordkeeper. The Trustee provides services to the Plan as the custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan for the period October 02, 2022, to December 31, 2022, were in the amount of \$28,454.

As of September 30, 2022, MFA 401K Plan had certain plan investments that included mutual funds, pooled separate accounts and common collective trusts that was previously held by the prior custodian Principal Life Insurance Company. Administrative fees paid by the Plan were \$254,845.

Corp Healthcare Group 401K Plan used ADP Inc. as the recordkeeper for this Plan as of September 30, 2022. Administrative fees were paid prior to the Plan merger which has been estimated to the amount of \$117,468 during this period.

Luther Woods SNF, LLC Employees' 401K Plan used John Hancock Life Insurance company as the custodian and recordkeeper as of September 30, 2022. Administrative fees were paid prior to the Plan merger in the amount of \$8,871. The total administrative fees paid by the Plan assets were in the amount of \$409,638 as of December 31, 2022, respectively.

Net assets available for benefits per the Form 5500	<u>\$ 86,123,289</u>	<u>\$ 106,730,636</u>

As a result of the transfer of assets on October 02, 2022, the loans defaulted on the previous plans were in the amount of \$195,000, and the amount was netted with other losses on the 5500. The total amount of loans defaulted for the Plan is in the amount of \$261,418, respectively.

NOTE 11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2021, the Sponsor failed to remit participant contributions and loan payments to the Plan totaling \$983,190, on a timely basis. The Sponsor will compute lost earnings on these deposits and will subsequently make contributions to the Plan for the lost earnings. As of the preparation of the financial statements, the

NOTE 12. PLAN MERGER

Effective October 2, 2022, the Plan merged with Corp Healthcare Group 401K Plan and Luther Woods SNF, LLC Employees' 401K Plan. There was a trust-to-trust transfer received by each of the retrospective custodians totaling in the amount of \$7,012,243 during the year ended December 31, 2022.

Corp Healthcare 401K Plan is qualified for ERISA Section 103(a)(3)(C) audit. The audit is being performed by Gorfine Schiller Gardyn and were not available by the date of the Plan's financial statements were available to be issued.
