## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
the Ocusoft Inc 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ocusoft Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ocusoft Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ocusoft Inc 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocusoft Inc 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ocusoft Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocusoft Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter-Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OCUSOFT INC 401 (k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**Note 1 - Description of Plan**

Ocusoft, Inc. (the Company) adopted the Ocusoft Inc 401(k) Plan on December 1, 2005, and it was amended and restated on January 1, 2009. The following description of the Ocusoft Inc 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General

The Plan is a defined contribution plan covering substantially all of the U.S. employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in the plan once they have completed one year of eligibility service as defined in the plan document.

Employee Contributions

The Plan specifies that elective deferrals will be allowed in any plan year up to the maximum percentage of plan compensation and dollar amount allowed by the Internal Revenue Service. Roth elective deferrals are also permitted. In addition, participants who are age 50 at the end of any calendar year may make “catch-up” contributions up to the annual maximum established by the Internal Revenue Service during any plan year. The Plan also accepts rollover contributions or transfers into the Plan with the approval of the Plan sponsor.

The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmably elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their investment in a designated balance fund until changed by the participant.

Employer Match

The employer may, at its sole discretion, contribute and allocate to each eligible participant account a percentage of the participants’ elective deferrals. Matching contributions, if any, are determined at the end of the plan year. A discretionary matching contribution of \$294,527 was received from the Company during the year ended December 31, 2022.

Non-elective Contributions

Non-elective contributions may be permitted at the sole-discretion of the Company. There were no non-elective contributions for the year ended December 31, 2022.

Participant Accounts

Each Participant’s account is credited with an allocation of (1) the participant’s contributions from payroll deductions, (2) the employer’s matching contribution, and (3) earnings or loss from investment of the

contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately 100% vested in the contributions they make to the Plan including salary deferrals and rollover contributions, plus actual earnings thereon. Except in the case of severance from employment with the Company due to death, retirement or permanent disability, all Company discretionary contributions plus actual earnings are vested subject to a 6 year schedule as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2             | 0%                        |
| 2                       | 20%                       |
| 3                       | 40%                       |
| 4                       | 60%                       |
| 5                       | 80%                       |
| 6                       | 100%                      |

In-Service Withdrawals

In certain circumstances, a participant may take distributions prior to retirement age under the "hardship withdrawal" rules. These funds are taxable distributions.

Distribution of Benefits

If a participant retires, is permanently disabled or terminated and has an account balance in excess of \$5,000, the participant may leave the funds in the Plan; otherwise, the account balance, after any required allocations, is disbursed to the former participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at the rate in effect in the month the loan was effective. Principal and interest is paid ratably through monthly payroll deductions.

OCUSOFT INC 401 (k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**Note 1 - Description of Plan (continued)**

Forfeited Accounts

A forfeiture will occur in the plan year that a terminated participant receives a distribution of his or her entire vested account, or if the participant does not receive a distribution, after five consecutive one-year breaks in service. Forfeitures retained in the Plan are used to reduce employer contributions or plan expenses. For the year ended December 31, 2022, \$34,745 of forfeitures were used to reduce Company contributions. At December 31, 2022 and 2021, the forfeited non-vested portion of terminated participants' account balances totaled \$4,481 and \$36,411, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Expenses

The Plan pays certain expenses for recordkeeping and other services directly from net plan assets. These expenses totaled \$18,429 for the year ended December 31, 2022. Investment-related expenses are included in net appreciation in fair value of investments. Certain administrative expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

**Note 2 - Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements are presented on the modified cash basis of accounting. Benefits and expenses are recorded when paid; contributions and additions are recognized when received.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's assets are invested in mutual funds and collective trust funds. Shares of mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. The collective trust funds are reported at fair value using the net asset value per share (or its equivalent) as a practical expedient. The plan determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements. Purchases

and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain investment management and other fees are netted against Plan investment income and are not separately stated.

**Date of Management's Review**

Subsequent events were evaluated through September 28, 2023 which is the date the financial statements were available to be issued.

**Note 3 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the hierarchy are described as follows:

- Level 1- Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following is a description of the valuation methodologies used for the assets measured at fair value.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

*Collective trust funds:* Reported at fair value using net asset value per share (or its equivalent as a practical expedient) and not classified in the hierarchy in accordance with Accounting Standards Codification

The plan has no assets valued at level three under the fair value hierarchy. As discussed in Note 4, the Collective trust fund has been reclassified as of December 31, 2021 to conform to the current classification.

**Note 4- Collective Trust Fund**

The Plan's investment in collective trust funds principally represents the fair value of the plan's investment in the Invesco Stable Asset Fund, a collective trust fund (the "Trust"), which seeks to provide a preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The Trust invests 100% of its assets in Class C units of an underlying fund, the Invesco Stable Value Trust (the "Fund"). The underlying Fund invests in fully benefit responsive investment contracts such as traditional and synthetic guaranteed investment contracts as well as other investments. Participant units in the Trust are issued and redeemed based upon the net asset value at contract value per unit of the Trust as of the Trust's last valuation date preceding the date on which such order to issue or redeem units is received. The Trust is required to give the trustee of the Fund twelve months' irrevocable written notice of intent to redeem all or a portion of its participation in the Fund. The Collective Trust Fund at December 31, 2021 of \$1,229,576 was previously classified as Investments at contract value as of December 31, 2021 and it has been reclassified to be

OCUSOFT INC 401 (k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**Note 4- Collective Trust Fund**

included in Investments at fair value as of December 31, 2021. This reclassification had no effect on the Plan's total investments, total assets, net assets available for benefits or net income at December 31, 2021.

**Note 5 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 6 – Tax Status**

The Plan obtained its latest determination letter on October 6, 2020, stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's legal tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements.

**Note 7 - Information Certified by the Trustee (Unaudited)**

At December 31, 2022 and 2021, the Plan's investments and notes receivable were held by Reliance Trust Company (the "Trustee"). The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee, as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
