JOHN K. SWAIM
CERTIFIED PUBLIC ACCOUNTANT

Independent Auditor Report

To the Trustees of
Service First Janitorial LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
I have performed an audit of the financial statements of Service First Janitorial LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 , and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Service First Janitorial LLC 401(K) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion
In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Service First Janitorial LLC 401(K) Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Service First Janitorial LLC 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Service First Janitorial LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA
The supplemental schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the Service First Janitorial LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a participant-directed defined contribution plan covering all employees of Service First Janitorial LLC 401(K) Plan, (the "Company") who have six months of service and are age twenty-one or older. The original provisions of the Plan became effective on January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions
Participants may elect to make voluntary contributions up to 90% of their pre-tax annual compensation, as defined by the Plan document. Participant contributions are subject to certain annual limitations as prescribed by the Internal Revenue Code (the "Code"), which were $20,500 for 2022.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the end of the year are eligible to make catch-up contributions in accordance with, and subject to the limitations imposed by the Code ($6,500 for 2022). Participants direct the investment of their contribution into various investment options offered by the Plan.

The Plan is referred to as a safe harbor 401(k) plan. In order to maintain safe harbor status, the Company makes a safe harbor non-elective contribution equal to 100% on the first 3% of Participant's Compensation which is deferred as an Elective Deferral and 50% on the next 2% of Participant's Compensation which is deferred as an Elective Deferral. For 2022, the Company made safe harbor non-elective contributions of approximately $45,000. The Plan also allows for discretionary profit-sharing contributions. The Company did not make any such contributions for the year ended December 31, 2022.

Participant Accounts
Each participant's account is credited with the participant's contribution and rollover amount, if any, and allocations of Plan earnings (losses) net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits each participant to direct the investment of his or her account balance under the Plan in the investment options (mutual funds and common collective trust) provided by the Plan on a daily basis.

Vesting and Forfeitures
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company matching and nonelective contributions plus actual earnings thereon is based on years of continuous service, whereby a participant is 100% vested after six years of credited service. Forfeitures are generally used to pay Plan expenses or reduce future Company contributions. There were no forfeitures used in 2022.

Participant Loans
Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participants account and bear interest at a fixed rate of two percent above the prime interest rate as published in the Wall Street Journal at the time of the loan unless otherwise determined by the trustee. Principal and interest are repaid ratably through payroll deductions over a term of no greater than five years (30 years for purchase of a primary residence).

1. Description of the Plan *(continued)*

Payment of Benefits
On termination of service, a participant's vested account balance will be paid in a single lump-sum amount or partial withdraws. For termination of service due to death, disability, or normal retirement, the participant becomes 100% vested in all their accounts in the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of these financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported revenues and expenses during the reported period. Actual results could differ from those estimates.

Participant Loans
Loans to participants are reported at their unpaid principal balances and collateralized by the balance in their individual account.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by their investment advisers and the trustee/custodian. Net appreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Investments in mutual funds are based on quoted market prices (net asset values) of the shares. Investments in the common/collective trusts are reported at the net asset values as reported to the Plan which are based on the fair value of the underlying investments. The accounts including common/collective trusts are credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions
Contributions from employee deferral contributions are recorded in the period in which they become obligations to the Plan.

Administrative Expenses
The Company pays certain recurring administrative expenses of the Plan. Expenses not paid by the Company are paid by the Plan in accordance with the Adoption Agreement and amounted to $1,832 during 2022.

Payment of Benefits
Benefits are recorded when paid.

3. Investments

All investments of the Plan are held in participant directed accounts. Investments are reported at fair value as measured by the price that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. as follows at December 31:

	2022	2021
Mutual Funds	$ 345,395	$ 296,375
Common Collective Trust	2,049	1,470
	$ 347,444	$ 297,845

The Plan's investments depreciated in value by $(68,145) during 2022 as a result of realized and unrealized gains and losses

4. Fair Value Measurements

The Plan follows FASB Accounting Standards Codification Topic 820, Fair Value Measurement (ASC 820). ASC 820 defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are derived principally from or corroborated by observable market data, and Level 3 inputs are unobservable and have the lowest priority. The Plan has no investments valued with Level 2 or Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts funds: Valued at the net asset value of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

4. Fair Value Measurements *(continued)*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

5. Information Certified by the Plan Trustee

The following information was certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan, at December 31:

	2022	2021
Mutual funds	$ 345,395	$ 296,375
Common Collective Trust	2,049	1,470
Participant loans	13,947	-
	$ 361,391	$ 297,845

Other Information	
Net appreciation (depreciation) in fair value of mutual funds	$ (68,145)
Interest and dividend income	17,402

All investments of the Plan are held by the Trustee in participant-directed accounts. All investment transactions are performed by the Trustee.

The accompanying financial statements, supplemental schedule, and certain notes to these financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Securities Act of 1974.

6. Party-in-Interest Transactions

There are no identified party-in-interest transactions for the years ended December 31, 2022 and 2021.

7. Income Tax Status

The Plan operates in accordance with ADP's Prototype 401(k) and Profit Sharing Plan. ADP received a favorable advisory letter dated October 06, 2020, in which the Internal Revenue Service stated that the basic plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, including on April 1, 2022, when the Plan was amended to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37 and other legal requirements. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan was qualified, and the related trust was tax-exempt at December 31, 2022.

Management evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provision of this guidance. Generally, the Plan is no longer subject to examination by taxing authorities for tax years prior to 2019.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. At December 31, 2022 participant directed investments include six participant directed funds amounting to $182,713 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements. At December 31, 2021, participant directed investments include five participant directed funds amounting to $145,503 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements.

10. Subsequent Events

The Plan has evaluated subsequent events through September 06, 2023, which is the date the financial statements were available to be issued. Management is not aware of any material subsequent events.
