INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR
HCSS 401(K) PLAN & TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of HCSS 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HCSS 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Notes 3 and 4, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HCSS 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HCSS 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HCSS 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

BSB PARTNERS

CPAs & BUSINESS ADVISORS

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HCSS 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HCSS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following brief description of the HCSS 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan adopted by Heavy Construction System Specialists, LLC (the Company) and covers all eligible full-time and part-time employees of the Company who have completed three months of service and have attained age 21. Each eligible employee of the Company can become a participant in the Plan on the first day of the month following the date eligibility requirements have been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In recent years, the Plan has been amended to comply with the Heroes Earnings Assistance and Relief Tax (HEART) Act, the Worker, Retiree, and Employer Recovery Act (WRERA), and other Internal Revenue Service (IRS) and Department of Labor (DOL) guidance. The purpose of these changes was to comply with IRS and DOL regulations and maintain the Plan's tax exempt status.

The Plan was restated October 1, 2018 to include the automatic deferral increase described in Contributions below.

Contributions

Participants may elect to contribute 1% to 87% of their eligible compensation, subject to IRS limitations for the Plan year. The Plan also permits rollover contributions from other qualified retirement plans. The Company may make a matching contribution to each participant's account based on the participant's deferral contribution. Matching contributions totaled \$1,074,598 for the year ended December 31, 2022. Participants direct the investment of contributions into a variety of investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balance fund until changed by the participant.

Employee automatic contributions to the Plan are invested in a default investment fund and the automatic deferral amount will increase by 1 percentage point each year up to a maximum of 10%. These annual increases will occur as soon as administratively feasible following each anniversary date following the date that an employee's automatic enrollment begins.

The Company also offers a discretionary profit sharing contribution to eligible employees. The discretionary profit sharing contribution is determined annually by the Company. No discretionary profit sharing contributions were made for the year ended December 31, 2022. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's matching and discretionary profit sharing contributions, and Plan earnings, and charged with an allocation of administrative expenses. The Company's matching contributions are allocated based on participants' deferrals. Profit sharing contribution allocations are based on participant compensation or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HCSS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, from a minimum of \$500 up to a maximum of \$50,000. Note terms shall not exceed five years unless the loan is for the purchase of a primary residence. Notes are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 2% at issuance. Principal and interest are paid ratably through payroll deductions. Interest income of \$21,447 for the year ended December 31, 2022 has been recorded as interest in the accompanying Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Lump sum distributions are required if the vested balance is \$5,000 or less. For accounts greater than \$5,000, the participant must consent to any distribution of their account. In-service distributions may be made from fully vested accounts if the participant has attained normal or early retirement age as defined within the Plan document.

Forfeitures

At December 31, 2022 and 2021, participant forfeitures totaled \$19,174 and \$2,230, respectively. The non-vested forfeited portion of these accounts is used to reduce future employer contributions. Forfeitures totaled \$138,094 for the year ended December 31, 2022 and employer contributions were reduced \$121,150 from forfeited non-vested accounts during the year ended December 31, 2022.

Administrative Expenses

Administrative expenses are paid by the Company or the Plan. During the year ended December 31, 2022, administrative expenses paid by the Plan totaled \$110,350.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

HCSS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on the investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. At December 31, 2022 and 2021, no allowance for credit losses was deemed necessary. Participant loans that were in default totaled \$9,676 for the year ended December 31, 2022. A loan that is in default is treated as a taxable deemed distribution to the participant.

Payment of Benefits

Benefit payments to participants are recorded when paid. Benefit payments totaled \$4,314,682 for the year ended December 31, 2022.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amount allowed by the IRC are recorded as a liability and reported as corrective distributions in the accompanying statement of changes in net assets available for benefits. Excess contributions totaled \$9,216 for the year ended December 31, 2022. There were no excess contributions payable at December 31, 2022 and 2021.

Subsequent Events

The Plan evaluated subsequent events through September 21, 2023, the date these financial statements were available to be issued.

3. CERTIFICATION

Investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in the fair value of investments, interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company (Reliance), the Plan custodian, and have not been audited by the independent auditors.

HCSS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,216,142	\$ -	\$ -	\$ 29,216,142
Total investments at fair value	\$ 29,216,142	\$ -	\$ -	\$ 29,216,142

HCSS 401(K) PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,348,695	\$ -	\$ -	\$ 34,348,695
Total investments at fair value	<u>\$ 34,348,695</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,348,695</u>

5. TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted an IRS approved prototype plan. The prototype plan has received a favorable opinion letter from the IRS that it qualifies under IRS Code Section 401(a), provided all terms of the plan are followed. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates its tax positions in accordance with FASB ASC 740. At December 31, 2022, the Plan Administrator believes that all of its tax positions are appropriate based on current facts and circumstances, and no liability related to uncertain tax positions needs to be recorded. The Plan files income tax returns in the U.S. Federal jurisdiction. The Plan is no longer subject to U.S. Federal income tax examination for years before 2019.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' account balances would be distributed to the participants after payment of any administrative expenses.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan transactions include units of investment accounts managed by Reliance for the year ended December 31, 2022. Therefore, these transactions qualify as party-in-interest transactions.

8. RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.
