INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management
Fortress Bank Profit Sharing Plan
La Harpe IL 61450-0507

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We performed the audit of the financial statements of Fortress Bank Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fortress Bank Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- * The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- * The information in the accompanying financial statements referred to above related to the assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of Fortress Bank Profit Sharing Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise doubts about Fortress Bank Profit Sharing Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed on the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respects to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's reports that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting in fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- * Exercise professional judgement and maintain professional skepticism throughout the audit
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of Fortress Bank Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fortress Bank Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planning scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion --

* The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

* The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statements of Fortress Bank Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of Fortress Bank Profit Sharing Plan as of and for the year ended December 31, 2021.

Fortress Bank Profit Sharing Plan
Notes to Financial Statements
December 31, 2022

Note 1 - Description of the Plan

The following description of the Fortress Bank Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with salary reduction 401(k) features covering all full-time employees of Fortress Bank. (Company) who have are age 21 or older. Employees are eligible for employer's discretionary and non-discretionary contributions after a year of services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the requirements of Section 401(k) of the Internal Revenue Code.

Contributions

Each year, participants may contribute up to the maximum dollar limit set by law. Under the Plan, a participant is permitted to deposit into the Plan distributions they have received from other plans and certain IRAs. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, in addition to the participant's salary deferrals the Company may contribute the following to the Plan: matching contributions, profit sharing contributions, and qualified nonelective contributions.

Participant accounts

Each participant's account is credited with the participant's contributions and the allocations of (a) the Company's contribution and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan includes an automatic deferral feature. Accordingly, the Employer will automatically withhold a portion of the participant's compensation each payroll period to contribute to the Plan as a pre-tax deferral once eligible, unless the participant makes a contrary election.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts thereon is based on years of continuous service. A participant is fully vested after six years of credited service. Employees are also 100% vested in the event of death or disability.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant with an account balance greater than \$5,000 may elect to receive either 1) a lump-sum amount 2) partial payments 3) installment payments or 4) an annuity contract. For participants with an account balance less than \$5,000 who do not elect to receive their distribution from the Plan in either a single lump sum or a direct rollover, benefits will be paid in the form of a lump sum.

Participants who leave the Plan will receive their vested percentage of their account balance within a reasonable time after the participant terminates employment and consents to the distribution.

Corrective Distributions

Certain ERISA regulations require that Highly Compensated Employees (HCEs) are limited as to the percentage of compensation they may elect to defer each year. Testing is performed after the end of each plan year to determine the allowable percentage deferred by the HCEs for that year. Any excess deferral is refunded to the individuals within 2 ½ months of plan year end. The Plan records these distributions in the year paid. Payments for corrective distributions paid in 2022 amounted to \$0.

Note 1 - Description of the Plan (Continued)

Forfeitures

Forfeitures may be applied to payment of plan administration expenses, as well as towards profit sharing contributions and matching contributions. Forfeitures applied during the year ended December 31, 2022 amounted to \$30,907.

Participant loans

Notes receivables from participants represent participant loans that are recorded at their unpaid balance. Interest income on notes receivable is recorded when paid and is credited to the participant's account. Related fees are recorded as administrative expenses and are expensed as incurred. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of the participant's vested account balance, not to exceed \$50,000. The loans are secured by the participant's vested account balance and bear interest at a of 2% above the current USA Today prime rate. Principal and interest are paid ratably through regular payroll deductions. If a participant ceases to make note repayments and Plan management deems the participant note to be a distribution, the note balance is reduced and a benefit payment is recorded. For the year ended December 31, 2022, deemed loan distributions amounted to \$12,654, accordingly.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options listed in Note 4.

Participants may change the amount they are deferring into the Plan or stop making deferrals altogether at anytime. Participants may change their investment selection daily.

Note 2 - Summary of Significant Accounting Policies

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The money market funds are valued at cost that approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Tax Status

The trust established under the Plan to hold the Plan's asset is qualified pursuant to relevant sections of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Sponsor has obtained a favorable tax determination letter from the Internal Revenue Service and the Sponsor believes that the Plan continues to qualify and operate as designed.

Note 2 - Summary of Significant Accounting Policies (Continued)

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Net Appreciation (Depreciation) in Fair Value of Investment

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Administrative Expenses

Administration expenses incurred in connection with the general administration of the Plan are paid by the Plan Sponsor.

Estimates

The preparation of financial statements in accordance with the accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits - modified cash basis.

Note 6 Plan Terminations

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 7 Subsequent Events

Plan Management has evaluated subsequent events through September 20, 2023, the date the financial statements were available to be issued.

Note 8 Related Party and Party-In-Interest Transactions

Certain administrative functions of the Plan are performed by employees of the Company. No such employee receives compensation from the Plan.

The Plan's investments are managed by Banker's Trust, the trustee. These transactions qualify as party-in-interest transactions. Fees for accounting and other administrative services are paid for by the Company. Administrative fees paid to Banker's Trust amounted to \$2,200 for the year ended December 31, 2022.
