## Independent Auditors' Report

To the Trustees of  
the Care Finders Total Care LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Care Finders Total Care LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Care Finders Total Care LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Care Finders Total Care LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Care Finders Total Care LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Care Finders Total Care LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Care Finders Total Care LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Plan Description

The following brief description of the Care Finders Total Care LLC 401(k) Plan (the "Plan") is for general information only. Participants should refer to the plan document for a complete description of the Plan's provisions.

#### General

The Plan was established on December 1, 2017. The Plan is a defined contribution plan covering all employees of Care Finders Total Care LLC ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated effective February 17, 2022.

On January 1, 2023 the custodian of the Plan was changed from Principal Life Insurance Company to Reliance Trust Company and the recordkeeper was changed to ADP Retirement Services. The plan was amended and restated in connection with this transition.

#### Eligibility

Employees are eligible to participate in the Plan and receive employer matching contributions upon the completion of 60 days of service and reaching 18 years of age. Employees eligible to participate in the Plan can enroll in the Plan on the first day of the month, immediately following or coinciding with the day they complete their eligibility requirements.

#### Contributions

The Plan provides each participant with an opportunity to make elective pre-tax contributions and/or Roth Elective Deferrals to the Plan, up to 100% of compensation, and subject to the limitations of the Internal Revenue Code ("IRC").

The Company may make a discretionary matching contribution to the Plan. This contribution is a percentage determined by the Company and applies to all eligible employees for the entire plan year. The Company elected not to make a matching contribution in 2022.

The plan may make a discretionary profit sharing contribution to the Plan. This contribution is a percentage determined by the Company and applies to all eligible employees for the entire plan year. The Company elected not to make a profit sharing matching contribution in 2022.

#### Vesting

Participants are fully vested in their own contributions and earnings thereon. Vesting in the Company's discretionary profit sharing or employer matching contributions is based on years of service, which is obtained by participants serving more than 1,000 hours per year. The vesting schedule for discretionary profit sharing or employer matching contribution is as follows:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| 1                       | 0%                |

## Care Finders Total Care LLC 401(k) Plan

### **Forfeitures**

Forfeitures may be used to pay administrative expenses or to restore forfeited accounts in order to reduce employer contributions, or reallocated amongst the participants, as elected by the employer. The Plan did not have any forfeitures for the year ended December 31, 2022. There was no forfeiture balance as of both December 31, 2022 and 2021.

### **Participant Accounts**

Each participant's account is credited with their contributions, employer contributions, and the earnings thereon. Contributions to the Plan are invested by the custodian as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the plan document.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance of the participant's account and bear interest at rates similar to those charged by commercial lenders under similar terms. The maximum term of the loan is five years unless the loan is used to purchase a principal residence. Loans are repaid through payroll deductions and/or lump sum payments according to due dates specified in the individual promissory note. Loans are measured at their unpaid principal balance plus any accrued, but unpaid interest. The interest rate is prime plus 2% and at December 31, 2022 the interest rates ranged from 5.25% to 7.50% on all outstanding loans.

### **Benefits**

In the event of death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installment payments as specified by the Plan.

### **Administrative Expenses**

A portion of administrative expenses are paid directly by the Employer. To the extent expenses are not paid by the Employer, expenses may be paid out of the assets of the plan in accordance with ERISA guidelines.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

### Subsequent Events

The Plan has evaluated subsequent events through September 18, 2023, the date these financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

### 3. Information Certified by the Custodians

The following is a summary of the investments for the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedules that were prepared by, or derived from information provided by Principal Life Insurance Company, Principal Global Investors Trust Company and Principal Trust Company (collectively "Principal"), the custodians of the Plan, and furnished to the plan administrator. Principal held the Plan's investment assets and executed investment transactions as of December 31, 2022 and 2021 and for the year ended December 31, 2022. The plan administrator has obtained certifications from the custodians that such information is complete and accurate.

Information relating to investments and notes receivable from participants held by the custodians at December 31, is as follows:

|                                    | 2022              | 2021              |

|                                                |                     |
|------------------------------------------------|---------------------|
| Net depreciation in fair value of investments  | <u>\$ (144,288)</u> |
| Capital gains, dividends and interest income   | <u>\$ 977</u>       |
| Interest on notes receivable from participants | <u>\$ 1,695</u>     |

### Investment Contract with Insurance Company

The guaranteed interest account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Principal. The contract is reflected in the financial statements at contract value (which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses), because it is fully benefit- responsive. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issue or otherwise.

Certain events limit the ability of the Plan to transact at contract value with Principal. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investments options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with the participants, is probable.

The guaranteed interest account does not permit Principal to terminate the agreement prior to the scheduled maturity date.

## Care Finders Total Care LLC 401(k) Plan

### 4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the assets or liabilities; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value:

- Mutual funds: Shares held by the Plan at year-end are valued at unadjusted quoted prices in active markets.
- Pooled separate accounts: The fair value of the pooled separate accounts is determined by the fair value of the underlying mutual funds or stocks and fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets.
- Common collective trusts (CCT): The fair value of the common collective trusts is determined by the custodian of the common collective trust fund based on the underlying assets which represent NAV. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2022 are as follows:

|                                               | Level 1   | Level 2    | Level 3 | Total      |
|-----------------------------------------------|-----------|------------|---------|------------|
| Mutual funds                                  | \$ 17,291 | \$ -       | \$ -    | \$ 17,291  |
| Pooled separate accounts                      | -         | 119,338    | -       | 119,338    |
| Total investments in the fair value hierarchy | 17,291    | 119,338    | -       | 136,629    |
| Common collective trusts (a)                  | -         | -          | -       | 634,487    |
| Total investments at fair value               | \$ 17,291 | \$ 119,338 | \$ -    | \$ 771,116 |

## Care Finders Total Care LLC 401(k) Plan

Investments at fair value as of December 31, 2021 are as follows:

|                                               | Level 1  | Level 2   | Level 3 | Total      |
|-----------------------------------------------|----------|-----------|---------|------------|
| Mutual funds                                  | \$ 6,276 | \$ -      | \$ -    | \$ 6,276   |
| Pooled separate accounts                      | -        | 96,259    | -       | 96,259     |
| Total investments in the fair value hierarchy | 6,276    | 96,259    | -       | 102,535    |
| Common collective trusts (a)                  | -        | -         | -       | 564,655    |
| Total investments at fair value               | \$ 6,276 | \$ 96,259 | \$ -    | \$ 667,190 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at Net Asset Value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

### 5. Party-In-Interest Transactions

The Plan investments were managed by Principal and, therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2022, the Plan paid \$10,166 to Principal for administrative fees.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to amend, alter or terminate the Plan subject to the provisions of the ERISA. If the Plan is terminated, the amount credited to the account of each participant will be fully vested.

### 7. Income Tax Status

On June 30, 2020, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan as of December 31, 2022 and 2021 and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions and is not subject to income tax examinations for years prior to 2019.

## Care Finders Total Care LLC 401(k) Plan

### 8. Risk and Uncertainties

The Plan's investments are concentrated in funds that invest in various investment securities. Such securities are subject to various risks, such as interest rate, market and credit risks, that determine the value of the investments. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

### 9. Delinquent Contributions

During 2020-2022, the Company did not remit to the Plan's Trustee certain participant contributions, totaling \$31,149 within the time period prescribed by the Department of Labor regulations. Delays in remitting the contributions to the trustee were due to administrative errors. The Company intends to make a contribution to the Plan to compensate for lost earnings resulting from the late payments and to file the required forms with the IRS and or the Department of Labor.
