John Saldutti and Management of
National Microrentals, Inc. 401(k) Plan
28 Abeel Road
Monroe Township, NJ 08831

Dear Mr. Saldutti,

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of National Microrentals, Inc. 401(k) Plan (the "Plan"), as of and for the year ended December 31, 2020, and have issued our report thereon dated December 10, 2021. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility under Generally Accepted Auditing Standards

As communicated in our engagement letter dated July 19, 2021, our responsibility, as prescribed by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"), except that, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), and as instructed by the Plan administrator, we did not perform any auditing procedures with respect to the information prepared and certified by Reliance Trust Company, the trustee of the Plan, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements and supplemental schedule taken as a whole.

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified to by the trustee, were audited by us in accordance with U.S. GAAS, and were subjected to tests of the Plan's accounting records and other procedures we considered necessary to enable us to express an opinion that they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the Plan's financial statements does not relieve you or management of its respective responsibilities.

Our responsibility for the supplemental information accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the supplemental information, other than that derived from the information certified by the trustee, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding a significant deficiency and other matters noted during our audit in a separate letter to you dated December 10, 2021.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

Generally accepted auditing standards require independence for all audits. The auditors should communicate with those charged with governance circumstances or relationships (for example, financial interests, business or family relationships, or nonaudit services provided or expected to be provided) that, in the auditors' professional judgment, may reasonably be thought to bear on independence, and that the auditors gave significant consideration to in reaching the conclusion that independence had not been impaired.

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. The significant accounting policies used by the Plan are described in the footnotes to the financial statements.

- There has been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2020.
- No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions, and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users.

The disclosures in the financial statements are neutral, consistent, and clear.

Uncorrected and Corrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

The attached schedule summarizes adjustments made to convert financial information from cash to accrual.

Representations Requested from Management

We have requested certain representations from management that are included in the management representation letter attached.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

Management has informed us that, and to our knowledge, there were no such consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and plans and strategies that may affect the risks of material misstatement. However, these discussions occurred in the normal course of our professional relationship and none of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such information.

We have read the Form 5500, and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact.

Recent Auditing Guidance

Statement on Auditing Standards (SAS) No. 136

As we discussed during your Plan audit and communicated to you in our annual client letter, 2020 was the final plan year that the audit of your benefit Plan was performed prior to implementing American Institute of Certified Public Accountants ("AICPA") Auditing Standards Board ("ASB") Statement on Auditing Standards ("SAS") No. 136 ("SAS 136"), *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. SAS 136 is effective for audits of ERISA plan financial statements for periods ending on or after December 15, 2021.

SAS 136 contains the most comprehensive changes to benefit plan audits in many years. There will be changes to the auditors' opinion provided to the DOL, auditor communication to those charged with governance as well as required audit procedures for Plan audits. Fortunately, our internally designed audit methodology has already accounted for many of these audit procedures and you will see little change in our general audit approach.

The SAS includes an overarching theme of changes to increase plan sponsor awareness of their responsibilities and the meaning of what has traditionally been referred to as a "limited-scope audit." That terminology is replaced with ERISA Section 103(a)(3)(C). Auditors will no longer issue a disclaimer of opinion and will issue an ERISA Section 103(a)(3)(C) auditors' report which is much more explanatory. Please keep in mind, ERISA regulations remain unchanged, it is the accounting standards that have been modified. Plan management's fiduciary responsibilities regarding the Plan and audit also remain unchanged; however, there is a higher degree of acknowledgement of those responsibilities in audit communications.

One of the major changes before the Plan's auditor can accept performing the audit under the SAS, is that the auditor is required to obtain management's agreement that it acknowledges and understands its responsibility for the following:

1. Maintaining a current plan instrument, including all plan amendments.
2. Administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. When management elects to have an ERISA Section 103(a)(3)(C) audit (formerly "limited-scope audits"), determining whether:
 - an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances
 - the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,
 - the certification meets the requirements in 29 CFR 2520.103-5, and
 - the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework.

Lastly, auditors will be required to communicate, in writing to those charged with plan governance, “reportable findings” resulting from our audit. “Reportable findings” include findings that the auditors determine are significant and relevant to those charged with plan governance and/or internal control deficiencies that the auditors determine merit management’s attention, along with instances of noncompliance or suspected noncompliance with laws or regulations.

The AICPA Employee Benefit Plan Audit Quality Center published a plan advisory for plan sponsors to provide an understanding of the changes to audits of employee benefit plan financial statements. We have attached the comprehensive advisory below.

We strongly encourage you to read the advisory and become familiar with the requirements that will assist you in navigating through the challenging responsibilities for sponsoring an employee benefit plan and be prepared for your 2021 audit. The AICPA Employee Benefit Plan Audit Quality Center has many resources for plan sponsors so please look at [EBPAQC Plan Sponsor Resource Center](#).

This representation letter is provided in connection with your audit of the financial statements of National Microrentals, Inc. 401(k) Plan (the "Plan") which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended, December 31, 2020 and the related notes to the financial statements. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Great West Trust Company, LLC, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter.

Financial Statements

1. We have fulfilled our responsibilities, as set in the terms of the audit engagement letter dated July 19, 2021, including our responsibilities for the preparation and the fair presentation of the financial statements and note disclosures in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and the notes include all disclosures required by laws and regulations to which the Plan is subject, including DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We are not aware of any journal entries made by any of our third party service providers, including the Plan recordkeeper and custodian, adjusting the activity processed on behalf of the Plan and thus impacting the underlying reports used in preparing the Plan's financial statements. For this purpose journal entries are defined as any adjustment made to originally processed participant level transaction activity.
4. We acknowledge our responsibility for the design and implementation of internal control to prevent and detect fraud, and our responsibility to monitor the performance of the Plan's third-party service providers and review related reports.
5. We understand that you have examined or tested accounting records of the Plan and obtained other supporting evidence by methods (and to the extent) you deemed appropriate for the purpose of auditing the Plan's financial statements, but that such procedures would not necessarily disclose all fraud should any exist.
6. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been applied consistently from period to period. Our assumptions appropriately reflect Plan management's intent and ability to carry out specific courses of action. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*. In addition, our disclosures related to fair value measurements are consistent with the objective outlined in FASB ASC 820. There are no subsequent events that require adjustments to the fair value measurement and disclosures included in the financial statements.
8. Related party relationships and transactions, including transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from, or payable to, related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. We are in agreement with the adjusting journal entries you have proposed, and they have been posted to the Plan's accounts. These are cash to accrual adjustments.

11. The effects of all known actual or possible litigation, claims and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
12. With respect to the required supplemental information accompanying the financial statements:
 - a. We acknowledge our responsibility for presenting the required supplemental information in accordance U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. We believe the required supplemental information, including its form and content, is fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and disclosure under ERISA.
 - c. The methods of measurement or presentation of the required supplemental information have not changed from those used in the prior period, and we have disclosed any significant assumptions or interpretations underlying the measurement and presentation of the supplemental information.
13. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
14. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
15. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
16. We have disclosed all known risks and uncertainties related to the economic effects of the COVID-19 pandemic that could significantly affect the amounts reported in the financial statements in the near term (a period of time not to exceed one year from the date of the financial statements) as required by ASC 275, Risks and Uncertainties.
17. The Plan the matched 50% of a participant's pre-tax and after-tax contributions up to 6% of compensation. The discretionary match was suspended effective June 26, 2020. The match rates for the Plan year were approved by the Plan sponsor.
18. The Plan has included bonuses pays in its definition of Plan compensation in prior years.
19. During 2020, the company initiated certain pay reductions related to the Covid pandemic. These pay reductions were approved by National Microrentals, Inc.

Information Provided

1. We have provided you with:

- a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - d. Plan instruments, trust agreements, service contracts, insurance contracts and any related amendments entered into during the year, including amendments to comply with applicable laws.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
 3. There were no minutes or summaries of actions of meetings of the Plan through the date of this letter.
 4. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 5. We have no knowledge of any allegations of any fraud or suspected fraud affecting the Plan involving:
 - a. Management;
 - b. employees who have significant roles in the Plan's internal control; or
 - c. others where the fraud could have a material effect on the financial statements.
 6. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
 7. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
 8. We are not aware of any pending or threatened litigation and claims and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation or claims.
 9. We are not aware of any communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, and the operation of the Plan.
 10. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us that must be disclosed and we have not consulted legal counsel concerning litigation or claims.

11. We have obtained and reviewed the applicable service provider's service auditor (SOC 1) reports and we are performing the applicable user controls.
12. We have no:
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities, except as made known to you and disclosed in the financial statements.
 - b. Intentions to terminate the Plan.
 - c. Securities lending agreements in place
13. There are no:
 - a. Violations or possible violations of laws or regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 - b. Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that we are aware of that are required to be accrued or disclosed in the financial statements in accordance with ASC Topic 450, *Contingencies*, and we have not consulted a lawyer concerning such litigation, claims, or assessments.
 - c. Restrictions or redemption fees relating to investments other than what has been disclosed in the financial statements.
14. Regarding fees paid from Plan assets:
 - a. We have reviewed the nature of expenses paid from Plan assets and determined such expenses are allowable and reasonable as defined in ERISA 404(a)(1)(A), and per the Plan's provisions.
 - b. We have determined compliance with 408(b)(2) fee regulations based on receipt and adequacy of required disclosures.
 - c. We are not aware of any non-exempt prohibited transactions resulting from Plan expenses.
15. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
16. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance

17. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement or the Rules and Regulations of the DOL.
18. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
19. All required amendments to and filings of Plan documents with the appropriate agencies have been made.
20. The Plan has adopted a Prototype Non-Standardized Plan sponsored by Automatic Data Processing. On 07/16/14, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.
21. The Coronavirus, Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. During 2020, we implemented the COVID-19 related distributions and loan provisions, as well as suspension of required minimum distributions ("RMD") for anyone required to receive an RMD in 2020. The Plan will be formally amended prior to December 31, 2022 as required by the Act.
22. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified Plan (and trust). The Plan sponsor has operated the Plan and trust or insurance contract in a manner that did not jeopardize this tax status. Top heavy testing has been performed. Required nondiscrimination testing related to Code Sections 401(k) and 401(m) arrangements, as applicable, have been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
23. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
24. The Plan has complied with the fidelity bonding requirements of ERISA.
25. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interest or pledges requiring disclosure in the financial statements have been made known to you and properly disclosed. None of the Plan's assets were mortgaged, assigned, pledged or encumbered by law or in any other manner at December 31, 2020. No security agreements have been executed under the provisions of the Uniform Commercial Code, except as disclosed in the financial statements.
26. There are no:
 - a. Nonexempt, party-in-interest transactions (as defined in ERISA Section 3(14) and regulations under the section) that were not disclosed in the supplemental schedules or financial statements. We have

disclosed to you the identity of the Plan's and Company's related parties, parties-in-interest, and all the related party/party-in-interest relationships and transactions of which we are aware.

- b. Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
- c. Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section), if any, that were not disclosed in the supplemental schedules.

27. Anthony Meduri, CFO and John Saldutti, Director of Operations are those charged with Plan governance.
28. We have disclosed to you all deficiencies in the design or operation of internal control over financial reporting identified as part of our evaluation, including separately disclosing to you all such deficiencies that we believe to be significant deficiencies or material weaknesses in internal control over financial reporting.
29. We have no knowledge of any material fraud or suspected fraud affecting the Plan, or any fraud or suspected fraud involving senior management or management or other employees who have a significant role in the Plan's internal control over financial reporting
30. Control deficiencies that you identified during your previous audit and communicated to management and have been resolved.
31. There have been no changes in internal control over financial reporting and other events subsequent to date that might significantly affect internal control
32. We have responded fully and truthfully to all inquiries made to us by you during the audit.

Introduction

The AICPA Employee Benefit Plan Audit Quality Center (EBPAQC) has prepared this advisory to provide plan management (the plan sponsor, administrator, or trustee) with an understanding of the changes to audits of employee benefit plan financial statements subject to the Employee Retirement Income and Security Act (ERISA) following the issuance of Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, as amended. SAS No. 136 does not apply to plans not subject to ERISA, such as plans sponsored by governmental entities.

Why did the audit standards for employee benefit plans change?

In July 2019, the American Institute of Certified Public Accountants (AICPA) Auditing Standards Board (ASB) issued SAS No. 136, which prescribes certain new performance requirements for ERISA plan financial statement audits, and changes the form and content of the related auditor's report. SAS No. 136, as amended, is meant to improve auditor performance and enhance the quality of employee benefit plan audits, and increase the communicative value and transparency of the auditor's report for ERISA plan financial statements. SAS No. 136, as amended, has been codified in AU-C section 703, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, in AICPA Professional Standards.

When will the changes be effective?

AU-C section 703 is effective for audits of financial statements for periods ending on or after December 15, 2021, and early adoption is permitted. Discuss with your auditor their anticipated timeline for adopting AU-C section 703.

What has changed?

New requirements for plan auditors. There are expanded requirements in all phases of an audit, including:

- engagement acceptance and obtaining additional management representations,
- performing risk assessment procedures related to the plan instrument, plan tax status and prohibited transactions, and responding to identified risks,
- communicating additional matters (reportable findings) with those charged with plan governance,
- performing certain additional audit procedures unique to auditing ERISA plans, and
- issuing a new form of the auditor's report.

ERISA Section 103(a)(3)(C) audits. A new name and a different audit report.

There are significant changes when management elects to instruct the auditor not to perform any additional procedures with respect to investment information certified by a qualified institution pursuant to ERISA Section 103(a)(3)(C). These audits will no longer be referred to as a "limited scope audit," but are now referred to as an "ERISA Section 103(a)(3)(C) audit." These audits will no longer be considered as having a scope limitation, and the auditor will follow new performance and reporting requirements. Accordingly, the auditor will no longer issue a disclaimer of opinion, but instead would issue an ERISA-Section 103(a)(3)(C) auditor's report in accordance with AU-C Section 703 that contains a two-pronged opinion that is based on the audit and on the procedures performed relating to the certified investment information. It provides an opinion on whether the amounts and disclosures in the financial statements not covered by the certification are presented fairly, in all material respects, in accordance with the applicable financial reporting framework, and an opinion on whether the certified investment information in the financial statements agrees to or is derived from, in all material respects, the certification.

How do the changes affect plan management?

As part of the auditor's acceptance of the audit engagement, the auditor will request plan management to acknowledge in the engagement letter certain management responsibilities that are specific to audits of ERISA plans, such as for maintaining a current plan instrument, administering the plan, and providing the auditor with a draft Form 5500 that is substantially complete prior to the dating of the auditor's report. See the "Engagement acceptance" section of this plan advisory for further details. In addition, the new standard requires that the auditor obtain certain written management representations at the conclusion of the engagement regarding those responsibilities. It also includes new acknowledgements related to management's responsibilities with respect to the investment certification when management elects to have an ERISA Section 103(a)(3)(C) audit.

Your auditor may request additional information from you in order to perform the plan audit, which may require you to spend more time preparing for the audit.

Summary of Key Changes

Engagement acceptance

Before the plan's auditor can accept performing the audit under the new standard, the auditor is required to obtain management's agreement that it acknowledges and understands its responsibility for the following (these are in addition to other matters that the auditor may ask management to acknowledge):

- Maintaining a current plan instrument, including all plan amendments
- Administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- When management elects to have an ERISA Section 103(a)(3)(C) audit, determining whether:
 - an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances
 - the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,
 - the certification meets the requirements in 29 CFR 2520.103-5, and
 - the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework.

As part of engagement acceptance when management elects to have an ERISA Section 103(a)(3)(C) audit, the auditor is required to inquire of management about how management determined that the entity preparing and certifying the investment information is a qualified institution under DOL rules and regulations.

For all ERISA audits, the auditor also is required to obtain the agreement of plan management or those charged with governance to provide to the auditor, prior to the dating of the auditor's report, a draft Form 5500 that is substantially complete. A draft of Form 5500 that is substantially complete is one that includes the forms and schedules that could have a material effect, involving both qualitative and quantitative considerations, on the information in the financial statements and ERISA-required supplemental schedules.

Reportable findings

Under AU-C section 703, The auditor is required to evaluate whether certain matters identified during the audit result in "reportable findings," which are defined as matters that are one or more of the following:

- An identified instance of noncompliance or suspected noncompliance with laws or regulations.
- A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process.
- An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention.

When planning the audit engagement, the auditor may establish an understanding with management or those charged with governance about what would be considered a reportable finding.

Procedures for an ERISA Section 103(a)(3)(C) audit

The EBPAQC has developed a tool, *Conditions for plan management to elect an ERISA Section 103(a)(3)(C) audit*, to assist plan management in determining whether the conditions to elect an ERISA Section 103(a)(3)(C) audit have been met. When management elects to have an ERISA Section 103(a)(3)(C) audit, the auditor is required to:

- Evaluate management's assessment of whether the entity issuing the certification is a qualified institution under DOL rules and regulations.
- Identify which investment information is certified.
- Perform the following procedures on the certified investment information:
 - Obtain from management and read the certification as it relates to investment information prepared and certified by a qualified institution.
 - Compare the certified investment information with the related information presented and disclosed in the ERISA plan financial statements and ERISA-required supplemental schedules.
 - Read the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.
- Perform audit procedures on the financial statement information, including the disclosures, not covered by the certification as well as noninvestment-related information based on the assessed risk of material misstatement. Plans may hold investments in which only a portion are covered by a certification from a qualified institution. In that case, the auditor should perform audit procedures on the investment information that has not been certified.

Written representations from plan management

At the conclusion of the engagement, in addition to the requirements under AU-C section 580, *Written Representations*, the auditor will request the following written representations from management:

- That management has provided the auditor with the most current plan instrument for the audit period, including all plan amendments.
- Acknowledgement of its responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- When management elects to have an ERISA Section 103(a)(3)(C) audit, acknowledgement that management's election of the ERISA Section 103(a)(3)(C) audit does not affect its responsibility for the financial statements and for determining whether:
 - an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances,
 - the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,
 - the certification meets the requirements in 29 CFR 2520.103-5, and

- the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework.

Considerations relating to Form 5500 filing

Plan management will need to provide the auditor with a draft Form 5500 prior to dating the auditor's report that is substantially complete (see the "Engagement acceptance" section above).

The auditor will read the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. If the auditor identifies a material inconsistency or a material misstatement of fact, they will determine whether the audited ERISA plan financial statements or the draft Form 5500 needs to be revised.

Communication of reportable findings with management or those charged with governance

The auditor is required to communicate in writing to those charged with governance, on a timely basis, reportable findings from the audit procedures performed. Such communication should be included with the required communication with those charged with governance (in accordance with AU-C sections 250, 260, or 265), as appropriate, either in a separate section or placed in such communications as the auditor deems appropriate. The auditor is not permitted to issue a written communication stating that no reportable findings were identified during the audit. The written communication should include the following:

- A description of the reportable finding(s).
- Sufficient information to enable those charged with governance and management to understand the context of the communication.
- An explanation on the potential effects of the reportable finding(s) on the financial statements or to the plan.

Illustration 1 — An auditor's report on financial statements for a defined contribution retirement plan subject to ERISA

Independent Auditor's Report [Appropriate Addressee] Opinion We have audited the financial statements of ABC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 20X2 and 20X1, and the related statement of changes in net assets available for benefits for the year ended December 31, 20X2, and the related notes to the financial statements. In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of ABC 401(k) Plan as of December 31, 20X2 and 20X1, and the changes in its net assets available for benefits for the year ended December 31, 20X2, in accordance with accounting principles generally accepted in the United States of America. Basis for Opinion We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Responsibilities of Management for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC 401(k) Plan's ability to continue as a going concern for [insert the time period set by the applicable financial reporting framework]. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.	The identification of the plan as one subject to ERISA is new and unique to ERISA plan auditor's reports. The second and third paragraphs under the "Responsibilities of Management for the Financial Statements" header are new and reflect management's additional responsibilities under AU-C section 703 and new reporting standards for auditors.
---	---

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of *[identify title of supplemental schedules and periods covered]* are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. [Signature of the auditor's firm] [City and state where the auditor's report is issued] [Date of the auditor's report]	<i>The auditor's opinion on the form and content of the supplemental schedules is new for non-section 103(a)(3)(C) audits.</i>

Illustration 2 — An Auditor's Report on Financial Statements for a Defined Contribution Retirement Plan Subject to ERISA When Management Elects an ERISA Section 103(a)(3)(C) Audit

Independent Auditor's Report [Appropriate Addressee] Scope and Nature of the ERISA Section 103(a)(3)(C) Audit We have performed audits of the financial statements of ABC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 20X2 and 20X1, and the related statement of changes in net assets available for benefits for the year ended December 31, 20X2, and the related notes to the financial statements. Management, having determined it is permissible in the circumstances, has elected to have the audits of ABC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained certifications from a qualified institution as of December 31, 20X2 and 20X1, and for the year ended December 31, 20X2,	<i>This paragraph communicates management's election of an ERISA Section 103(a)(3)(C) audit.</i> <i>It is management's responsibility for determining whether</i>

the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants. Auditor's Responsibilities for the Audit of the Financial Statements Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.	<i>new reporting standards for auditors.</i> <i>This section describes the auditor's responsibilities.</i>

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of *[identify the title of supplemental schedules and periods covered]* are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by³ a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
