INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Bilinguals, Inc. Retirement Plan
Melville, NY 11747

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bilinguals, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements ("Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Bilinguals, Inc. Retirement Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Bilinguals, Inc.'s (the "Plan Sponsor") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net depreciation/appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2022, the Plan's net depreciation (including gains and losses on investments bought and sold, as well as held during the year) was \$2,176,903.

Participant Notes Receivable: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when distributed to the Plan's participants.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2023 and August 31, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan, established on January 1, 2000, and restated on July 1, 2021, is a defined contribution plan covering substantially all employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's trustee, Ascensus Trust Company ("Trustee"), maintains the Plan's assets and executes investment transactions according to participant's directions. The Vanguard Group, Inc. is the custodian and record-keeper of the Plan (the "Custodian").

Eligible employees also include the employees of five related entities. Effective July 15, 2012, the Plan was amended to include employees of Axiom Link ("AXM"), Global Healthcare Services, Inc. ("GHS"), and Achieve Beyond New York ("ABI"). Effective September of 2017, the Plan was amended to include employees of Achieve Beyond Licensed Behavior Analyst Services, P.C. ("APC"). In May of 2019, the Plan was amended to include employees of Achieve Beyond Pediatrics Speech Therapy Corporation ("APS"). On November 5, 2022, Achieve Beyond entered into an asset purchase agreement whereby an unrelated entity agreed to purchase predominantly all of the net assets of GHS exclusive of intercompany transactions. This agreement became effective in December of 2022. Achieve Beyond is acting as a management company for GHS; therefore, the employees of GHS are eligible to participate in the Plan until Achieve Beyond is fully transitioned out, which is estimated to be August of 2023.

Eligibility: All full-time employees become a participant of the Plan on or after reaching the age of 18 and completing two months of service. In July of 2021, the Plan's eligibility was amended to include part-time hourly employees that work for at least one year and complete 1,000 hours of service. Part-time hourly employees must complete 500 hours of service to avoid a break in eligibility service (i.e. if a part-time employee that incurs a break in service fails to reach 500 hours of service prior to the break in service, the Plan may disregard the employee's service time prior to the break in service and require the employee to reach one year of service and complete 1,000 hours of service after such break in service).

NOTE 2 – DESCRIPTION OF THE PLAN (continued)

Contributions: Each year, participants may contribute to the Plan a percentage of compensation, as defined in the Plan document, or in specific dollar amounts, up to the maximum amount permitted by the Internal Revenue Code (“IRC”). Employees may elect to defer a maximum amount not to exceed \$20,500, the annual threshold as established by the Internal Revenue Service (“IRS”), for the Plan year ended December 31, 2022. The annual base salary for the purposes of the Plan is limited by the IRC to \$305,000. In addition, Participants who attained age 50 by December 31, 2022 were eligible to make an additional catch-up deferral of \$6,500. Participants may also contribute amounts distributed from other qualified defined benefit or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at three percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan Sponsor, at their discretion, may make a matching contribution equal to a discretionary percentage, to be determined by the employer, on a uniform basis for all participants each pay period. Eligibility for matching is one year of service with 1,000 hours, and employed on the last day of the Plan year. For the 2022 Plan year, the Plan Sponsor matched 10% of eligible employee deferrals. Total employer contributions amounted to \$104,597.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant’s account is credited with each participant’s contribution and earnings, and an allocation of any employer contributions and administrative expenses. As a participant-directed plan, each participant’s investment choices determine his/her share of earnings or losses.

Vesting: Participants are immediately fully vested in their contributions plus actual earnings thereon. Participants become fully vested in the Plan Sponsor’s matching contributions plus related earnings according to the following schedule:

Years of Service	Vesting %
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%

Upon the date the participant becomes disabled, deceased, attains the age of 65, the Plan's normal retirement age, or has completed at least six years of service for vesting purposes, participants shall be 100% vested in their accounts.

Notes Receivable from Participants: Effective May of 2018, the Plan was amended to prohibit participants from requesting a new loan. Prior to this amendment, participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balances in the participants' accounts and bear interest at the prime rate plus one percentage point at the date of the loan. The interest rates charged on the participant loans range from 4.25% to 5.25% for the year ended December 31, 2022. Principal and interest is paid ratably through monthly payroll deductions.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Under certain circumstances, a loan that is in default may be considered a distribution from the Plan ("deemed distribution") which could result in taxable income to the participant.

Forfeited Accounts: When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeitures in each Plan year are used to reduce employer contributions for the Plan year. The total forfeitures applied against employer contributions during the 2022 Plan year was \$12,476. There was no forfeiture balance at December 31, 2022. The ending forfeiture balance as of December 31, 2021 was \$461.

Investment Options: Upon enrollment in the Plan, participants may direct the Custodian to invest contributions in various investment options managed by the Custodian, their affiliates, and other large investment management companies. Participants may change their contribution investment options, transfer part or all of past investments to other funds and change their deferral percentage at any time by giving the Plan administrator advance notice.

In-service Withdrawals: In-service or hardship withdrawals are permitted by the Plan under limited circumstances.

NOTE 2 – DESCRIPTION OF THE PLAN (continued)

Payment of Benefits: Upon termination of service due to death, disability, or retirement, participants may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments not exceeding the life expectancy of the participant or his or her designated beneficiary. Participants must start receiving required minimum distributions of benefits by April 1st following the year in which they reach the age of 72, even if they are still employed by the Plan Sponsor. If a participant terminates with a vested account balance that does not exceed \$5,000 and did not consent to a distribution, the participant's account will be distributed into a rollover IRA to be established by the Custodian on the participant's behalf.

Administrative Expenses: Certain administrative functions are performed by employees of the Plan Sponsor for which they are compensated by the Plan Sponsor. In addition, the Plan Sponsor pays certain other Plan-related expenditures. Certain investment-related Plan expenses like fees paid to administer and manage the funds are paid from the assets of the funds, and therefore reduce the overall return offered by the funds. During the year ended December 31, 2022, administrative expenses charged to the Plan were \$42,753.

Plan Amendments: The Employer has the right under the Plan to amend the Plan at any time. The Plan was amended in July 2021.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"). Many of the provisions of the SECURE Act were effective January 1, 2020 and will require significant changes to the plan administration and recordkeeping. The Plan Sponsor has until the 2025 Plan year to amend the Plan to include any adopted SECURE Act provisions.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE

Investments and notes receivable from participants disclosed the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual Funds (Registered Investment Companies): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Money Market: Valued at cost, which estimates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total assets at fair value	<u>\$ 11,287,171</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,287,171</u>

NOTE 5 – INCOME TAX STATUS

The Plan Sponsor elected to adopt the Trustee's prototype plan, which received a favorable opinion letter from the IRS dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the internal revenue code.

Accounting principles generally accepted in the United States of America require the Plan Sponsor to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.
