## **Independent Auditor's Report**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Infomerge, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**INFOMERGE, LLC 401(K) PLAN**  
Manhattan, Kansas  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2022 and 2021

**Note 1: Description of the Plan**

The following description of Infomerge, LLC 401(k) Plan (the Plan) provides only general information. Refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering employees of Infomerge, LLC (the Entity). This Entity was established as a professional employer organization and was created to provide benefits to orthopedic and other offices that were members of the entity. The Plan included three companies in 2022 and 2021 (the Companies). Employees are eligible to begin deferring contributions after attaining age 21 and completing one year of service. Employees eligible for participant deferrals are also eligible for company contributions but must be employed on the last day of the Plan year and have 1,000 hours for that Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Employee Contributions**

Participating employees may elect to contribute a percentage of their annual compensation, as defined in the Plan document, to the Plan on a tax-deferred or after-tax basis. No less than 1% deferral can be made and participants can defer up to 75% of compensation subject to limitations in the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Transfers from other qualified plans are allowed under the provisions of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Employer Contributions**

The Companies may make a discretionary match contribution equal to 6% of participants compensation. The Companies have not elected a discretionary match for the years ending December 31, 2022 and 2021.

The Companies made safe-harbor contributions of 3% of the prior year compensation totaling \$268,656 and \$266,286 for the Plan years ended December 31, 2022 and 2021, respectively.

At the end of the Plan year, the Companies, at the discretion of their Board of Directors, also may make profit-sharing contributions, as defined in the Plan document. Profit-sharing contributions are allocated to eligible participants based upon the percentage of the participant's compensation to the total compensation of all eligible participants. The Companies have elected to make discretionary contributions for Plan years ended December 31, 2022 and 2021 of \$419,456 and \$412,610, respectively. Companies contributions are invested in the participant directed accounts in the same manner as the employee deferrals.

**Participant Accounts**

Each participant's account is credited with the participant's voluntary contribution and allocations of the employer's matching contribution, any employer discretionary profit-sharing contribution and Plan earnings, which are allocated proportionately among all participants based on participant earnings or account balances, as defined. Participants' accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested immediately in their deferral contributions and the employer safe harbor match. Companies discretionary contributions, plus actual earnings thereon are vested through a 6-year graded vesting plan. Participants must complete at least 1,000 hours during a vesting computation period to receive credit for that year. The schedule for vesting is 0-1 year at 0%, 2 years at 20%, 3 years at 40%, 4 years at 60%, 5 years at 80% and 6 years at 100%.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
December 31, 2022 and 2021

**Note 1: Description of the Plan (Continued)**

**Participant Loans**

Loans are not permitted under the Plan.

**Payment of Benefits**

Distributions are made upon death, disability, retirement, or termination of employment. The participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distributions are made in a lump sum or, if subject to required lifetime required minimum distribution payments, substantially equal payments. In-service distributions are permitted from the participant's account upon attaining age 59<sup>1/2</sup>.

**Forfeitures**

Forfeitures of company matching contributions can be used to apply to employer contributions, pay Plan expenses or be directly allocated to participants accounts. Amounts forfeited during the years ended December 31, 2022 and 2021 were \$23,647 and \$8,744, respectively. During 2022, \$8,744 of forfeitures were used to offset employer contributions. During 2021, \$4,840 of forfeitures were used to offset employer contributions. Forfeiture balances at December 31, 2022 and 2021 were \$23,647 and \$8,744 respectively.

**Note 2: Summary of Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Companies are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employees' payroll.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Payment of Benefits**

Benefits are recorded when paid. As of December 31, 2022 and 2021 the Plan had no pending distributions of a participant requesting distribution but not receiving it until the subsequent year.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Other expenses are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of investments.

**Investment Valuation and Income Recognition**

The Plan's investments are presented as determined and certified by Mid Atlantic Trust Company (the Custodian) as of the Plan's year end. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Note 2: Summary of Accounting Policies (Continued)**  
**Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology include quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or other inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Note 3 for further documentation on fair value measurements.

**Note 3: Fair Value Measurements**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                          | <b>Level 1</b>       | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>         |

| Mutual funds             | \$ 32,673,151        | \$ -           | \$ -           | \$ 32,673,151        |
| Money market funds       | 128,689              | -              | -              | 128,689              |
| <b>Total</b>             | <b>\$ 32,801,840</b> | <b>\$ -</b>    | <b>\$ -</b>    | <b>\$ 32,801,840</b> |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 and 2021. Following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual Funds and Money Market Funds**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

December 31, 2022 and 2021

**Note 4: Related Party and Party in Interest Transactions**

The Companies absorb the cost of audit fees related to the Plan, some administrative fees and the cost of fidelity bonds. Certain administrative functions are performed by officers or employees of the Companies. No such officer or employee receives compensation from the Plan. As the Plan does not reimburse for these costs, such services are not included in these financial statements.

Investment related expenses are reported as administrative expenses. Administrative functions are performed by officers and employees of the Companies. Additional party-in-interest transactions include audit fees paid to Varney and Associates, CPAs, LLC, and third party administration fees paid to Allen, Gibbs & Houlik, LC. These transactions qualify as exempt party-in-interest transactions.

**Note 5: Plan Termination**

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time. The Companies may at any time, terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**Note 6: Tax Status**

The Companies adopted a non-standardized prototype plan document. The Internal Revenue Service issued an opinion letter, dated June 30, 2020, on the prototype plan document, indicating the basic plan document is acceptable under Code Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of worldwide incidents, there has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact these events may have.

**Note 8: Reconciliation of Financial Statements to Form 5500**

Schedule H of Form 5500 reconciles to the financial statement amounts.
