INDEPENDENT AUDITORS' REPORT

September 27, 2023

To the Plan Administrator
The Webb Law Firm 401K
Profit Sharing Plan and Trust
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Webb Law Firm 401K Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements of The Webb Law Firm 401K Profit Sharing Plan and Trust performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Webb Law Firm 401K Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Webb Law Firm 401K Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Webb Law Firm 401K Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Webb Law Firm 401K Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE WEBB LAW FIRM 401K PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the The Webb Law Firm 401K Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General – The Plan is a defined contribution 401(k) plan covering all employees of the The Webb Law Firm (the Company), excluding leased employees, summer associates, law clerks, and hourly employees. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA), as amended.

Employee Contributions – Participants may contribute pre-tax and Roth amounts as defined by the Plan in accordance with the Internal Revenue Code section 415 limits. Participants may also contribute rollovers from other qualified plans. All contributions, including the employer contributions, may be directed at the discretion of each participant into the various investment options offered by the Plan.

Employer Profit Sharing Contribution – The Company may contribute a discretionary amount to the Plan. This amount is decided annually by the Board of Directors and is allocated to all participants that were credited with at least 1,000 hours of service for the plan year and were employed on the last day of the plan year, including those who terminated employment due to death, disability, or retirement. The Company profit sharing contribution for the year ended December 31, 2022 amounted to \$733,522.

Employer 401(k) ADP Safe Harbor Non-elective Contribution – The Company will contribute an ADP Safe Harbor Non-elective contribution in the amount of 3% of each eligible participant's compensation. Participants are immediately 100% vested in this contribution. The Company safe harbor non-elective contribution for the year ended December 31, 2022 amounted to \$402,092.

Participant Accounts – Each participant's account is credited with (a) the participant's contributions, (b) the Company's contributions, (c) forfeitures, and (d) any earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions and the safe harbor non-elective contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The following vesting schedule is used for the Company's discretionary contributions:

<u>Years of Service</u>	<u>Vesting Percentage</u>
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures – Forfeitures represent participant account balances that are not vested upon the termination of an employee. All forfeited amounts are used toward the employer's obligation to make contributions. At December 31, 2022 and 2021, there were unallocated forfeitures of \$44,105 and \$27,917, respectively. Forfeitures in the amount of \$16,597 were used to reduce the employer contribution in 2022.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participants' account, or various annuity options. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

THE WEBB LAW FIRM 401K PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Description of Plan (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are considered to be collectible as they are secured by the balance in the participants' accounts. Interest is charged at a reasonable rate as defined in the plan document. Interest rates range from 5.25% to 9.00% at December 31, 2022. Principal and interest is paid ratably through payroll deductions. Repayment terms may not exceed 5 years unless the loan is granted for the purpose of acquiring the participant's principal residence. Notes receivable are stated at their unpaid principal balance plus accrued unpaid interest.

Administrative Expenses – Plan expenses paid for by the Company include fees for services provided by the third party administrator and auditing firm; investment advisory fees and other administrative expenses charged by the custodian are paid out of the participant account balances to which the fee applies. The fees are reduced by investment fee credits received by the Plan.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price), (see Note 8). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during year.

Payment of Benefits – Benefits are recorded when paid.

Note 3 – Tax Status

The Plan obtained a favorable advisory letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2019, 2020, and 2021 are subject to examination by the taxing authorities, generally for three years after they were filed.

THE WEBB LAW FIRM 401K PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the Board or Directors, or to amend the Plan at any time and in any respect, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance.

Note 5 – Related-Party Transactions

Plan investments in the registered investment companies were held by American Funds. American Funds is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. The fees paid to American Funds for the year ended December 31, 2022 were \$1,178. The plan also received credits under revenue sharing agreements of \$7,744. The plan incurred \$73,248 in fees to its investment advisor. Certain other administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 – Information Certified by the Custodian

For the years ended December 31, 2022 and 2021, the plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Capital Bank and Trust Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

The Plan administrator has obtained certification from the custodian that the information is complete and accurate as of and for the years ended December 31, 2022 and 2021:

Note 8 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASB 820-10 are:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

Registered investment companies are valued at the net asset value (NAV) of shares held by the Plan at year end. The registered investment companies held by the Plan are deemed to be actively traded.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Registered investment companies	\$ 35,888,175	\$ -	\$ -	\$ 35,888,175

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Registered investment companies	\$ 41,932,102	\$ -	\$ -	\$ 41,932,102

Note 11 – Subsequent Events

Effective January 1, 2023, the plan was amended to modify the definition of compensation to clarify certain types of excluded compensation, increase the Plan's forced cash-out threshold to \$5,000, and modify the rules pertaining to Participant loans from the plan so that no participant is permitted to take a new loan or modify an existing loan if the participant previously took any such action in the same calendar year.

Effective January 1, 2023, the plan was also amended to make revisions to the Plan's stated Trustees.

The Plan has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued.
