REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Plumbers' Retirement Savings Fund,
Local 130, U.A.

Opinion

We have audited the financial statements of Plumbers' Retirement Savings Fund, Local 130, U.A. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Plumbers' Retirement Savings Fund, Local 130, U.A. as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Plumbers' Retirement Savings Fund, Local 130, U.A. (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contributions due and not paid prior to year end are recorded as contributions receivable. Deficiencies owed as a result of payroll compliance audits are generally reserved for significant uncertain collections. No allowance for uncollectible accounts was considered necessary as of either December 31, 2022 or 2021.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate currently in effect, as set forth in the applicable collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction located in the following counties of Illinois: Bureau, Cook, DeKalb, DuPage, Grundy, Iroquois, Kane, Kankakee, Kendall, Lake, LaSalle, Livingston, Marshall, McHenry, Putnam, Will, and Woodford. In accordance with certain reciprocity agreements, the Plan is entitled to receive funds from participating employers on behalf of temporary employees working in the jurisdiction of local union. Such amounts are not considered to be material to these financial statements.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not paid at either December 31, 2022 or 2021.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 8, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established on September 1, 1998, under an agreement between the local union and various plumbing contractor associations. The purpose of the Plan is to provide termination or supplemental retirement benefits for covered participants, spouses or beneficiaries. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

The Plan is primarily funded by contributions from employers, at amounts specified in the collective bargaining agreement. Through May 31, 2021, the hourly employer contribution rate was \$3.25 and \$4.00 thereafter.

Upon enrollment in the Plan, participants may elect to have their account balances invested in various investment options. In the absence of participant direction, contributions are invested in a default investment option. Participants must evaluate their own investment goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed on their behalf.

Participants' accounts are credited with employer contributions made on their behalf, as well as an allocation of Plan earnings. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants become fully vested in their individual accounts on the date a contribution is first received on their behalf. The Plan does not allow for forfeitures. The Plan also accepts rollovers from other qualified plans.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Upon death, disability or termination from industry employment for more than six months or retirement, participants or, if applicable, their beneficiaries, are entitled to receive their account balance as a lump sum or annuity. For termination of service due to other reasons, a participant may elect a retirement benefit upon satisfaction of the age requirements. In addition, the Plan allows hardship distributions. Under this provision, participants may request a withdrawal from their account balance upon an immediate and heavy financial need due to medical, residence, educational or funeral related expenses.

The Plan's net assets available for benefits at December 31, 2022 and 2021 include unallocated amounts of \$377,398 and \$346,495 respectively, which are available to pay administrative expenses incurred by the Plan. The Plan's unallocated net assets are established through a quarterly administrative fee charged to participant accounts and administrative service reimbursements as described in Note 9.

Participants should refer to the summary plan description for more complete details.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's determination letter is dated August 8, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investments in pooled funds are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)**Measurements Using Net Asset Value as a Practical Expedient (continued)**

The underlying assets of the pooled funds consist principally of marketable equity and fixed income mutual funds which are valued using publicly quoted prices. Redemptions are available on a daily basis without notice. The following presents a summary of the underlying assets of the pooled funds at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Domestic equity	\$ 26,696,593	\$ 39,639,958

Total	<u>\$ 268,362,160</u>	<u>\$ 327,048,552</u>

NOTE 6. BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive group annuity contract with Empower (formerly Mass Mutual), who maintains the contributions in a general account. The contract is considered a traditional investment contract. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The average yield and crediting interest rates were 3.58% and 2.66% for the years ended December 31, 2022 and 2021, respectively. The contract is included in the statements of net assets available for benefits at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Empower. The Plan administrator believes the occurrence of such events, that would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 7. RELATED PARTY TRANSACTIONS

The Plan is related to several organizations including a local union, a training fund and several fringe benefit plans, all of which are tax-exempt.

Shared Administrative Expenses

Administrative Employees

The Plan utilizes certain employees of the related Plumbers' Pension Fund, Local 130, U.A. (Pension Fund) and Plumbers' Welfare Fund, Local 130, U.A. (Welfare Fund) for administrative services including, but not limited to, bookkeeping and benefit processing. As a result, common administrative expenses including salaries and related costs, are initially paid by the Pension and Welfare Funds and allocated to the Plan. Total shared administrative expenses allocated for administrative employees were \$112,992 and \$85,837 for the years ended December 31, 2022 and 2021, respectively. Amounts due to the Pension Fund totaled \$48,231 and \$36,553 at December 31, 2022 and 2021, respectively. Amounts due to the Welfare Fund totaled \$28,987 and \$56,967 at December 31, 2022 and 2021, respectively.

Contribution Processing - Data Center

The processing of employer contributions and administration of a payroll compliance audit and collections program on behalf of the Plan are the responsibility of the Welfare Fund. Total contribution processing and collection expenses for the years ended December 31, 2022 and 2021 were \$92,778 and \$26,129 respectively. Amounts due to (from) the Welfare Fund for data center expenses at December 31, 2022 and 2021 totaled (\$63,888) and \$9,514 respectively.

Lockbox Accounts

Contributions for the Plan and related organizations are received and deposited into lockbox accounts maintained by the Welfare Fund. Routinely, amounts owed are transferred from the lockbox accounts into the respective organizations' investment accounts. Amounts due from these lockbox accounts at December 31, 2022 and 2021 were \$3,414 and \$52,966 respectively.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

The Plan is maintained under an agreement with Empower Retirement (Empower), who has custody of the assets of the Plan and makes payments to participants at the direction of the Plan administrator. The Plan receives an administrative service fee reimbursement from Empower on a quarterly basis, which is intended to reimburse the Plan for reasonable administrative or professional expenses incurred. The amount reimbursed is the excess of the quarterly recordkeeping revenue earned by Empower over the quarterly participant charges due from the Plan. Administrative fee reimbursements totaled \$206,017 and \$256,191 for the years ended December 31, 2022 and 2021, respectively.

Certain Plan investments are managed by Empower. Therefore, transactions with Empower qualify as exempt party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Plumbers' Retirement Savings Fund,
Local 130, U.A.

We have audited the financial statements of Plumbers' Retirement Savings Fund, Local 130, U.A. (the Plan) as of and for the years ended December 31, 2022 and 2021, and our report thereon dated September 8, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
