INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees
Richardson Sports, Inc. 401(k) Profit Sharing Plan
Springfield, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Richardson Sports, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Richardson Sports, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Richardson Sports, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Richardson Sports, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Richardson Sports, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Richardson Sports, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following brief description of Richardson Sports, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering all eligible employees of Richardson Sports, Inc. (the Company). Employees are eligible to participate in the Plan upon the attainment of age 19 and at least 1,000 hours of service in a consecutive 12-month period. Eligible participants may enter the Plan on January 1 and July 1 of each Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's most recent restatement was effective January 1, 2022. The Board of Trustees oversees the governance of the Plan.

Contributions

Participants may elect annually to contribute pre-tax or after-tax (Roth) contributions up to the maximum percentage allowable by law, limited to the amounts provided by the Internal Revenue Code (IRC). Individuals who attain age 50 by the end of the Plan year may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified plans. These contributions are fully vested at all times.

The Company makes a Safe Harbor matching contribution of 100 percent of deferrals up to 3 percent of eligible compensation, plus 50 percent of deferrals that exceed 3 percent of compensation but do not exceed 5 percent of compensation each payroll period. The Company may also make discretionary profit-sharing contributions as elected by the Company allocated to participants based upon each participant's eligible compensation in proportion to the compensation of all participants.

The Company made a Safe Harbor matching contribution of \$293,895 and \$254,165 for the years ended December 31, 2022 and 2021, respectively. The Company made no discretionary profit-sharing contributions for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) the Plan's investment earnings or losses, and (c) certain Plan administration costs not covered by the Company. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the entire portion of their investment account.

Vesting and Payment of Benefits

Participants are immediately vested in their elective contributions and Safe Harbor match contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of service. A participant is 100 percent vested after 6 years of credited service. Unvested portions of account balances of participants who leave employment may be used for Company contributions or to pay Plan expenses. On termination of service, death, disability, or retirement, a participant will receive a lump-sum amount equal to the participant's vested interest. The Plan does not allow hardship distributions.

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Participant Loans

The Plan does not allow for participant loans.

Forfeitures

Forfeitures may arise from the nonvested portion of Company contributions in a participant's account. Once forfeited, they may be used to offset Company contributions or pay Plan expenses. There were no forfeitures during the years ended December 31, 2022 and 2021, which could be used to offset future Company contributions or pay Plan expenses.

Plan Administration

OneAmerica Financial Partners, Inc. (OneAmerica), a company related to American United Life Insurance Company, provided administration and recordkeeping services for the years ended December 31, 2022 and 2021.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan investments are reported at fair value, except for fully benefit-responsive insurance contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Administrative Expenses

Administrative expenses of the Plan are generally paid by the Plan. The Company may absorb certain costs of administering the Plan and these expenses are excluded from these financial statements. Custodial and other administrative fees are paid from participant accounts. Investment related expenses are included in net change in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

3. Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, American United Life Insurance Company, acting as the custodian for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Investments held:		
Pooled separate accounts, at fair value	\$ 5,800,831	\$ 6,276,711
Insurance contracts, at contract value	231,477	171,704
Investment income:		
Net change in fair value of investments	(1,052,865)	670,722
Interest income	1,028	754

4. Tax Status

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing Plan with CODA. OneAmerica Financial Partners, Inc., the sponsor of the volume submitter plan, has received an opinion letter from the Internal Revenue Service (IRS) dated August 19, 2020, that the adoption agreement and basic Plan document satisfy Internal Revenue Code (IRC) Section 401.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities. For the year ended December 31, 2021, the Plan had been notified by the Internal Revenue Service that a compliance review of annual contribution limitations were being conducted. The results of this review have been completed, noting no corrections needed.

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

5. Party in Interest Transactions

American United Life Insurance Company was the Plan investment custodian for the years ended December 31, 2022 and 2021; therefore, these investment transactions and related fees qualify as party in interest transactions. During the years ended December 31, 2022 and 2021, \$680 and \$840, respectively, of investment management fees were paid directly to American United Life Insurance Company from the Plan. These transactions were exempt from the prohibited transaction rules of ERISA.

6. Fair Value Measurements

Financial Accounting and Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

6. Fair Value Measurements, continued

Pooled separate accounts: Recorded at fair value based on the stated net asset value (NAV) of the separate account, which is used as a practical expedient to estimate fair value. Participant transactions may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the pooled separate accounts measured at NAV have not been classified in the fair value hierarchy. All pooled separate account investments held by the Plan within a group annuity contract and have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Insurance Contracts

The Plan's investments include a benefit-responsive insurance contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a pooled account (Stable Value Account), which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. All assets in the Stable Value Account are credited with interest using a declared quarterly rate determined by AUL and stated in advance of the coming quarter. There is no specific portfolio of assets in which the stable value fund invests. The credited interest rate is backed by the income received from assets held in AUL's general account. The average interest rate being credited to assets in the Stable Value Account as of December 31, 2022 and 2021, was 0.50 percent. It is not considered a guaranteed interest contract, nor a common/collective trust. Certain events, such as the premature termination of the contract by the Plan, or the termination of the Plan would limit the Plan's ability to transact at contract value with AUL. The Plan Administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with the Plan participants is not probable.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company employer discretionary contributions.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

RICHARDSON SPORTS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

10. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
