INDEPENDENT AUDITOR'S REPORT

To the Trustee, Plan Administrator and Participants
Geneva Trading Retirement Plan
Chicago, Illinois

Scope and Nature of the ERISA section 103(a)(3)(C)

We have performed audits of Geneva Trading Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA section 103(a)(3)(C) (ERISA section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Geneva Trading Retirement Plan's financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Geneva Trading Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Geneva Trading Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Geneva Trading Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about Geneva Trading Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022 is presented for purposes of additional analysis is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

GENEVA TRADING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Geneva Trading Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who meet certain age and service requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in the 401(k) plan if they are twenty-one or older. There is a three-month waiting period required to participate on a quarterly enrollment basis. With respect to profit sharing, employees are eligible after their date of hire. There is no age requirement for participation in profit sharing.

Contributions

Each year, participants may contribute up to fifteen percent of pretax annual compensation, as defined in the Plan. Participants' contributions during any taxable year are subject to the dollar limitations of section 402(g) of the Internal Revenue Code ("Code") in effect at the beginning of the year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary contribution to the plan each year.

Investment Options

Upon enrollment in the plan, a participant may direct both Company and Employee contributions. The Plan currently offers twenty-six investment options that include twenty-five mutual funds and a money market fund.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their elective contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus earnings thereon is based on years of continuous service, with 0% vesting until one full year of service, then as follows:

Years of service	Vesting Percentage
1	30%
2	65%
3	100%
4	100%
5	100%

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding of plan loans during the prior one-year period or 50 percent of their vested account balance. The loans must be adequately secured, typically by the vested balance in the participant's account, as determined by the Trustee. The loans must bear a reasonable rate of interest, which must be commensurate with the prevailing interest rate, as determined by the Trustee. Loans must be repaid within five years. However, loans for the purchase of an employees' principal residence must be repaid within 10 years. Principal and interest payments are to be made quarterly at a minimum.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive the value of the participant's vested interest in his or her account, or annual installments over a period of years not to exceed either the participant's life expectancy or joint life expectancy of the participant and the participant's designated beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The plan also allows other In-Service Distributions prior to termination of employment of certain deferrals and other contributions. Employees may also request a hardship distribution attributable to their elective deferrals.

Forfeited Accounts

Forfeitures are not allocated to participants but rather returned to the Plan's sponsor.

Accounting Policies

The Plan follows the single source of authoritative U.S. generally accepted accounting principles (GAAP) set by the Financial Accounting Standards Board to be applied by nongovernmental entities, *Accounting Standards Codification* (ASC), in the preparation of its financial statements.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company, the Plan's sponsor. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a detailed discussion of fair value measurement.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 4 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated in 2014 that the Plan and related trust are designed, and being operated, in compliance with the applicable requirements of the Internal Revenue Service Code (IRC). Therefore, the Plan administrator believes that the Plan is qualified, and the related trust was tax-exempt as of the financial statement date.

NOTE 4 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or any other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 5 - INVESTMENTS

The Plan's investments are held in a pooled separate account of a financial service institution, which administers the investments. As permitted by 29 CFR 2521.103-4 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan is exempted from reporting the cost basis of the pooled separate account investments. The following table presents investments that represent **5 percent** or more of the Plan's net assets.

	2022	2021
Securian AM S&P500 Index	$ 3,486,311	$ 3,473,421
Vanguard Long-term Investment Growth	1,194,350	1,569,169

JP Morgan Large Cap Growth	1,423,696	1,605,999
Columbia Global Technology Growth Fund	-	1,422,454

During the year ending December 31, 2022, the Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated/(depreciated) in value by:

	2022	2021
All investments	$ (3,979,834)	$ 2,033,635

NOTE 6 - FAIR VALUE MEASUREMENTS/INVESTMENTS

The Plan adheres to the provisions of ASC 821-10, "Fair Value Measurements", which defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e. "exit price") in an orderly transaction between market participants at the measurement date.

ASC 821-10 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In determining fair value, the Plan uses valuation approaches based on this hierarchy, categorizing them into three levels based on the inputs as follow:

Level 1 – Valuations based on unadjusted quoted price in active markets for identical assets and liabilities that the Plan has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 investments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan's assets recorded at fair value have been categorized based upon a fair value hierarchy in accordance with ASC 821-10.

Assets	**Level 1**	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 15,775,397	$ -	$ -	$ 15,775,397
Money market account	1,752,996	-	-	1,752,996
Total assets at fair value	$ 17,528,393	$ -	$ -	$ 17,528,393

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to Form 5500.

	2022	2021
Net assets available for benefits per the financial statements	$ 17,539,406	$ 19,786,140
Items not reflected on Form 5500	-	-
Net assets available for benefits per Form 5500	$ 17,539,406	$ 19,786,140

NOTE 9 - RELATED PARTY TRANSACTION

Certain Plan investments are shares of mutual funds managed by Securian Financials is a trustee as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the trustee/record keeping services totaled $280.

NOTE 10 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2521.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Securian Financials, except for comparing such information certified by the custodian to information included in the Plan's financial statements and the accompanying schedule of assets held for investment purposes:

Investments:

	2022	2021
Cash equivalents	$ 1,752,996	$ 3,558,191
Mutual funds	15,775,397	16,187,524
Participant loans	11,013	40,425
	$ 17,539,406	$ 19,786,140

The custodian also certified to the completeness and accuracy of $(3,979,834) of net depreciation in fair value of investments, interest and dividend income of $1,674, and benefit payments of $802,109 for the year ended December 31, 2022.

NOTE 11 - SUBSEQUENT EVENTS

The Plan's Administrator has evaluated subsequent events through September 8, 2023, which is the date the financial statements were available to be issued. No events have occurred from the date of the financial statements to September 8, 2023, which would require adjustments to or disclosure in the accompanying financial statements.
