INDEPENDENT AUDITOR'S REPORT

**To the Participants and Administrator of
Computer World Services Corporation 401(k) Plan
Falls Church, Virginia**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Computer World Services Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Computer World Services Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Computer World Services Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Computer World Services Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Computer World Services Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Computer World Services Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Computer World Services Corporation 401(k) Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended of December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of Computer World Services Corp. (the Company) 401(k) Plan (the Plan) provides only general information. Readers of these financial statements should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective July 28, 2011 and covers substantially all employees of the Company who are age 18 or older and having completed certain service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The trustee for the Plan is AdvisorTrust, Inc. (AdvisorTrust). AdvisorTrust uses TD Ameritrade, Inc. (TD Ameritrade) to provide custody of assets, trading, income collection, contribution deposit processing and paying agent services. The trustee is legally responsible for maintaining the assets of the Plan, making distribution payments as directed by the Company and generally performing all other acts deemed necessary or proper to fulfill its responsibility as set forth in the trust agreement pertaining to the Plan. Professional Capital Services, LLC is the Plan's recordkeeper.

Contributions

Participants may make voluntary contributions to the Plan through pre-tax salary deferrals of up to 80% of compensation, but must defer 1% of compensation. Participants are also able to make after-tax Roth contributions. The amount that may be contributed is limited by the Internal Revenue Code applicable to the type of plan. The Company makes a safe harbor matching contribution of 100% up to 4% of participant contributions. The Company may also make discretionary profit-sharing contributions to the Plan to employees who are active on the last day of the plan year and who have completed 1,000 hours of service. The Company made discretionary matching contributions of \$733,351 and \$819,168 for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and plan earnings and is charged with the participant's specific expenses. Plan earnings are allocated to the participant accounts based upon the ratio that each participant account bears to the total of all accounts within that specific fund.

Vesting

Participants are immediately vested in their contributions and the employer safe harbor matching contributions. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on eligible years of service. A participant is 100% vested after six years of credited service. In addition, participants become 100% vested in the case of death, permanent disability or upon attaining the age of 65.

Notes Receivable from Participants

Participants may borrow from their participant accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, except in the case of purchase of a primary residence. The loans are secured by the participants' accounts and bear interest at a rate based on the prime rate as published by *The Wall Street Journal*, as of the last day of the preceding quarter, plus 1 percent. Principal and interest are paid ratably through payroll deductions.

Computer World Services Corporation 401(k) Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended of December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service, death, or retirement, a participant is entitled to receive a distribution of the full amount in that participant's salary reduction and rollover contributions as well as the vested interest in the Company's contributions.

Forfeited Accounts

During 2022 and 2021, forfeited nonvested accounts totaled \$0 for both years. Forfeitures may be used to reduce employer matching contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting where revenues are recognized when earned and expenses are recognized when incurred. This basis of accounting conforms to accounting principles generally accepted in the United States.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

At December 31, 2022, all of the Plan's invested assets were held at AdvisorTrust, Inc. and were invested based on participant selection of funds. Investments are reported at fair value. Fair value is the sale price that would be received to sell an asset or price paid to transfer a liability in a typical transaction between market participants at the date of measurement. Plan management establishes the Plan's valuation policies using information provided by the custodians of the investments. See Note H for discussion of fair value measurements. Investment assets, transactions, and income as presented in the financial statements and supplemental schedules were certified by the trustee to be complete and accurate.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held, during the year.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Computer World Services Corporation 401(k) Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended of December 31, 2022 and 2021

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, AdvisorTrust, Inc. has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate. Investments, at fair value, total \$15,778,114 and \$17,413,180 as of December 31, 2022 and 2021, respectively. Investment loss totaled \$(2,688,245) for the year ended 2022.

NOTE D - RELATED PARTY TRANSACTIONS

AdvisorTrust, Inc. is the trustee as defined by the Plan, Professional Capital Services, LLC is the Recordkeeper and Third Party Administrator and Alliant Wealth Advisors is the Investment Manager and therefore transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan to these entities totaled \$96,163 and \$104,440 for the years ended December 31, 2022 and 2021, respectively. The Sponsor also paid certain administrative expenses for the Plan.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of complete or partial Plan termination, the Plan assets shall be distributed in accordance with the terms of the Plan.

NOTE F - TAX STATUS

The Plan was established by the Company by adoption of the Professional Capital Services, LLC Prototype Non-standardized Cash or Deferred Profit Sharing Plan, which has been previously approved by the IRS. The Company has not applied for a favorable determination designation by the Internal Revenue Service; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan adopted the provisions of Standards of Financial Accounting Standard ASC Topic 740, *Income Taxes* (ASC 740). ASC 740 prescribes a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including positions that the Plan took since issuance of ASC 740. The adoption of ASC 740 resulted in no changes to the Plan's beginning balances and net assets available for benefits.

With a few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2019.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, which such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Computer World Services Corporation 401(k) Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended of December 31, 2022 and 2021

NOTE H - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Cash and Cash Equivalents

This is cash deposited into an account that earns interest monthly based on stated interest rates.

Money Market Funds

These funds are valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds

These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are generally open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange Traded Funds

These funds are valued at the closing price, as of the valuation date, on the principal exchange or market on which the exchange traded fund is traded.

NOTE H - FAIR VALUE MEASUREMENTS (continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Cash and cash equivalents	\$ 438,592	\$ 438,592	\$ 0	\$ 0
Mutual funds	7,419,140	7,419,140	0	0
Exchange traded funds	<u>7,720,475</u>	<u>7,720,475</u>	<u>0</u>	<u>0</u>
Investments at fair value	<u>\$ 15,578,207</u>	<u>\$ 15,578,207</u>	<u>\$ 0</u>	<u>\$ 0</u>

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Cash and cash equivalents	\$ 300,741	\$ 300,741	\$ 0	\$ 0
Mutual funds	7,863,365	7,863,365	0	0
Exchange traded funds	<u>9,037,849</u>	<u>9,037,849</u>	<u>0</u>	<u>0</u>
Investments at fair value	<u>\$ 17,201,955</u>	<u>\$ 17,201,955</u>	<u>\$ 0</u>	<u>\$ 0</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no significant transfers into or out of Levels 1, 2 or 3.

NOTE I - PLAN AMENDMENT

The plan was restated on January 1, 2022 to adopt the CARES Act and the Qualified Birth and Adoption provisions.
