Independent Auditor's Report

To the Plan Sponsor of the Visual Marking Systems, Inc. 401(k) Retirement Plan
Twinsburg, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of the Visual Marking Systems, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Visual Marking Systems, Inc. 401(k) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Visual Marking Systems, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Visual Marking Systems, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Visual Marking Systems, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Visual Marking Systems, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Visual Marking Systems, Inc. 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2022 and 2021

A. PLAN DESCRIPTION

The following description of the Visual Marking Systems, Inc. (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering substantially all employees of the Company who have attained the age of 18 and have completed three months of service, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company is the Plan’s Administrator.

Contributions - Each year, participants may contribute up to 100%, up to the Internal Revenue Code (“IRC”) 402(g) limit, of their annual compensation on a pre-tax or post-tax (“Roth”) deferral basis. Employees who do not make a deferral election are automatically enrolled in the Plan at a 5% salary deferral. Prior to July 1, 2021, the automatic deferral election was 3% (see Note J). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company may, however, be required to limit contributions of certain participants to comply with the IRC.

The Company may make contributions to each eligible participant’s account by matching a percentage of the participant’s elective deferral on a per pay basis. For the year ended December 31, 2022, the Company made matching contributions on 20% of the participant’s elective deferral up to a maximum of 5% of eligible compensation.

The Company may also make a discretionary contribution to eligible employees who have performed 1,000 hours of service in the Plan year and are employed at year end. The Company did not make a discretionary contribution for the year ended December 31, 2022.

The Plan also permits rollover contributions from other qualified retirement plans.

Participant Accounts - Each participant’s account is credited with the participant’s deferral contributions, employer matching contributions, allocation of the Company’s discretionary contribution, and Plan earnings. Participant accounts are charged an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which the participant is entitled is the participant’s vested account balance.

Participants may direct their contributions to any or all of the investment options offered by the Plan. Participants may change their allocation of contributions or transfer money between investment options at any time during the year.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in employer matching contributions and discretionary contributions after six years of credited service.

Payment of Benefits - Upon termination of service, death, disability, retirement, or other reasons, a participant may elect to receive his or her account balance as a lump-sum payment. The Plan Administrator may automatically make a lump-sum distribution for account balances less than \$5,000. Terminated participants are entitled to receive their benefits as soon as administratively feasible. Distributions from a participant’s account may be authorized at any time by the Plan Administrator under certain hardship conditions.

Notes to the Financial Statements
December 31, 2022 and 2021

Forfeited Accounts - Unvested amounts forfeited by terminated participants may be used by the Plan to reduce employer matching contributions, discretionary contributions, or for the payment of Plan expenses. Unallocated forfeitures as of December 31, 2022 and 2021 totaled \$6,970 and \$7,519 respectively. Forfeitures in the amount of \$5,085 were used to reduce employer match contributions during the year ended December 31, 2022.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fixed account with insurance company which is reported at contract value (see Note D). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies using information provided by the investment advisors, custodian, and trustee. See Note E for discussion of fair value instruments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses, including recordkeeping, custodian, and trustee fees are paid from the Plan. Investment management and fees attributable to distributions are paid by the participants. All other expenses of maintaining the Plan are paid by the Plan Sponsor. Investment related expenses are included in net depreciation of fair value of investments.

C. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Empower Trust Company, LLC ("Empower"), formerly known as Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collective "Great-West"), the custodian of the plan.

Empower has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of December 31, 2022 and for the year ended December 31, 2022. Great-West has certified as to the completeness and accuracy of the investments it held as of December 31, 2021.

Empower has certified as to the completeness and accuracy of the schedule of assets (held at end of year) as of December 31, 2022.

Visual Marking Systems, Inc. 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2022 and 2021

D. INVESTMENT IN KEY GUARANTEED PORTFOLIO FUND

The Plan entered into a group fixed deferred annuity contract with Great West Life and Annuity Insurance Company ("Great-West"), an affiliate of Empower. Great-West maintains the contributions in a general account known as the Key Guaranteed Portfolio Fund ("Fund"), an account credited with a declared rate of interest and valued daily. The effective annual interest rate will never be less than 0% and the interest rate to be credited will be determined prior to the last day of the previous calendar quarter. The average yield earned by the Plan was 0.93% for 2022. The actual average yield earned by the Plan was 0.93% for 2022.

Amounts allocated to the Fund are held in the general account of Great-West, are managed on an aggregate basis, and support the general activities of Great-West.

The Fund is included in the financial statements at contract value. Contract value represents contributions and reinvested income, less any withdrawals plus accrued interest, because these investments have fully benefit-responsive features. For example, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract values for credit risk of contract issues or otherwise.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The Fund does not permit the trust company to terminate the agreement prior to the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value.

E. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The level of the fair value hierarchy under Financial Accounting Standards Board ("FASB") guidance in these financial statements is described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize these observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds ("CTFs") - The fair value of the CTFs is estimated based on the NAV derived from the fair value of the underlying investments. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements
December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Mutual funds measured at fair value	\$ 1,263,167	\$ 1,263,167
Total assets in the fair value hierarchy	1,263,167	1,263,167
Investments measured at net asset value ^(a)	-	2,236,664
Investments at fair value	<u>\$ 1,263,167</u>	<u>\$ 3,499,831</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022:

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$ 2,236,664	\$ -	Daily	Up to 12 Months

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Mutual funds measured at fair value	\$ 1,652,779	\$ 1,652,779
	1,652,779	1,652,779
Investments measured at net asset value ^(a)	-	2,774,690
Investments at fair value	<u>\$ 1,652,779</u>	<u>\$ 4,427,469</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021:

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$ 2,774,690	\$ -	Daily	Up to 12 Months

^(a) In accordance with the FASB Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

F. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower, the trustee of the Plan. The transactions involving these investments are allowable party-in-interest transactions under ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. In 2022, administrative expenses paid to Empower totaled \$15,676.

Visual Marking Systems, Inc. 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2022 and 2021

Empower provides certain administrative services to the Plan pursuant to a Service Agreement (“SA”) between the Company and Empower. Empower receives revenue from mutual fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. If the revenue received by Great-West from such mutual fund service providers exceeds the amount owed under the SA, Empower remits the excess to the Plan’s trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022, there were \$14,420 in excess amounts. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. In 2022, the excess amounts were used to reduce administrative expenses. The Plan or Plan Sponsor may make a payment to Great-West for administrative expenses not covered by revenue sharing.

G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

H. FEDERAL INCOME TAX STATUS

The Company adopted a preapproved plan document sponsored by Empower, which received an IRS Opinion Letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

J. PLAN AMENDMENTS

Effective June 16, 2021, the Plan was restated to comply with the Bipartisan Budget Act of 2018 and other legislative and regulatory changes.

Effective July 1, 2021, the Plan was amended to increase the automatic deferral rate from 3% to 5%.

Effective July 22, 2022, the Plan was amended to for certain provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020.

Visual Marking Systems, Inc. 401(k) Retirement Plan
Notes to the Financial Statements
December 31, 2022 and 2021

Effective July 22, 2022, the Plan was amended to comply with the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 and other legislative and regulatory changes.

K. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 26, 2023, which is the date the Plan's annual financial statements were made available to be issued.
