Independent Auditors' Report

To the Board of Directors of the
Cincinnati Association for the Blind 401(k) Profit Sharing Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cincinnati Association for the Blind 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cincinnati Association for the Blind 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cincinnati Association for the Blind 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditor's Report
(Continued)**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cincinnati Association for the Blind 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cincinnati Association for the Blind 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cincinnati Association for the Blind 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

**Independent Auditor's Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Cincinnati Association for the Blind 401(k) Profit Sharing Plan (the "Plan") are prepared under the accrual basis of accounting using accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's realized gains and losses on investments sold during the year, as well as unrealized gains and losses on investments held at year end.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

Related-Party Transactions / Plan Expenses

Certain Plan investments are invested in funds managed by Voya Retirement Insurance and Annuity Company ("Voya"). Voya is the Plan custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain investment related expenses are included in net depreciation in fair value of investments.

Several employees of the Cincinnati Association for the Blind and Visually Impaired (the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for these services, and accordingly they are not reflected in the Plan's financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the management of the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefit Payments are recorded when paid.

Upon termination of employment, the Plan provides for automatic direct rollovers of vested accounts less than \$5,000 into an individual retirement plan designated by the Plan Administrator unless otherwise directed by the participant.

Subsequent Events

In preparing its financial statements, the Company has evaluated events subsequent to the Statement of Net Assets Available for Benefits date through September 29, 2023, which is the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan has been amended to be a Qualified Automatic Contribution Arrangement (QACA) Safe Harbor plan and includes changes to the employer match computation formula, automatic deferral and increases to the automatic deferral amount, and vesting schedule.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to their Cincinnati Association for the Blind 401(k) Profit Sharing Plan agreement for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was November 1, 2010. The Plan was most recently amended and restated effective January 1, 2022. The Plan is a defined contribution plan covering all eligible employees of Cincinnati Association for the Blind and Visually Impaired (the "Company") with the exception of those covered by a collective bargaining agreement. Employees become eligible upon hire for elective deferrals. In order to be eligible for employer contributions a participant must be eighteen years of age and have completed two hundred fifty hours of service within their first three months of service. Eligible employees are automatically enrolled into the Plan immediately following the attainment of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may voluntarily make salary deferral contributions up to 100% of their eligible compensation, on a pre-tax or after-tax basis. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 at December 31, 2022). For 2022, Section 414(v) of the Internal Revenue Code of 1986 (IRC) as amended allowed a maximum catch-up contribution of \$6,500 for participants over 50 years of age. The Plan allows for the Company to make a discretionary matching contribution based on a formula determined by the Company on a quarterly basis. For 2022, the Company elected to make a discretionary matching contribution in the amount of 50% of employee deferrals up to 6% of eligible compensation. The total amount of the discretionary matching contribution was \$135,875, for the year ended December 31, 2022. The Plan also requires the Company to make a non-elective employer contribution using a formula determined by the Company on an annual basis. For 2022, the Company made a non-elective employer contribution in the amount of 4% of eligible compensation. The total amount of the non-elective employer contribution was \$185,613, for the year ended December 31, 2022.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Rollover Contributions

Participants may rollover their pre-tax or after-tax portion of funds previously held in another qualified employee benefit plan or annuity contract to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based on the proportion of individual account balances to total participants' account balances in the respective investment funds. Each participant's account is reduced by participant withdrawals, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Vesting in both the discretionary employer contribution and non-elective employer contribution is based on years of continuous service. A participant is 100% vested in both the discretionary employer contribution and non-elective employer contribution after five years of credited service. Non-vested portions of participant accounts that are forfeited upon payment of benefits are retained in the Plan and can be used to reduce future employer contributions or plan expenses.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company or termination of the Plan, the participant's account is distributed in the form of a lump sum payment upon participant request.

In-service distributions are permissible from the Plan for participants that have obtained the age of 59 ½. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits in a lump-sum payment.

In conditions of "financial hardship", a participant may apply to the Plan Administrator for approval to withdraw that portion of their employee deferral and rollover balances necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts

Forfeitures can be used to either reduce the Company's discretionary and non-elective contributions or to offset plan expenses. The balance of unallocated forfeitures was \$8,150 and \$65,458 at December 31, 2022 and 2021, respectively. \$61,206 of forfeited funds were used to reduce employer contributions during the plan year ended December 31, 2022.

Notes Receivable from Participants

Effective September 1, 2022, notes receivable from participants are available on vested amounts in the participant's account. The minimum note receivable amount is \$1,000 and the maximum is the lesser of one-half of the participant's vested account balance or \$50,000. A participant is permitted to have one outstanding note at any given time. All notes bear interest at a fixed rate as determined by the Plan Administrator. Note receivable terms range from one to five years, or beyond five years, as agreed upon by the Participant and the Loan Administrator for the purchase of a primary residence. Outstanding note receivable balances are \$27,561 and \$-0- at December 31, 2022 and 2021, respectively.

NOTE 3 GUARANTEED INVESTMENT CONTRACT

In 2010, the Plan entered into a traditional benefit-responsive investment contract with Voya. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract ("GIC") issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributed to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) transfers to the fixed account from other plan sources greater than permitted, (2) competing investment options or deletion of equity wash provisions, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

After completing five contract years, Voya may terminate the contract providing the contract holder a 90-day written notice to pay out the full value without fees or market value adjustments or convert the contract to another contract issued by Voya or one of its affiliates.

NOTE 4 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Pooled separate account: Valued at their "accumulation unit values" (AUV). The separate account is valued daily as the number of accumulation units held multiplied by the AUV. The AUV is first established when a new fund starts (typically the beginning AUV is \$10.00) and is then determined daily based on the net asset value of shares of the underlying fund, the fund's dividends and the contract's separate account charges.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Voya for the years ended December 31, 2022 and 2021, was certified by them to be complete and accurate with respect to the following:

- (a) The assets held by Voya at December 31, 2022 and 2021, as well as the transactions involving these assets for the years then ended.
- (b) The amount of investment income (loss) for the year ended December 31, 2022.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2022.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all amounts credited to their accounts.

CINCINNATI ASSOCIATION FOR THE BLIND 401(K) PROFIT SHARING PLAN

NOTE 7 TAX STATUS

The Plan has adopted a prototype plan. The Internal Revenue Service has determined and informed the prototype plan by a letter dated June 30, 2020, that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the prototype plan received the advisory opinion, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.
