INDEPENDENT AUDITOR'S REPORT

The Board of Trustees of the
Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in *Note E* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion

Emphasis of Matter - Basis of Accounting

We draw attention to *Note B* of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in *Note B,* this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sam Schwartz Pedestrian Traffic Management Services, Inc., 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation of the 2021 Financial Statements

We performed a compilation engagement with respect to the 2021 financial statements and our report dated September 12, 2023, stated we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

NOTE A – DESCRIPTION OF PLAN:

The following description of the Sam Schwartz Pedestrian Traffic Management Services, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document governing the Plan (plan agreement), for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of the company who are age twenty-one or older and completed 1,000 hours of service within the 6 month time period following the employee's employment commencement date. Eligible employees may enroll the first day of each month. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Contributions are subject to annual Internal Revenue Service limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants have the Roth option, where it can designate all or part of its elective 401(k) deferrals as Roth contributions. All Roth contributions are made with after-tax dollars. Also, the Plan allows employees to rollover certain eligible governmental 457(b), 401(k), 403(b) or 401(a) from previous employers to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions:

The Company matching contributions, follows:

- 1% contribution = 1.00% Match
- 2% contribution = 1.75% Match
- 3% contribution = 2.25% Match
- 4% contribution = 2.75% Match
- 5% contribution = 3.00% Match

Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Profit sharing contributions will be allocated to each participant as a uniform percentage of included compensation on a pro rata method and are subject to certain limitations. To be eligible for this contribution, employees must be employed on the last day of the Plan Year or must have more than 500 hours of service during the Plan Year.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) plan earnings, and (c) forfeitures of terminated participants' non-vested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions (including rollovers from previous employers) plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes Receivable from Participants:
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rate of 6.00%. Principal and interest is paid ratably through regular payroll deductions, not to exceed 5years.

Investment Policy and Investment Election
ACEC Retirement Trust Investment Policy sets forth the principles that the Trustees of the ACEC Retirement Trust ("ACEC RT") shall follow in establishing investment goals for the ACEC RT. These principles set forth the investment goals that the Trustees deem necessary and sufficient to discharge their duties in establishing and implementing an investment policy. In addition, with respect to the investment of assets of ACEC RT, these investment goals are established to ensure the Trustees discharge their duties of care, skill, prudence, and diligence under ERISA act of 1974, as amended.

ACEC RT is a group trust which operates as a "conduit trust" qualified under Revenue Ruling 81-100 and 2011-01 which is maintained solely for the benefit of member firms of the National American Council of Engineering Companies (ACEC). ACEC RT is comprised of multiple separately maintained and operated qualified defined contribution retirement plans each of which is designed to satisfy the requirements of ERISA section 404 (c).

The ACEC RT's goal is to maximize the investment return on ACEC RT assets with exposure to a prudent level of risk through economies of scale and to minimize expenses for the qualified participating ACEC member firms that elect to have their qualified defined contribution retirement plans participate in the ACEC RT.

The Plan sponsor is a member firm of ACEC and the Plan is a participant in ACEC RT. Participants should refer to the Investment Policy of the ACEC RT for a more complete description of the Plan's Investment Guidelines.

The participant contributions and the Company matching and additional contributions are allocated to the various investment options offered by the Plan as directed by participants.

Payment of Benefits:
On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures:
Generally, when a participant terminates participation in the Plan, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be utilized to reduce future contributions. As of December 31, 2022 has a forfeited account balance of $2,117.

Plan Termination:
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Administrative Expenses:
As provided by the plan agreement, administrative expenses maybe paid either by the Plan or by the Company

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:
This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis; investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates:
The preparation of financial statements in conformity with the modified cash basis of accounting, which is an accounting principles other than those generally accepted in the United States of America, ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition:
The Plan's investments are 100% participant directed and reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note C* for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation(depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants:
Participant loans are classified as notes receivable from participants on the statements of net assets available for benefits and are valued at their unpaid principal. The interest earned on these loans is included with interest and dividend income on the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make a loan repayment and the plan administrator deems the participant loan to be distribution, the participant loan balance is reduce and a benefit payment is recorded.

Payment of Benefits:
Benefits to participants are recorded when paid.

Administrative Expenses:
Certain administrative expenses are paid by the Company and are not reflected in the financial statements. Management fees and operating expenses charged to the Plan for investments are deducted from income earned and are not separately reflected. Consequently, certain management fees and operating expenses are reflected as a reduction of investment return for such investments

Risk and Uncertainties:
The Plan invests in various investment options/alternatives offered by the plan. The investment options invest in various investment securities exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in values of investment securities may occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events:
Subsequent events were evaluated through October 2, 2023, which was the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology includes:

- Quoted prices for similar assets or liabilities in inactive markets
- Quoted prices for identical or similar assets or liabilities in active markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020 and 2019.

Mutual Funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed publicly traded.

Collective trust fund. Valued at NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchase and sales) may occur daily.

The following table summarizes by level, within the fair value hierarchy, the financial assets of the Plan at fair value, including investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient, as of December 31, 2022 and 2021:

		Fair Value Measurements at Report Date Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at NAV
2022					
Mutual funds	$ 387,616	$ 387,616	$ -	$ -	$ -
Collective trust funds	3,120	-	-	-	3,120
Fixed Annuities	26,932	-	26,932	-	-
	$417,668	$ 387,616	$ 26,932	$ -	$ 3,120
2021 (Unaudited)					
Mutual funds	552,548	$552,548	$ -	$ -	$ -
Collective trust funds	161,629	-	-	-	161,629
Guanranteed interest fund	4,107	-	4,107	-	-
	$718,284	$ 552,548	$ 4,107	$ -	$ 161,629

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE D – INSURANCE AND INVESTMENT CONTRACTS

Group Annuity Contract

The Empower Investment Fixed Account (EIFA) is a general account product of Empower Life and Annuity Insurance Company of New York (formerly known as Great-West Life & Annuity Insurance Company) ("ELAINY"). Because the EIFA is a general account product offered through the group annuity contract, principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets of ELAINY.

Because the group annuity contract is fully benefit- responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to EIFA. EIFA is presented at contract value on the face of the statement of net assets available for benefits. Contract value, as reported to the plan by ELAINY, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participant may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and the prevailing market conditions. Interest rate is reset quarterly.

The average yield earned by the fund is 1.55% and 1.15% for 2022 and 2021.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to plan's prohibition on competing investment options; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the plan's normal operation; (4) the failure of the plan to qualify under section 401(a) of the IRC or the failure of the trust to be tax exempt under section 501(a) of the IRC; or (5) premature termination of the contract. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violations of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the concern of the issuer

Collective Trust Funds

The Plan, a participant in ACEC RT, invests in certain collective investment trust funds (CITs), an investment option available to the Plan, that file as a Direct Filing Entity (DFEs) pursuant to 29 CFR 2520.103-9.

The CITs are not mutual funds and are exempt from SEC registration and applicable securities laws of any state or other jurisdiction. Designed for and exclusively sold to qualified retirement plans and their participants and other eligible trusts. CITs are not available to individual retail investors. Assets of the collective investment trust funds are maintained in separate accounts of the Trust Company for the benefit of the Plan

Due to the various unique investment that maybe allowed in a collective investment trust fund, and the various restrictions that maybe imposed, the net asset value per share (NAV) practical expedient was used for fair value measurement as defined in ASC 820. In general, the use of the practical expedient requires that the NAV is not publicly available.

Investments held at Collective Trust Fund for year ended December 31, 2022 and 2021(Unaudited) as follows:

	2022	2021
Prudential Core Plus Fund Class 12	$ 3,120	$ 3,651
Total	$ 3,120	$ 3,651

NOTE E – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):
All information disclosed in the accompanying financial statements, notes and supplemental schedule related to the Plan's investment assets and notes receivable from participants at December 31, 2022 and 2021 (Unaudited), and the related net investment gain (loss) and interest and dividend income for the year ended December 31, 2022, was obtained or derived from information prepared by Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC, and furnished to the Plan management and certified as complete and accurate as follows:

	2022
Investments, at fair value:	
Mutual Funds	$ 387,616
Collective Trust Fund	3,120
Fixed annuities	6,932
Total	$ 417,668

NOTE F – TAX STATUS:
The Plan has adopted a Non-Standardized Prototype Plan Document sponsored by Orchard Trust Co that obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Prototype Document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS:
Certain Plan assets are invested in Empower Investment Fixed Account, a general account product of Empower Life and Annuity Insurance Company of New York ("ELAINY"). ELAINY(formerly Great West Life & Annuity Insurance Company) is affiliated with the Plan's trustee and recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. Also, the Plan issues loans to participants, which are secured by the vested balances in the participant' accounts.

NOTE H – COVID 19:
The potential economic impact to Plan's assets and operation brought by, and duration of, Covid-19 pandemic is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted at this time.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:
The following is a reconciliation of net assets available for plan benefits on the financial statements to the Form 5500 as of December 31:

	2022	2021
Net assets available for benefits per the financial statements	$ 425,170	$ 736,707
Net assets available for benefits per the Form 5500	$ 425,170	$ 736,707
