To the Plan Administrator of the
Community Action Wayne/Medina Retirement Savings Plan
Wooster, Ohio

We have audited the financial statements of Community Action Wayne/Medina Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2022, and have issued our report thereon dated December 31, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

However, during our audit, we also became aware of a matter that is an opportunity for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comment and recommendation regarding that matter. This letter does not affect our report dated September 19, 2023, on the financial statements of Community Action Wayne/Medina Retirement Savings Plan.

We will review the status of this comment during our next audit engagement. We have already discussed this comment and recommendation with Community Action Wayne/Medina personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated July 10, 2023. Professional standards also require that we communicate the matters summarized in the memorandum that accompanies this letter.

This communication is intended solely for the information and use of management of Community Action Wayne/Medina and the plan administrator and it is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

A handwritten signature in black ink that reads 'Maloney + Novotny LLC'.

CURRENT YEAR OBSERVATIONS AND RECOMMENDATIONS

OBSERVATION

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company has remitted all employee contributions to the Plan, contributions totaling \$3,139 were not remitted within the required time period in a prior year. The Company has since remitted delinquent contributions but not the lost earnings.

RECOMMENDATION

We recommend management complete these calculations for lost earnings and remit Required to the plan as quickly as possible.

PRIOR YEAR OBSERVATIONS AND RECOMMENDATIONS

None noted in the prior year.

REQUIRED COMMUNICATIONS

A. Our Responsibility Under Auditing Standards Generally Accepted in the United States of America

As stated in our engagement letter dated July 10, 2023, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America except that, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and as elected by management, we will not perform any auditing procedures with respect to asset information prepared and certified by Principal Trust Company, the custodian, in accordance with DOL Regulation 2520.103-5, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Our audit of the financial statements does not relieve you or management of your responsibilities related to the preparation and fair presentation of the financial statements.

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REQUIRED COMMUNICATIONS (CONTINUED)

B. Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

C. Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates and disclosures are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because future events affecting them may differ significantly from those expected. The financial statement disclosures are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users. The most sensitive estimate and disclosure affecting the financial statements was:

Management's assessment of the fair value of the Plan's investments. Their assessment is based on information provided by the custodian, Principal Trust Company, and management's understanding of the Plan's investment contract with the custodian. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosures under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the unaudited information summarized in Note 6, ("Unaudited Information"). Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on the financial statements or supplemental schedule.

D. Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

E. Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

REQUIRED COMMUNICATIONS (CONTINUED)

F. Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. During the current year, there were no adjustments noted as a result of the audit procedures.

G. Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

H. Management Representations

We have requested certain representations from management that are included in the attached management representation letter dated September 19, 2023.

I. Management Consultations With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

J. Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

K. Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REQUIRED COMMUNICATIONS (CONTINUED)

K. Other Matters (Continued)

Our responsibility for other information in the Plan's Form 5500 containing the entity's financial statements and report does not extend beyond the financial information identified in the report. Other than comparing the other information in the Form 5500 to determine its consistency with the Plan's financial statements, we do not have any responsibility for determining whether such other information contained in the Form 5500 is properly stated. We have read the information contained in the Form 5500 and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or its manner of presentation, appearing in the financial statements.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Community Action Wayne/Medina 403(b) Retirement Savings Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the periods then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Principal Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Principal Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Independent Auditors' Report

To the Board of Trustees, Plan Administrator and Participants of
Community Action Wayne/Medina Retirement Savings Plan
Wooster, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Community Action Wayne/Medina Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. GAAP requires that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion of our report, it is inappropriate to, and we do not, express an opinion on these supplemental schedules.

COMMUNITY ACTION WAYNE/MEDINA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Community Action Wayne/Medina Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of the Community Action Wayne/Medina. (the "Organization"). All employees of the Organization are eligible to participate in the deferral option of the plan with the exception of employees hired to work less than 20 hours per week. Employees must be employed for 120 days to be eligible for the employer match. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan.

Contributions

Each year, participants may contribute from 2% to 100% of pretax annual compensation, subject to federal contribution limits, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to make Roth contributions. Rollover contributions from other Plans are also accepted, providing certain specified conditions are met. The Organization elected to match up to 3% of each participant's pay and make discretionary contributions to eligible employees at 3% of compensation during 2022 and 2021. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Participants' Accounts

Each participant's account is credited with the allocation of (a) participant contributions, (b) the Organization's contribution and (c) plan earnings, (d) certain administrative expenses, (e) forfeitures of terminated participants' non-vested accounts if applicable, and (f) fees for participant-initiated transactions. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to one-half of their vested account balance in the Plan, not to exceed \$50,000. The loans are secured by the balance in the participant's account. The loan interest rates are based on the rates available for similar loans from commercial lending institutions. Principal and interest is paid ratably through payroll deductions.

COMMUNITY ACTION WAYNE/MEDINA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of the Plan (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on their years of service. A year of vesting accumulates from the date of hire. A participant is vested after two years of credited service.

Payment of Benefits

A participant or his/her beneficiary, upon termination, death, or retirement, receives payment of his/her vested account balance in the form of a lump sum or annuity options. Additionally, the Plan has provisions for an active participant to make in-service and hardship withdrawals from his/her account, subject to limitations and restrictions.

Forfeited Accounts

Any forfeited non-vested accounts may be used to pay administrative fees, to reduce future employer contributions, or may be allocated to participant accounts. At December 31, 2022 and 2021, there were \$2,810 and \$670, respectively, of unutilized forfeited non-vested accounts. During 2022 and 2021, employer contributions were reduced by \$-0- and \$-0-, respectively, from forfeited non-vested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Organization has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

COMMUNITY ACTION WAYNE/MEDINA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Principal Trust Company. See Note 4 and 5 for discussion of fair value measurements and the guaranteed investment contract, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Administrative Fees

Fees of the Plan are paid by the Organization or the Plan at the discretion of the Organization. In addition, any participants who elect to receive a loan, distribution, or withdrawal are charged a processing fee. Also, in certain cases, participants may be charged a redemption fee.

Evaluation of Subsequent Events

The Plan's management has evaluated subsequent events through September 19, 2023, the date the financial statements were available to be issued.

COMMUNITY ACTION WAYNE/MEDINA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan agreement to amend any and all provisions of the Plan, as well as discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used from 2021 to 2022.

Mutual Funds – Mutual funds are held at Principal. They are valued at their quoted closing market prices in active markets for identical investments and classified as Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>As of December 31, 2022</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Investment Contract with Insurance Company

The Plan has entered into a fully benefit-responsive investment contract with Principal Life Insurance Company. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate before fees for administrative and recordkeeping services provided to the Plan is based on a formula established by the issuer, and in no case will be less than 1% or greater than 3%. Such interest rates are reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The guaranteed investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value which is equivalent to fair value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

An employer-level liquidation or employer-initiated transfer of the Plan's interest in the guaranteed investment contract will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the Plan fiduciary chooses. Notification of a Plan's intent to terminate its interest may be revoked within 90 days of our receipt of such notice, after which time, notice becomes irrevocable.

A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the Principal Fixed Income Guaranteed Option exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the employer.

Note 6. Unaudited Information

Principal Trust Company, Custodian of the Plan, holds the Plan's investment assets and executes transactions therein. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2022 and 2021, the supplemental schedule of assets (held at end of year) at December 31, 2022, the related investment activity and loan interest reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 7. Income Tax Status

The Plan has been designated to qualify under Section 403(b) of the IRC and, therefore, it is not currently eligible to receive a determination letter from the Internal Revenue Service ("IRS"). The Plan is required to operate in conformity with the IRC to maintain its qualification under Section 403(b). The plan administrator believes the Plan is operating in accordance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related custodial accounts and tax-deferred annuities are tax exempt.

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 8. Party-in-Interest Transactions

The Plan's assets are held in mutual funds and an investment contract of Principal Life Insurance Company, the Custodian of the Plan. Administrative fees of \$39,199 and \$44,275 were paid to the Custodian for the years ended December 31, 2022 and 2021, respectively. These transactions qualify as party-in-interest transactions.

Note 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

For the years ended December 31, 2021, and 2020 the following differences exist between the audited financial statements (prepared on the accrual basis) and the Form 5500 (prepared on the cash basis):

	<u>2022</u>	<u>2021</u>
Net (loss) income per the Form 5500	\$ (1,397,115)	\$ 843,732
Adjustments to:		
Miscellaneous difference	-	412
Net (decrease) increase per the audited financial statements	\$ <u>(1,397,115)</u>	\$ <u>844,144</u>

Note 11. Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Organization has remitted all employee contributions to the Plan, contributions totaling \$3,308 were not remitted timely in a prior year. The Organization has since remitted delinquent contributions but not the lost earnings. Management is in the process of calculating what the lost earnings should be and remitting them to the Plan.
