INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Downtown Emergency Service Center 403(B) Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Downtown Emergency Service Center 403(B) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Downtown Emergency Service Center 403(B) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Downtown Emergency Service Center 403(B) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Downtown Emergency Service Center 403(B) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Downtown Emergency Service Center 403(B) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Downtown Emergency Service Center 403(B) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1-DESCRIPTION OF PLAN

The following description of the Downtown Emergency Service Center ("Sponsor") 403(B) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, established on September 1, 1995, amended on September 17, 2012, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees (not including leased employees and certain nonresident aliens who have no earned income from sources within the United States) are eligible to participate in the Plan. The Plan entry date a participant is first entitled to make elective deferrals is on the date of hire. Deferrals begin on the first day of the month subsequent to enrollment.
- B. Contributions. Employees may elect to contribute pre-tax dollars to the Plan, through payroll deductions, amounts of 1% to 20% of base pay up to \$20,500 and \$19,500 for 2022 and 2021, respectively. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$6,500 in addition to the IRS limit of \$20,500 and \$19,500 for 2022 and 2021, respectively. Participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

If a participant completes 1,000 hours of service within a 12-month period they will receive a percentage of their eligible compensation if the Sponsor decides to make discretionary contributions. For the year ended December 31, 2022, the Sponsor elected to make discretionary contributions equal to 2.47% of eligible compensation at June 30, 2022 and 2.18% of eligible compensation at December 31, 2022.

- C. Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the Sponsor's contribution, Plan earnings, and forfeitures of terminated participants' non-vested accounts. Sponsor's contributions are invested in the investment options in the same allocation percentages as each participant's contributions. Eligibility for the discretionary contribution is determined on January 1 and July 1 of each year. The benefit for a participant is the benefit that can be provided from the participant's vested account.
- D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's account balance less a current outstanding loan balance or \$50,000 less the highest outstanding loan balance during the one-year period prior to the new loan application. The loans are collateralized by the balance in the participant's account, and bear interest at a reasonable fixed rate based on prevailing commercial lending rates for comparable loans (prime +1%). Principal and interest are paid through automatic payroll deductions. Participants may not have more than one loan outstanding at any given time. Loans which are granted and repaid in compliance with the Plan provisions will not be considered distributions to the participant for tax purposes. For the year ending December 31, 2022, interest rates ranged from 4.25% to 7.25%. There were fifteen and thirteen loans outstanding at December 31, 2022 and 2021 totaling \$43,558 and \$54,841, respectively.

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Vesting in the Sponsor's nonelective contributions portion of their accounts, plus actual earnings thereon is based on years of service. An employee must complete 1,000 hours of service during the Plan year to receive credit for a year of service, as defined in the Plan Document. A participant is vested in all contributions other than those which are fully vested when contributed under the following schedule:

<u>Vested</u>	<u>Years of Service</u>
0%	Less than 2
25%	2
50%	3
75%	4
100%	5

- F. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeitures. Forfeitures occur when a participant's employment is terminated before they are fully vested in the Sponsor's elective deferral contributions. The unvested contributions are forfeited funds used to offset Plan expenses and/or reduce future employer contributions for the next Plan year. For the year ended December 31, 2022, forfeited nonvested accounts available to reduce future employer contributions totaled \$47,221. All forfeitures accumulated within the Plan have been completely eliminated with the employer discretionary contributions.
- H. The Plan's Trustee and plan administrator ("Plan Administrator") is the Sponsor. The Plan Custodians are Charles Schwab Trust Bank and ReliaStar Life Insurance Company.
- I. The Plan's third party administrator, who provides administrative and consulting services, is USICG Retirement Plan Services.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

Investment valuation and income recognition

The Plan offers investments in various registered investment companies (mutual funds) maintained by Charles Schwab Trust Bank, which are valued and reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. Investments held at ReliaStar Life Insurance Company are mutual funds that are valued at quoted market prices. Quoted market prices represent the net asset value of shares held by the Plan at year end. The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in registered investment companies (mutual funds) which consists of the related gains (losses) and the unrealized appreciation (depreciation) on those investments.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Notes receivable from participants

Notes receivable from participants are stated at the outstanding principal balance of the loan plus accrued but unpaid interest, which approximates fair value. Interest income is recorded on the accrual basis. As of December 31, 2022 and 2021, the Plan does not have an allowance for credit losses, as repayments of principal and interest are generally received through payroll deductions and the notes are collateralized by the participants' account balances.

The Plan is subject to the Loans to Participants topic of the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25)*, which requires loans to participants in an entity's defined contribution plan be classified as notes receivable. These loans are to be reported separately from plan investments.

Plan administration costs

Several of the investment fund options are subject to investment management fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance. In addition, investment advisory and education expenses are charged to the Plan. Certain administrative expenses are paid by the Sponsor.

Payment of benefits

Benefits are recorded when paid.

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through July 14, 2023, the audit report date, and has concluded that there are no significant subsequent events that require disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2022 compared to December 31, 2021. The Sponsor's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2022.

Mutual funds - These investments are public investment securities valued using the Net Asset Value ("NAV") provided by Charles Schwab Trust Bank. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

Insurance company general account - These investments are valued at fair value by discounting the related cash flows provided by ReliaStar Life Insurance Company.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by USICG Retirement Plan Services. USICG Retirement Plan Services provides investment services and participant education, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan are incorporated in the return for the various mutual funds. The funds pay USICG Retirement Plan Services a fee for its services, which includes any fee USICG Retirement Plan Services pays to the sub-advisors (USI Consulting Group and USI Advisors, Inc.). There were no additional fees paid outside of the funds. Fees incurred by the Plan to USICG Retirement Plan Services amounted to \$36,205 for the year ended December 31, 2022. These fees are recorded as administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits.

The Sponsor's Chief Financial Officer is currently a participant in the Plan and serves as the Plan Administrator.

Notes receivable from participants are permitted party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5-PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6-INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIANS

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedules, including investments from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank and ReliaStar Life Insurance Company. The information prepared and certified is summarized as follows:

DOWNTOWN EMERGENCY SERVICE CENTER 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7-TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The IRS has determined and informed the Plan Sponsor by a letter dated July 1, 2014 that the Plan is designed in accordance with applicable sections of the Code. The governing board of the Sponsor adopted a complete restatement of the Plan effective January 1, 2020 to comply with the 403(b) regulations and to continue to receive the tax benefits of an IRS pre-approved plan. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 8-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 33 participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.
