INDEPENDENT AUDITOR'S REPORT

To the Trustees of
The Learning Experience 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Learning Experience 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Learning Experience 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Learning Experience 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Learning Experience 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Learning Experience 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Learning Experience 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplementary Information Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Learning Experience 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following brief description of The Learning Experience 401(k) (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a participant-directed defined contribution plan qualifying under section 401(k) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established on January 1, 2020 for providing eligible employees of The Learning Experience Corp. & Subsidiaries (the “Employer”), its affiliates, and their beneficiaries funds for retirement. Participants began contributing to the Plan effective March 1, 2020.

Eligibility

An employee becomes eligible to participate in the Plan upon completing 12 months of service and having attained the age of 21. Employees are credited with a year of service for eligibility purposes after they have worked 1,000 or more hours during the year. For discretionary nonelective contributions, employees must also be employed on the last day of the Plan year.

Employee Contributions

A participant in the Plan may annually contribute from 1% to 90% of his or her base pay by means of payroll deductions, not exceeding amounts as determined by the Internal Revenue Service (“IRS”). Any participant, age 50 or over, may make an additional “catch up” contribution as determined by the IRS. Change or revocations of deferral elections take effect at the beginning of each payroll period. Participants direct the investment of their contributions into various investment options offered by the Plan. Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

Employer Contributions

The Employer will annually make a safe harbor matching contribution equal to 100% of salary deferrals for up to the first 3% of Plan compensation and 50% of the next 2% of deferred compensation. The Employer may also elect to make a discretionary nonelective contribution. Such contributions are allocated to all eligible employees in the ratio that participant compensation bears to total compensation of all eligible employees. For the year ended December 31, 2022, the Employer did not elect to make a discretionary nonelective contribution.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of shares in registered investment companies and a common collective trust fund, with varying investment objectives as investment options. Each participant's account is credited with the participant's pretax contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, expenses of the Plan, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distributions and Withdrawals

Prior to the retirement, distributions and withdrawals are not permitted from the Plan except in the instances of death, disability, termination of employment, or hardship as defined in the Plan document. In service withdrawals are permitted once a participant is age 59 ½. Participants or their beneficiaries may receive a lump-sum amount equal to the value of the participant's vested account balance.

The Learning Experience 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Notes Receivable from Participants

Any participant may borrow from his or her account a minimum of \$500 for up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. Interest is charged at a rate of prime plus two percentage points. At December 31, 2022, the notes bear interest at rates ranging from 5.25% to 9.5% with maturities through 2028. Restrictions and repayment terms are described in the Plan document. A participant will only be permitted to have one outstanding loan at a given time. Principal and interest are paid ratably through weekly payroll deductions.

Vesting

A participant's interest in his or her contributions to the Plan as well as the Employer's safe harbor matching contributions allocated to his or her account will always be 100% fully vested and nonforfeitable. The vesting schedule for Employer nonelective contributions, if any, is as follows:

<u>Years of Vesting Service</u>	<u>Nonforfeitable Percentage</u>
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Forfeitures

As of December 31, 2022 and 2021, the Plan had \$43 and \$42, respectively, of forfeited nonvested accounts. Forfeitures can be used to reduce the Employer matching contributions or used to pay the Plan's administrative expenses at the request of the Employer. During the year ended December 31, 2022, the Plan did not utilize forfeitures to pay Plan fees.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 3.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Learning Experience 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, or an investment advisor, are paid by the Employer or through excess forfeitures. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Employer. Participants are charged service fees for any loan and distribution transactions they request. For the year ended December 31, 2022, the Plan paid administrative fees of \$3,711.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.) The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

The Learning Experience 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Registered investment companies: Valued at quoted market prices which represent the net asset value (“NAV”) of shares held by the Plan at year-end. Since NAV is a quoted price in an active market, they are classified within Level 1 of the valuation hierarchy.

Common/collective trust: Valued at NAV as determined by the issuer of the fund based on the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2022			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 2,610,326	\$ 2,610,326	\$ -	\$ -
Common/collective trust, at NAV*	13,286			
	<u>\$ 2,623,612</u>			
	2021			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 2,183,085	\$ 2,183,085	\$ -	\$ -
Common/collective trust, at NAV*	7,047			
	<u>2,190,132</u>			

*In accordance with Subtopic 820-10, certain investments that were measured using the NAV practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan’s investments for which fair value is estimated using the NAV per share as of December 31:

	2022	2021	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common/collective trust	\$ 13,286	\$ 7,047	\$ -	Daily	None	None

An Employer-initiated fund termination would require a 12-month notification.

4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee, Reliance Trust Company, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee as of December 31, 2022 and 2021 and for the year ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments		
Common/collective trust	\$ 13,286	\$ 7,047
Registered investment companies	2,610,326	2,183,085
Notes receivable from participants	\$ 42,115	\$ 17,477
Investment income		
Net depreciation in fair value of investments	\$ (600,170)	
Dividend and interest income	98,729	
Interest on notes receivable from participants	\$ 902	

5. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Employer contribution, shall be allocated on a pro rata basis to the participants' accounts.

6. INCOME TAX STATUS

The Plan adopted a Prototype Profit Sharing 401(k) Plan. By letter October 6, 2020, the IRS has determined that the Prototype Plan was designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments and notes receivable from participants are held and managed by the trustee. Transactions with the trustee are transactions with a party in interest. Transaction fees charged by the trustee are absorbed in investment income and are not readily determinable. Notes receivable from participants are considered exempt party-in-interest transactions.

8. RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, per these financial statements to amounts reported in Form 5500:

	2022		2021
	Net Assets Available for Benefits	Changes in Net Assets Available for Benefits	Net Assets Available for Benefits
Per financial statements	\$ 2,705,548	\$ 470,280	\$ 2,235,268
Employee contribution receivable	(25,209)	(8,149)	(17,060)
Employer contribution receivable	(14,612)	(4,013)	(10,599)
Per Form 5500	<u>\$ 2,665,727</u>	<u>\$ 458,118</u>	<u>\$ 2,207,609</u>

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 26, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that would require adjustment to or disclosure in the financial statements.
