INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator of
Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Sterling Retail Services Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan, which was established on January 1, 2009, is a defined contribution plan covering employees of Sterling Retail Services Inc. (the "Employer", "Company" or the "Plan Sponsor") who have reached age 21 and completed three months of service, as defined in the Plan document. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective on December 29, 2022, the Setting Every Community Up for Retirement Enhancement ("SECURE") 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changed to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of September 28, 2023, Plan management is in process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Upon enrollment in the Plan, participants may contribute between 1% and 80% of their pre-tax or post-tax basis ("Roth") annual compensation up to the current limit set by the Internal Revenue Code ("IRC"). For the year ended December 31, 2022, participant contributions were subject to an overall annual limitation of $20,500. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to $6,500 ("Catch-up Contributions"). Participants may also contribute amounts representing distributions from other qualified plans ("Rollovers").

The Plan Sponsor may make nonelective contributions to the Plan, although they are not required to do so. Any such nonelective contributions will be allocated to all employees eligible to participate in the Plan, as defined. During 2022, no nonelective contributions were made.

Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers, an allocation of the Plan Sponsor's nonelective contributions, and earnings or losses from participant-directed investments, net of administrative expenses incurred by the participant, if any. Allocations are based on participant earnings (losses) or account balances, as defined by the Plan document. The benefit to which a participant is entitled at termination or retirement is the benefit that can be provided from the vested portion of the participant's account.

VESTING

Participant's contributions, Rollover contributions and actual earnings or losses thereon are immediately vested. Vesting in the Plan Sponsor's contributions plus actual earnings or losses thereon is based on years of continuous service.

A participant is 100% vested after three years of service according to the following schedule:

Years of Service	Vested Percentage
Less than 3	0%
3 or more	100%

Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the plan document. Upon death, total disability or reaching normal retirement age of 65, participants become 100% vested in their Plan Sponsor contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of $500). The loans bear interest at a fixed rate of the prime rate plus 2%, as opposed to loans transferred in from previous plans which bear interest at varying rates. Interest rates on notes receivable from participants ranged from 5.25% to 8.25% as of December 31, 2022. The maximum amount available for loans is the lesser of 50% of the participants vested account balance or $50,000, reduced by the highest outstanding loan balance during the prior 12-month period. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a primary residence, in which case a reasonable repayment period is determined at the time of the loan, not to exceed 30 years. Loan repayments (principal and interest) are made through payroll deductions.

.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant or the named beneficiary may receive a lump sum equal to the vested value of his or her account or elect among various options to receive monthly installments over a specified amount of years. If the participant's vested account balance is less than $5,000 at the termination date, then that balance may be distributed in a single lump-sum payment.

Beginning in 2021, participants reaching the age of 72 will generally have required minimum distributions, in accordance with the IRC.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan documents, may request a withdrawal of all or any portion of such participant's salary deferral contributions, excluding earnings, if any, as well as any vested nonelective contributions. Hardship withdrawals are included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

FORFEITURES

Amounts that are forfeited during a Plan year are used to fund the Plan Sponsor's contribution obligations to the Plan or to pay Plan administrative expenses, as directed by the plan administrator. During the year ended December 31, 2022, there were no forfeitures used to reduce Plan Sponsor contributions or to pay Plan administrative expenses. As of December 31, 2022 and 2021, the unallocated forfeited accounts were insignificant.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes herein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan valuation policies utilizing information provided by the investment advisor and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recoded as of December 31, 2022 and 2021. Delinquent notes receivable are treated as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 28, 2023, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"), the Trustee of the Plan.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participant account balances and the amounts reported in the statements of net assets available for benefits. The Plan, through its investment advisor, determines the appropriateness of the Plan's investment offerings and monitors investment performance and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

Common/Collective Trust Funds

Valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of each of the respective common/collective trusts. The underlying assets are valued based on the net asset value as provided by the investment account manager. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the trusts will sell the investment for an amount different from the reported net asset value. There are no restrictions on redemptions of these investments. The common/collective trust investments held by the plan are not fully benefit responsive contracts.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 2,798,502	$ --	$ --	$ 2,798,502
Total Investments in the Fair Value Hierarchy	2,798,502	--	--	2,798,502
Investments Measured at Net Asset Value*	--	--	--	225,965
Investments at Fair Value	$ 2,798,502	$ --	$ --	$ 3,024,467

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,294,213	$ --	$ --	$ 3,294,213
Total Investments in the Fair Value Hierarchy	3,294,213	--	--	3,294,213
Investments Measured at Net Asset Value*	--	--	--	182,171
Investments at Fair Value	$ 3,294,213	$ --	$ --	$ 3,476,384

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statements of net assets available for benefits.

INVESTMENT MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently)	Redemption Notice Period
Invesco Stable Asset – ADP59	$225,965	N/A	Daily	Daily

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently)	Redemption Notice Period
Invesco Stable Asset – ADP59	$182,171	N/A	Daily	Daily

NOTE 6 – TAX STATUS

The Plan uses a prototype non-standardized pre-approved profit sharing/money purchase/CODA plan which received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2022, Reliance served as trustee of the Plan, as defined in the Plan document, and therefore, any fees paid by the Plan to Reliance qualify as party-in-interest transactions. Automatic Data Processing ("ADP") also served as the Plan's record keeper, and therefore, ADP is also a party-in-interest to the Plan. Aggregate fees paid by the Plan to parties-in-interest during the year ended December 31, 2022 totaled $2,398. Additionally, certain investment related fees incurred by the Plan have been included in net depreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment. ADP receives revenue from investment service providers for services ADP provides to the funds. This revenue is used to offset certain amounts owed to ADP for its administrative services to the Plan. If revenue received by ADP from such investment service providers exceeds the amount owed under the Administrative Services Agreement, ADP remits the excess to the Plan's trust. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or the Company may make a payment to ADP for administrative expenses not covered by revenue sharing.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits between the financial statements and the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Total net assets per the financial statements	$ 3,082,895	$ 3,527,025
Less current year contributions receivable	(31,253)	(13,077)
Total net assets per the Form 5500	$ 3,051,642	$ 3,513,948

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the change in net assets available for benefits between the financial statements and the Form 5500 for the year ended December 31, 2022:

Net change in net assets per the financial statements	$	(444,130)
Less current year contributions receivable		(31,253)
Plus prior year contributions receivable		13,077
Total change in net assets per the Form 5500	$	(462,306)
