Independent Auditor's Report

To the Plan Committee of
SE&M Constructors, Inc. 401(k) Plan
Rocky Mount, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SE&M Constructors, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SE&M Constructors, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SE&M Constructors, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SE&M Constructors, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SE&M Constructors, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SE&M Constructors, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year as of December 31, 2022) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SE&M Constructors, Inc. 401(k) Plan

Notes to the Financial Statements

Note 1 - Description of Plan

General - SE&M Constructors, Inc. 401(k) Plan (the "Plan") became effective as of April 1, 1993. SE&M Constructors, Inc. and SE&M of the Triangle, Inc. are the Plan's sponsors. The Plan is a defined contribution plan covering all employees of SE&M Constructors, Inc. and SE&M of the Triangle, Inc who have at least one year of service and are at least age 21. SE&M Constructors, Inc. and SE&M of the Triangle, Inc. are commonly held corporations and are treated as one employer for pension plan purposes. Collectively these corporations are referenced as the "Company". Entry dates of the Plan are January 1 and July 1. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. However, the total amount contributed may not exceed a limit set annually by law (\$20,500 for 2022). Participants who are age 50 or older may contribute an additional \$6,500 "catch-up" contribution. Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target fund nearest the participant's 65th birthday. Participants have the option of changing their default deferral rate and investment election. Unless elected otherwise, under auto-enrollment a participants deferral rate will increase by 1% each year until it reaches a maximum of 6%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may contribute a discretionary matching percentage of qualifying participants' contributions. To be eligible for a matching contribution, a participant must have completed at least one year of service and be employed at year end. Certain exceptions apply for disability, death and participants who have attained age 65. The discretionary matching percentage amount and the eligible qualifying participant amount will be determined annually by the Plan's sponsor. The Company makes its matching contributions annually. For the year ended December 31, 2022 the Company made a matching contribution of \$90,000. In addition, the Company may contribute a discretionary profit-sharing contribution to the plan. To be eligible for the profit-sharing contribution a participant must be age 21 and have at least one year of service among other eligibility requirements. No profit-sharing contribution was made for the 2022 plan year.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings. Participant accounts are charged with expenses that are paid by the Plan. Certain direct participant expenses such as distribution fees and participant account fees are charged directly to a participant account. General administrative expenses are allocated to participants based on account balances.

SE&M Constructors, Inc. 401(k) Plan

Notes to the Financial Statements

Note 1 – Description of Plan (Continued)

Vesting - Vesting is determined as follows:

Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

Payment of Benefits – A participant's vested benefits is paid in a lump sum. Benefits are paid due to termination of service, death, disability and, if qualifying conditions are met, hardships and in-service withdrawals.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in any percentage in any of the available investment options. Participants may change their investment options at any time. Participants are given more information on the choices and the procedures to be followed at the time of their election.

Forfeited Accounts – At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$261 and \$0 respectively. These accounts will be used to pay plan expenses and reduce future employer contributions. In 2022, \$4,069 was used to pay plan expenses.

Note 2 – Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting. Investments held are reported at fair value.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments in these financial statements are reported at fair market values at December 31, 2022 and 2021 as certified by the Plan's trustee, Ascensus Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SE&M Constructors, Inc. 401(k) Plan

Notes to the Financial Statements

Note 2 – Summary of Accounting Policies (Continued)

Excess Contributions Payable – Amount payable to participants totaling \$14,176 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable with a corresponding reduction to 2022 contributions. The Plan distributed the 2022 excess distributions prior to March 15, 2023. There were no excess contributions for the year ended December 31, 2021.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Administrative and distribution fees are included in administrative expenses and charged directly to the participant's account. Investment advisory expenses are paid by the plan sponsor.

Date of Management's Review -Subsequent events were evaluated through September 27, 2023, which is the date the financial statements were available to be issued.

Note 3 – Certified Investments

Certain information related to investments in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's trustee Ascensus Trust Company.

Note 4 - Tax Status

The Plan is adopted from a prototype document prepared by Ascensus, LLC. The prototype document received a favorable tax determination letter dated June 30, 2020 from the Internal Revenue Service. However, the Plan sponsor has not applied for a separate determination letter specifically for the adopted Plan, but believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no taxes have been provided for in the accompanying statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local authorities for years prior to 2019.

SE&M Constructors, Inc. 401(k) Plan

Notes to the Financial Statements

Note 5 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. FASB ASC 820 Fair Value Measurements and Disclosures establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market, Mutual funds: Valued at the daily closing prices reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provision of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Plan Amendments

During 2022, the plan was formally amended to comply with the SECURE Act of 2019, Bipartisan American Miners Act of 2019 and the CARES Act of 2020. Significant changes include reducing service hour requirements to allow “part-time” employees to participate beginning in 2024, updating required minimum distribution rules, and updating distribution rules for beneficiaries.

Note 10 – Reconciliation of Form 5500 with Financial Statements

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

<u>Assets and Liabilities</u>	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$2,663,740	\$3,380,614
